34	Wir Sind Helden - Nur Ein Wort	213

Spanish Songs

Aleks Syntek - Corazones Invencibles

Hoy
Tu cara me lo dice todo
En silencio me hablas de algún modo
Algo no te deja ser feliz

Sé
La vida no es cuento de hadas
Y vamos de la fe a la nada
Tratando de sobrevivir

No hay difícil camino
Cuando estamos juntos tú y yo

Chorus:
Si vas en caída libre
Y te sientes derrotada
Yo me entregaré en el alma
Para curar tu dolor

No te dejaré rendirte
Yo te sanaré las alas
Corazones invencibles
Por la fuerza del amor
Por la fuerza del amor

Hoy
Te pido no pierdas confianza
Aunque sientas que la luz se apaga
Aquí yo sigo junto a ti
Si nos lleva el destino
Lo mejor está por venir

Chorus

Chorus

Alvaro Soler - Sofia

Sueño cuando era pequeño
Sin preocupación en el corazón (¡eh!)
Sigo viendo aquel momento
Se desvaneció, desapareció (¡eh!)

Ya no te creo, ya no te deseo, eo (¡eh!)
Solo te veo, solo te deseo, eo

Chorus:

Mira, Sofía (¡eh!)
Sin tu mirada sigo, sin tu mirada sigo
Dime Sofía, ah-ah (¡eh!)
¿Cómo te mira?, dime, ¿cómo te mira?, dime
Sé que no, sé que no, sé que solo
Sé que ya no soy-oy-oy-oy
Mira, Sofía
Sin tu mirada sigo, sin tu mirada, Sofía

Dices que éramos felices
Todo ya pasó, todo ya pasó (¡eh!)
Sé que te corté las alas
Él te hizo volar, él te hizo soñar (¡eh!)

Ya no te creo, ya no te deseo, eo (¡eh!)
Solo te veo, solo te deseo, eo

Chorus

Y porque no me dices la verdad?
Sigo sin tu mirada, Sofia
Y porque no me dices la verdad?

Chorus

Andrés Calamaro - Flaca

Chorus:

**Flaca no me claves
Tus puñales
Por la espalda
Tan profundo
No me duelen
No me hacen mal**

**Lejos
En el centro
De la tierra
Las raíces
Del amor
Donde estaban
Quedarán**

Entre el no me olvides
Me dejes nuestros abrigos olvidados
En el fondo del placard
Del cuarto de invitados
Eran tiempos dorados
De un pasado mejor

Aunque casi me equivoco
Y te digo poco a poco
No me mientas
No me digas la verdad
No te quedes callada
No levantes la voz
Ni me pidas perdón

Aunque casi te confieso
Que también he sido un perro compañero
Un perro ideal que aprendió a nadar
Y a volver al hogar
Para poder comer

Chorus

Calle 13 - Muerte En Hawaii

Yo he pelia'o con cocodrilos
Me he balanceado sobre un hilo cargando más de quinientos kilos
Le he da'o la vuelta al mundo en menos de un segundo
He cruza'o cien laberintos y nunca me confundo
Respiro dentro y fuera del agua como las focas
Soy a prueba de fuego, agarro balas con la boca
Mi creatividad vuela como los aviones
Puedo construir un cerebro sin leer las instrucciones
Hablo todos los idiomas de todos los abecedarios
Tengo más vocabulario que cualquier diccionario
Tengo vista de águila, olfato de perro
Puedo caminar descalzo sobre clavos de hierro
Soy inmune a la muerte
No necesito bendiciones porque siempre tengo buena suerte
Ven conmigo a dar un paseo por el parque
Porque tengo más cuentos que contarte que García Marquez

Chorus:

**Por ti, todo lo que hago lo hago por ti
Es que tú me sacas lo mejor de mí
Soy todo lo que soy
Porque tú eres todo lo que quiero
Por ti, todo lo que hago lo hago por ti
Es que tú me sacas lo mejor de mí
Soy todo lo que soy
Porque tú eres todo lo que quiero**

Puedo brincar la cuerda con solo una pierna
Vejo en la oscuridad sin usar una linterna
Cocino lo que quieras, yo soy todo un chef
Tengo sexo 24/7 todo el mes
Puedo soplar las nubes grises pa' que tengas un buen día
También sé cómo comunicarme por telepatía
Por ti, cruzo las fronteras sin visa
Y le saco una buena sonrisa a la "Mona Lisa"
Por ti, respiro antes de morirme
Por ti voy a la Iglesia y escucho toda la misa sin dormirme
Sigo siendo el Rey, aunque no tenga reino
Mi sudor huele a perfume y nunca me despeino
Sé pelear todas las artes marciales
También sé cómo comunicarme con los animales
Mientras más pasa el tiempo me veo más joven
Y esta canción la compuse sin escuchar como Beethoven

Chorus

Chavela Vargas - Llorona

No sé qué tienen las flores, Llorona
Las flores de un campo santo
No sé qué tienen las flores, Llorona
Las flores de un campo santo
Que cuando las mueve el viento, Llorona
Parece que están llorando
Que cuando las mueve el viento, Llorona
Parece que están llorando

Ay, de mí Llorona, Llorona, Llorona
Llévame al río
Ay, de mí Llorona, Llorona, Llorona
Llévame al río
Tápame con tu rebozo, Llorona
Porque me muero de frío
Tápame con tu rebozo, Llorona
Porque me muero de frío

Dos besos llevo en el alma, Llorona
Que no se apartan de mí
Dos besos llevo en el alma, Llorona
Que no se apartan de mí
El último de mi madre, Llorona
Y el primero que te di
El último de mi madre, Llorona
Y el primero que te di, ay
Yo te di
Tápame con tu rebozo, Llorona
Tápame con tu rebozo, Llorona
Porque me muero de frío
Muero de frío

Ay, de mí Llorona, Llorona, Llorona
De un campo lirio
Ay, de mí Llorona, Llorona, Llorona
De un campo lirio
El que no sabe de amores, Llorona
No sabe lo que es martirio
El que no sabe de amores, Llorona
No sabe lo que es martirio

Christian Nodal - Adios Amor

Miro tus ojos y no eres feliz
Y tu mirada no sabe mentir
No tiene caso continuar así
Si no me amas es mejor partir
Desde hace tiempo ya nada es igual
No eres la misma y me tratas mal
Y ante mi Dios te podría jurar
Cuánto te quise y te quiero todavía

Chorus:
Adiós amor
Me voy de ti
Y esta vez para siempre
Me iré sin marcha atrás porque sería fatal
Adiós amor
Yo fui de ti
El amor de tu vida
Lo dijiste una vez, me lo hiciste creer
Cómo me duele perderte
Me resignaré a olvidarte
Porque me fallaste

Miro tus ojos y no eres feliz
Y tu mirada no sabe mentir
No tiene caso continuar así
Si no me amas es mejor partir
Desde hace tiempo ya nada es igual
No eres la misma y me tratas mal
Y ante mi Dios te podría jurar
Cuánto te quise y te quiero todavía

Chorus

Elefante - Amores Prohibidos

Corazones rotos en la avenidas
Mariposas de color
Fantasías en cualquier esquina
Y yo sin su amor

Hay mujeres por las que se da la vida
Y un poquito más
Yo la quise desde el primer día tanto
Sin miedo, sin más

Chorus:
Amores prohibidos que vienen y van
Que nunca se han ido
Que no volverán
Amores que matan, que duelen demás
Amor de mentira, amor de verdad
Acércate más

Hay miradas que te dicen tanto
Que te hacen soñar
Madrugadas que jamás terminan
Que nunca se irán, no no no no no no no

Alguna vez te encontraré
Me encontrarás

Chorus

Chorus

Elefante - Asi Es La Vida

Y que me traigan más (botellas)
Para quitarme este (sabor de su sudor)
Y que me apunten en la cuenta
Toda la desgracia (que dejó)

Que no quieres nada más de mí
Que te fuiste con ese infeliz
¡Qué importa! ¡Qué importa!
Que me va a matar la depresión
Que voy a vivir en el alcohol
¡Qué importa! ¡Qué importa!

Que te fuiste sin decir adiós
Que no dormirás en mi colchón
¡Qué importa! ¡Qué importa!
Que ensuciaste mi reputación
Que te vale madres este amor
¡Qué importa! ¡Qué importa!

Chorus:

¡Y que te quise!

Y que te quise demasiado

Y que nadie te ha querido como yo

**Así es la vida de caprichosa
A veces negra y a veces color rosa
Así es la vida jacarandosa
Te quita, te pone, te sube, te baja
Y a veces te lo da**

Que me desangraste el corazón
Y que me hará justicia la nación
¡Qué importa! ¡Qué importa!
Que tu vida es como un carnaval
Que tarde o temprano volverás
¡Qué importa! ¡Qué importa!

Chorus

Chorus

Elefante - Durmiendo Con La Luna

Aquí estoy
Entre el amor y el olvido
Entre recuerdos y el frío
Entre el silencio y tu voz

Aquí estoy
Viendo pasar los segundos
Viendo pasar los minutos
Viendo pasar el amor

Chorus:

**Aquí estoy
Con la sonrisa fingida
Que me dejó tu partida
Como un verano sin sol**

**Aquí estoy
Sin la mitad de mi vida
Un callejón sin salida
Viendo la vida pasar**

Aquí estoy
Cantándole a la fortuna
Soñando con tu cintura
Con lo que nunca será
Aquí estoy
Enredado con la duda
Durmiéndome con la luna
Despertando con el sol

Chorus

Sin la mitad de mi vida
Un callejón sin salida
Viendo la vida pasar
Aquí estoy
Curándome las heridas
Durmiéndome con la luna
Despertando con el sol
Aquí estoy

Elefante - Historias

Atrapado a tu cintura el futuro me da igual
Hoy quiero amanecer contigo ya mañana Dios dirá
La duda no es un buen camino todo tiene una razón
No quisiera arrepentirme por lo que nunca paso

Y tu, tal vez un recuerdo al paso del tiempo, mi mejor canción
Y yo, tal vez en tus sueños vagando en silencio por tu habitación

Chorus:

Historias sin tiempo

Que llegan, que nunca se olvidan, que no morirán

Historias sin tiempo, sin final

La vida nos guarda sorpresas y esta vez me sorprendió
No quiero ser la cabeza cuando grita el corazón
No me queda otra salida no se que pueda pasar
Nadie sabe lo que empieza, donde puede terminar

Y tu, tal vez un recuerdo al paso del tiempo, mi mejor canción
Y yo, tal vez en tus sueños vagando en silencio por tu habitación

Chorus

No hay razón para mirar atrás
Si al final la vida solo es un juego
Si se pierde se puede ganar
El amor es un misterio nadie sabe que será

Chorus

Elefante - Mentirosa

Qué le vamos a hacer
Si la vida es así
Le aposté todo a tus besos
Y así todo lo perdí
No me pidas perdón
Que ni tú te lo crees
Esas lágrimas son falsas
Como falso fue tu amor

Chorus:

**Pero no me digas nada
Que el tonto he sido yo
Si la luna no es de queso
Ni las nubes de algodón
Para qué seguir con cuentos
Con amores de ficción
Si tu boca no es de fresa
Ni en tus ojos sale el sol**

Para qué decir más
Si todo terminó
Todo lo que sube baja
Todo lo que viene va
No me pidas perdón
Que ni tú te lo crees
Vete por donde llegaste
Y ojalá te vaya bien

Chorus:

**Para que seguir con cuentos, con amores de ficción
si tu boca no es de fresa ni en tus ojos sale el sol
Si la luna no es de queso
Ni las nubes de algodón
Para qué seguir con cuentos
Con amores de ficción
Si tu boca no es de fresa
Ni en tus ojos sale el sol**

Chorus

Elefante - Sabor A Chocolate

Tienes unos ojos que me invitan a probarte
Piel de duraznillo corazón de chocolate
Alma de manzana que me invita al paraíso
Y un par de melones por que Dios así lo quiso

Por qué te fuiste
Cuándo es que volverás
Qué cosa me diste
Que no te he podido olvidar, No, no, no

Eres un tesoro escondido entre mi cama
Lluvia por la noche solecito en la mañana
Agüita de coco, sirena en la playa
Mi sal mi pimienta, mi niña mimada

Por qué te fuiste
Cuándo es que volverás
Qué cosa me diste
Que no te he podido olvidar
No, no, no, no, no, no, no

Chorus:

**Llévame, llévame a la luna, pa'riba
Llévame, como tú ninguna**

Me gusta vivir, me gusta soñar
Que puedo pedir si he nacido pa' gozar
Tu boca es mi vicio, tu amor mi aeropuerto
Y mi pasaporte pa' subir al cielo

Por qué te fuiste
Cuándo es que volverás
Qué cosa me diste
Que no te he podido olvidar, No, no, no

Chorus

El Tri - Triste Cancion de Amor

Ella existió solo en un sueño
Él es un poema que el poeta nunca escribió
En la eternidad los dos
Unieron sus almas para darle vida
A esta triste canción de amor
A esta triste canción de amor

Él es como el mar
Ella es como la luna
Y en las noches de luna llena
Hacen el amor
En la inmensidad los dos
Unieron sus almas para darle vida
A esta triste canción de amor
A esta triste canción de amor

Él es como un dios
Ella es como una virgen
Y los dioses les enseñaron a pecar
Y en la eternidad los dos
Unieron sus almas para darle vida
A esta triste canción de amor
A esta triste canción de amor

Enanitos Verdes - Lamento Boliviano

Me quieren agitar
Me incitan a gritar
Soy como una roca
Palabras no me tocan
Adentro hay un volcán
Que pronto va a estallar
Yo quiero estar tranquilo

Es mi situación
Una desolación
Soy como un lamento
Lamento boliviano
Que un día empezó
Y no va a terminar
Y a nadie hace daño

Chorus:

Uoh, io, io, io-uoh-oh, ye-eh-eh-eh, yeh-eh
Y yo estoy aquí
Borracho y loco
Y mi corazón idiota
Siempre brillará

Y yo te amaré
Te amaré por siempre
Nena, no te peines en la cama
Que los viajantes se van a atrasar

Chorus

Jarabe De Palo - La Flaca

En la vida conocí mujer igual a la flaca
Coral negro de la Habana
Tremendísima mulata
Cien libras de piel y hueso
Cuarenta kilos de salsa
Y en la cara dos soles
Que sin palabras hablan
Que sin palabras hablan

La flaca duerme de día
Dice que así el hambre engaña
Cuando cae la noche
Baja a bailar a la Tasca
Y bailar y bailar Y tomar y tomar
Una cerveza tras otra
Pero ella nunca engorda
Pero ella nunca engorda

Chorus:

Por un beso de la flaca
Daría lo que fuera
Por un beso de ella
Aunque sólo uno fuera.
Por un beso de la flaca
Daría lo que fuera
Por un beso de ella
Aunque sólo uno fuera.
Aunque sólo uno fuera

Mojé mis sábanas blancas
Como dice la canción
Recordando las caricias
Que me brindó el primer día
Y enloquezco de ganas de
Dormir a su ladito
¡Porque Dios que esta flaca
A mí me tiene loquito!
A mí me tiene loquito.

Chorus

Jarabe De Palo - Bonito

Chorus:

**Bonito, Todo me parece bonito
Bonito, Todo me parece bonito**

Bonita mañana, bonito lugar
Bonita la cama, qué bien se ve el mar
Bonito es el día, que acaba de empezar
Bonita la vida, Respira, respira, respira
El teléfono suena, mi pana se queja
La cosa va mal, la vida le pesa
Que vivir así ya no le interesa
Que seguir así no vale la pena
Se perdió el amor, se acabó la fiesta
Ya no anda el motor que empuja la tierra
La vida es un chiste con triste final
El futuro no existe, pero yo le digo

Chorus

Bonita la paz, bonita la vida
Bonito volver a nacer cada día
Bonita la verdad cuando no suena a mentira
Bonita la amistad, bonita la risa
Bonita la gente cuando hay calidad
Bonita la gente que no se arrepiente
Que gana y que pierde, que habla y no miente
Bonita la gente, por eso yo digo

Chorus

Que bonito que te va, Cuando te va bonito, Que bonito que te va
Que bonito que te va, Cuando te va bonito, Que bonito que te va
Bonito, Todo me parece bonito
La mar la mañana, la casa, la samba
La tierra, la paz y la vida que pasa
Bonito, Todo me parece bonito
Tu calma, tu salsa, la mancha en la espalda
Tu cara, tus ganas, el fin de semana
Bonita la gente que viene y que va
Bonita la gente que no se detiene
Bonita la gente que no tiene edad
Que escucha, que entiende, que tiene y que da

Chorus

Josean Log - Chachachá

Dame de tu vida y de tu tiempo
Suficientes para ver
Dentro de tus ojos el momento
Que me obligue a renacer

Dame vida y dame aliento
Que yo ya perdí el conocimiento
Solo quédate un momento
Hasta evaporarnos en el viento

Chorus:

**No hay motivos
Para decirnos adiós tan pronto
Sigo vivo
Créemelo, mi amor, no soy tan tonto
Si tú quisieras esta noche
Ir a bailar un chachachá
Yo te puedo enamorar**

Dame de tu vida y de tu tiempo, ooh
Que te quiero conocer
Déjame sentir el movimiento, ooh
De tu cuerpo al florecer

Dame vida y dame aliento
Que yo ya perdí el conocimiento
Solo quédate un momento
Hasta evaporarnos en el viento

Chorus

Chorus

Los Caballeros - La Bamba

Para bailar la bamba,
Para bailar la bamba
Se necesita una poca de gracia
Una poca de gracia y otro pocito
Ay arriba y arriba, ay arriba y arriba,
Por ti seré, por ti seré

Chorus:

Bamba, Bamba
Bamba, Bamba

Para subir al cielo
Para subir al cielo
Se necesita una escalera grande
Una escalera grande y otra chiquita
Ay arriba y arriba, ay arriba y arriba,
Por ti seré, por ti seré

Chorus

Para que seas mi cuñado
Para que seas mi cuñado
Se necesita que me des a tu hermana
Que me des a tu hermana y la más bonita
Ay arriba y arriba, ay arriba y arriba,
Por ti seré, por ti seré

Chorus

Yo no soy marinero
Yo no soy marinero
Soy capitán, soy capitán

Chorus

Cada vez que me baño
Cada vez que me baño
Se tapa el baño y por eso me baño
Por eso me baño, una vez al año
Ay arriba y arriba, ay arriba y arriba,
Por ti seré, por ti seré

Chorus

Los Mexicanos - Cielito Lindo

Chorus:

**Ay, ay, ay, ay, canta y no llores
Porque cantando se alegran, cielito lindo, los corazones**

De la sierra morena, cielito lindo, vienen bajando
un par de ojitos negros, cielito lindo, de contrabando

Chorus

Ese lunar que tienes, cielito lindo, junto a la boca
No se lo des a nadie, cielito lindo, que a mi me toca

Chorus

Chorus

Luis Miguel - Ahora Te Puedes Marchar

Si tú me hubieras dicho siempre la verdad
Si hubieras respondido cuando te llamé
Si hubieras amado cuando te amé
Serías en mis sueños la mejor mujer
Si no supiste amar
Ahora te puedes marchar

Si tú supieras lo que yo sufrí por ti
Teniendo que olvidarte sin saber por qué
Y ahora me llamas, me quieres ver
Me juras que has cambiado y piensas en volver
Si no supiste amar
Ahora te puedes marchar

Aléjate de mí, No hay nada más que hablar
Contigo yo perdí, Ya tengo con quien ganar

Ya sé que no hubo nadie que te diera lo que yo te di
Que nadie te ha cuidado como te cuidé
Por eso comprendo que estás aquí
Pero ha pasado tiempo y yo también cambié
Si no supiste amar
Ahora te puedes marchar

Aléjate de mí, No hay nada más que hablar
Contigo yo perdí, Ya tengo con quien ganar

Ya sé que no hubo nadie que te diera lo que yo te di
Que nadie te ha cuidado como te cuidé
Por eso comprendo que estás aquí
Pero ha pasado tiempo y yo también cambié
Si no supiste amar
Ahora te puedes marchar

Maná - Clavado En Un Bar

Aquí me tiene bien clavado, soltando las penas en un bar
brindando por su amor
aquí me tiene abandonado, bebiendo tequila pa' olvidar
y sacudirme así el dolor.

Donde estas bendita? donde te has metido?
abre un poco el corazón, deja amarte corazón
ven y sácame de este bar

Chorus:

**Estoy clavado, estoy herido
estoy ahogado en un bar
desesperado en el olvido amor
estoy ahogado en un bar**

Se que te buscan demasiados
que te pretenden cantidad
pero eso no es felicidad
y mi amor nunca se raja
y mi amor nunca jamás te va a fallar
nunca jamás

Donde estas bendita? donde te has metido?
abre un poco el corazón, deja amarte corazón
ven y sácame de este bar

Chorus

Déjate querer amor, quiero ser tu todo y tu corazón
Ven a rescatar mi amor. Yo quiero ser tu sol. Yo quiero ser tu mar

Aquí me tiene embriagado, llorando de rabia en un bar
brindando por su amor
Aquí me tiene bien clavado, bebiendo tequila para olvidar todo
no es justo amor
Muy desesperado, muy en el olvido
estoy ahogado en un bar
muy desesperado, muy en el olvido

Manu Chao - Rumba De Barcelona

Ya llegó, ya llegó
Lo peor de la Rumba
ya ha llegado, ya ha llegado
El Manu Chao

Chorus:

Rambla pa' aquí
Rambla pa' allá
Esa es la rumba de Barcelona
Rambla pa' aquí
Rambla pa' allá
Esa es la rumba de Barcelona

Le merce Bibi malena
le Merce perro chaval
Le merce la policía
le merce Abdu Lila

Chorus

Le merce mademoiselle
mademoiselle de Avignon
Le merce o bixo bahia
le merce Escudellers

Chorus

Mexicanto - Coincidir

Soy vecino de este mundo por un rato
Y hoy coincide que también tú estás aquí
Coincidencias tan extrañas de la vida
Tantos siglos, tantos mundos, tanto espacio
Y coincidir

Si navego, con la mente, los espacios
O si quiero a mis ancestros retornar
Agobiado me detengo y no imagino
Tantos siglos, tantos mundos, tanto espacio
Y coincidir

Si en la noche me entretengo en las estrellas
Y capturo la que empieza a florecer
La sostengo entre las manos, mas me alarma
Tantos siglos, tantos mundos, tanto espacio
Y coincidir

Si la vida se sostiene por instantes
Y un instante es el momento de existir
Si tu vida es otro instante, no comprendo
Tantos siglos, tantos mundos, tanto espacio
Y coincidir

Mocedades - Quien Te Cantará

Ayer pensé en decirte adiós y me faltó el valor
Es que había en tus ojos tanto amor
Que fácil es decir adiós, que fácil olvidar
Que difícil sera para los dos

Chorus:

Quien te cantará con esa guitarra
Quien la hará sonar cuando no esté yo
Quien dará a tu casa color y a tu lecho calor
Quien te hará el amor

Quien tachará mi dirección de tu libreta azul
Archivando mi historia en un cajón
Y tu que harás, a donde iras, tal vez me olvidarás
Y pondrás mi guitarra en un rincón

Chorus

Morat - Besos En Guerra

Quién te dijo esa mentira
Que eras fácil de olvidar
No hagas caso a tus amigos
Solo son testigos de la otra mitad

Dos besos son demasiado
Y un beso no bastará
Y aunque adviertan al soldado
Si está enamorado, en guerra morirá
Ya no tienes que cuidarme

Chorus:

Porque yo

**Siempre he sabido que tus besos matan
Que tus promesas riman con dolor
Que eres experta en robarle latidos a mi corazón
Y tú**

**Nunca juraste que saldría ileso
Ya no te atrevas a pedir perdón
Yo te confieso que no me arrepiento
Y aunque estoy sufriendo, podría estar peor
Oh-oh-oh, Sabiendo que tus besos matan, moriré de amor**

Para mí nunca fue un juego
Para ti fue un beso más
Y si hoy vuelves a mi vida
No es que estés perdida
No es casualidad
Ya no tienes que cuidarme

Chorus

Ganaré la guerra para conquistarte
No quiero admitir que te vas, que te vas
Ganaré la guerra para conquistarte
No quiero admitir que te vas, que te vas
Yo perdí batallas por nunca aceptar que
No eras fácil de olvidar

Chorus

Natalia Lafourcade - Nunca Es Suficiente

Nunca es suficiente para mí
Porque siempre quiero más de ti
Yo quisiera hacerte más feliz
Hoy, mañana, siempre, hasta el fin

 Mi corazón estalla por tu amor
 ¿Y tú que crees que esto es muy normal?
 Acostumbrado estás tanto al amor
 ¿Qué no lo ves? Yo nunca he estado así
Si, de casualidad, me ves llorando un poco es porque yo te quiero a ti

Chorus:

**Y tú te vas jugando a enamorar
Todas las ilusiones vagabundas que se dejan alcanzar
Y no verás que lo que yo te ofrezco es algo incondicional
Y tú te vas jugando a enamorar
Te enredas por las noches entre historias que nunca tienen final
Te perderás dentro de mis recuerdos por haberme hecho llorar**

Nunca es suficiente para mí
Porque siempre quiero más de ti
No ha cambiado nada mi sentir
Aunque me haces mal, te quiero aquí

 Mi corazón estalla de dolor
 ¿Cómo evitar que se fracture en mil?
 Acostumbrado estás tanto al amor
 ¿Qué no lo ves? Yo nunca he estado así
Si, de casualidad, me ves llorando un poco es porque yo te quiero a ti

Chorus

Soda Stereo - De Música Ligera

Ella durmió
al calor de las masas
y yo desperté
queriendo soñarla

Algún tiempo atrás
pensé en escribirle
y nunca sortié
las trampas del amor

Chorus:
De aquel amor
De Música ligera
Nada nos libra
Nada mas queda

No le enviaré
cenizas de rosas
ni pienso evitar
un roce secreto

Chorus

Soda Stereo - Persiana Americana

Yo te prefiero
Fuera de foco
Inalcanzable
Yo te prefiero
Irreversible
Casi intocable

Tus ropas caen lentamente
Soy un espía, un espectador
Y el ventilador desgarrándote
Sé que te excita pensar hasta dónde llegaré

Chorus:

**Es difícil de creer
Creo que nunca lo podré saber
Solo así yo te veré
A través de mi persiana americana**

Es una condena agradable
El instante previo
Es como un desgaste
Una necesidad
Más que un deseo

Estamos al borde de la cornisa
Casi a punto de caer
No sientes miedo
Sigues sonriendo
Sé que te excita pensar hasta dónde llegaré

Chorus

French Songs

Khaled - Aicha

Comme si je n'existais pas
Elle est passée à côté de moi
Sans un regard, reine de Saba
J'ai dit Aicha, prend, tout est pour toi
Voici les perles, les bijoux
Aussi l'or autour de ton cou
Les fruits bien mûrs au goût de miel
Ma vie, Aïcha, si tu m'aimes
J'irai où ton souffle nous mènent
Dans les pays d'ivoire et d'ébène
J'effacerai tes larmes, tes peines
Rien n'est trop beau pour une si belle, ooh

Chorus:

Aïcha, Aïcha, écoute-moi
Aïcha, Aïcha, t'en vas pas
Aïcha, Aïcha, regarde-moi, oh-oh
Aïcha, Aïcha, réponds-moi

Je dirai les mots, les poèmes
Je jouerai les musiques du ciel
Je prendrai les rayons du soleil
Pour éclairer tes yeux de reine, ooh

Chorus

Elle a dit "garde tes trésors
Moi, je vau mieux que tout ça
Des barreaux sont des barreaux, même en or
Je veux les mêmes droits que toi
Et du respect pour chaque jour
Moi, je ne veux que de l'amour

Comme si je n'existais pas
Elle est passée à côté de moi
Sans un regard, reine de Saba
J'ai dit Aicha, prend, tout est pour toi

Chorus

Italian Songs

Domenico Modugno - Volare

Penso che un sogno così non ritorni mai più
mi dipingevo le mani e la faccia di blu
Poi d'improvviso venivo dal vento rapito
E incominciavo a volare del cielo infinito

Chorus:

Volaré, oh-oh
Cantaré, oh-oh-oh-oh
Nel blu dipinto di blu
Felice di stare lassù

E volavo volavo felice
Piu in alto del sole ed ancora piu su
mentre il mondo pian piano spariva lontano laggiú
Una musica dolce suonava soltanto per me

Chorus

Ma tutti i sogni nell'alba svaniscon perché
quando tramonta la luna li porta con sé
Ma io continuo a sognare negli occhi tuoi belli
che sono blu come un cielo trapunto di stelle

Chorus

E continuo a volare felice
piu in alto del sole ed ancora piu su
mentre il mondo pian piano scompare negli occhi tuoi blu
la tua voce è una musica che suona per me

Partisanos Italianos - Bella Ciao

Una mattina mi son' svegliato
O bella ciao, bella ciao, bella ciao, ciao, ciao
Una mattina mi son' svegliato
E ho trovato l'invasor

Chorus:

Ciao, bella ciao, bella ciao, bella ciao.
Ciao, bella ciao, bella ciao
bella ciao, bella ciao ciao ciao.

O partigiano, portami via
O bella ciao, bella ciao, bella ciao, ciao, ciao
O partigiano, portami via
Ché mi sento di morir

E se io muoio da partigiano
O bella ciao, bella ciao, bella ciao, ciao, ciao
E se io muoio da partigiano
Tu mi devi seppellir

E seppellire lassù in montagna
O bella ciao, bella ciao, bella ciao, ciao, ciao
E seppellire lassù in montagna
Sotto l'ombra di un bel fior

Tutte le genti che passeranno
O bella ciao, bella ciao, bella ciao, ciao, ciao
Tutte le genti che passeranno
Mi diranno: Che bel fior

E quest' è il fiore del partigiano
O bella ciao, bella ciao, bella ciao, ciao, ciao
E quest'è il fiore del partigiano
Morto per la libertà

English Songs

4 Non Blondes - What's Up

Twenty-five years and my life is still
Trying to get up that great big hill
Of hope for a destination
I realized quickly when I knew I should
That the world was made up of this brotherhood
Of man for whatever that means

Chorus:

**And so I cry sometimes
When I'm lying in bed
Just to get it all out
What's in my head
And I, I am feeling a little peculiar
And so I wake in the morning
And I step outside
And I take a deep breath and I get real high
And I scream from the top of my lungs,
"What's going on?!"
And I say, "Hey, hey, hey, hey!"
I said, "Hey, what's going on?"
And I say, "Hey, hey, hey, hey!"
I said, "Hey, what's going on?"**

And I try, oh, my God, do I try
I try all the time
In this institution
And I pray, oh, my God, do I pray
I pray every single day
For revolution

Chorus

Twenty-five years and my life is still
Trying to get up that great big hill
Of hope for a destination

Adele - Rolling in the Deep

There's a fire starting in my heart
Reaching a fever pitch, it's bringing me out the dark
Finally I can see you crystal clear
Go ahead and sell me out and I'll lay your ship bare

See how I'll leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless
I can't help feeling

Chorus:

We could've had it all (you're gonna wish you)
Rolling in the deep (tears are gonna fall)
You had my heart inside (you're gonna wish you)
Of your hands (never had met me)
And you played it (tears are gonna fall)
To the beat (rolling in the deep)

Baby, I have no story to be told
But I've heard one on you, now I'm gonna make your head burn
Think of me in the depths of your despair
Make a home down there, as mine sure won't be shared

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless
I can't help feeling

Chorus

Throw your soul through every open door (whoa)
Count your blessings to find what you look for (whoa)
Turn my sorrow into treasured gold (whoa)
You pay me back in kind and reap just what you've sown

Chorus

Adele - Set Fire To The Rain

I let it fall, my heart
And as it fell, you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me
My hands, they were strong
But my knees were far too weak
To stand in your arms
Without falling to your feet

Chorus:

**But there's a side to you
That I never knew, never knew
All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win**

**But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name.**

When laying with you
I could stay there
Close my eyes, feel you here forever
You and me together, nothing is better

Chorus

Sometimes I wake up by the door
That heart you caught must be waiting for you
Even now when we're already over
I can't help myself from looking for you

Chorus

I set fire to the rain and I threw us into the flames
When we fell, something died, 'cause I knew that that was
the last time, the last time, oh

Adele - Someone like you

I heard that you're settled down
That you found a girl and you're married now
I heard that your dreams came true
Guess she gave you things, I didn't give to you
Old friend, why are you so shy?
Ain't like you to hold back or hide from the light
I hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it

I had hoped you'd see my face
And that you'd be reminded that for me, it isn't over

Chorus:

**Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg
I remember you said
Sometimes it lasts in love, but sometimes it hurts instead
Sometimes it lasts in love, but sometimes it hurts instead**

You know how the time flies
Only yesterday was the time of our lives
We were born and raised in a summer haze
Bound by the surprise of our glory days
I hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it

I had hoped you'd see my face
And that you'd be reminded that for me, it isn't over

Chorus

Nothing compares, no worries or cares
Regrets and mistakes, they're memories made
Who would have known how bittersweet this would taste?

Chorus

Chorus

AHA - Take On Me

We're talking away
I don't know what
I'm to say I'll say it anyway
Today's another day to find you
Shying away
I'll be coming for your love, okay?

Chorus:

Take on me (take on me)
Take me on (take on me)
I'll be gone
In a day or two

So needless to say
I'm odds and ends
But I'll be stumbling away
Slowly learning that life is okay
Say after me
It's no better to be safe than sorry

Chorus

Oh, the things that you say, yeah
Is it life or
Just to play my worries away?
You're all the things I've got to remember
You're shying away
I'll be coming for you anyway

Chorus

Amy MacDonald - This Is The Life

Oh the wind whistles down
The cold dark street tonight
And the people they were dancing
To the music vibe
And the boys chase the girls, with curls in their hair
While the shocked too many sit way over there
And the songs get louder each one better than before

Chorus:

**And you singing the song thinking this is the life
And you wake up in the morning and your head feels twice the size
Where you gonna go, where you gonna go, where you gonna sleep tonight?
And you singing the song thinking this is the life
And you wake up in the morning and your head feels twice the size
Where you gonna go, where you gonna go, where you gonna sleep tonight?
Where you gonna sleep tonight**

So you're heading down the road in your taxi for 4
And you're waiting outside jimmy's front door
But nobody's in and nobody's home till 4
So you're sitting there with nothing to do
Talking about Robert Ragger and his 1 leg crew
And where you gonna go, where you gonna sleep tonight?

Chorus

Amy Winehouse - Valerie

Well, sometimes I go out by myself
And I look across the water
And I think of all the things of what you're doing
In my head I paint a picture

Chorus:

**Since I've come home
Well, my body's been a mess
And I miss your ginger hair
And the way you like to dress
Oh, won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?
Valerie**

Did you have to go to jail?
Put your house out up for sale?
Did you get a good lawyer?
I hope you didn't catch a tan,
Hope you find the right man
Who'll fix it for you
Are you shopping anywhere?
Change the color of your hair
And are you busy?
Did you have to pay that fine
That you were dodging all the time?
Are you still dizzy?

Chorus

Well, sometimes I go out by myself
And I look across the water
And I think of all the things of what you're doing
In my head I paint a picture

Chorus

Anastacia - Left Outside Alone

All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe, I don't feel safe

Left broken empty in despair
Wanna breath can't find air
Thought you were sent from up above
But you and me never had love
So much more I have to say
Help me find a way

Chorus:

**And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone**

Why do you play me like a game?
Always someone else to blame
Careless, helpless little man Someday you might understand
There's so much more to say
Oh help me find a way

Chorus

All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe, I don't feel safe

Chorus

Asaf Avidan - One Day (Reckoning Song)

No more tears, my heart is dry
I don't laugh and I don't cry
I don't think about you all the time
But when I do, I wonder why

You had to go out of my door
And leave just like you did before
I know I said that I was sure
But rich men can't imagine poor

Chorus:

**One day baby, we'll be old
Oh baby, we'll be old
And think of all the stories that we could have told
One day baby, we'll be old
Oh baby, we'll be old
And think of all the stories that we could have told**

Little me and little you
Kept doing all the things they do
They never really think it through
Like I can never think you're true
Here I go again, the blame
The guilt, the pain, the hurt, the shame
The founding fathers of our plane
That's stuck in heavy clouds of rain

Chorus

Chorus

Ava Max - Sweet but Psycho

Oh, she's sweet but a psycho, a little bit psycho
At night she's screamin': "I'm-ma-ma-ma out my mind"
Oh, she's hot but a psycho, a little bit psycho
At night she's screamin': "I'm-ma-ma-ma out my mind"

She'll make you curse, but she's a blessin'
She'll rip your shirt within a second
You'll be coming back, back for seconds
With your plate, you just can't help it
No, no, you'll play along, Let her lead you on
You'll be saying, "No, no"
Then saying, "Yes, yes, yes"
'Cause she messin' with your head

Chorus

**Oh, she's sweet but a psycho, a little bit psycho
At night she's screamin': "I'm-ma-ma-ma out my mind"
Oh, she's hot but a psycho, a little bit psycho
At night she's screamin': "I'm-ma-ma-ma out my mind"
"Grab a cop gun" kinda crazy She's poison but tasty
Yeah, people say, "Run, don't walk away"
Cause she's sweet but a psycho, a little bit psycho
At night she's screamin': "I'm-ma-ma-ma out my mind"**

Chorus

See, someone said, "Don't drink her potions
She'll kiss your neck with no emotion
When she's mean, you know you love it
'Cause she tastes so sweet, don't sugarcoat it"
No, no, you'll play along
Let her lead you on
You'll be saying, "No (no, no, no), no (no)"
Then saying, "Yes, yes, yes"
'Cause she messin' with your head (hey)

Chorus

You're just like me, you're out your mind
I know it's strange, we're both the crazy kind
You're tellin' me that I'm insane
Boy, don't pretend that you don't love the pain

Avici - Wake Me Up

Feeling my way through the darkness
Guided by a beating heart
I can't tell where the journey will end
But I know where to start
They tell me I'm too young to understand
They say I'm caught up in a dream
Well life will pass me by if I don't open up my eyes
Well that's fine by me

Chorus:

**So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself, and I
Didn't know I was lost
So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself, and I
Didn't know I was lost**

I tried carrying the weight of the world
But I only have two hands
Hope I get the chance to travel the world
But I don't have any plans
Wish that I could stay forever this young
Not afraid to close my eyes
Life's a game made for everyone
And love is a prize

Chorus

Avril Lavigne - Complicated

Uh huh, life's like this, Uh huh, uh huh, that's the way it is
'Cause life's like this, Uh huh, uh huh, that's the way it is

Chill out, what ya yellin' for? Lay back, it's all been done before
And if, you could only let it be, you will see
I like you the way you are, When we're driving in your car
And you're talking to me one on one, but you become

Pre-Chorus

Somebody else, 'Round everyone else
You're watching your back, Like you can't relax
You try to be cool, You look like a fool to me, Tell me

Chorus:

**Why'd you have to go and make things so complicated?
I see the way you're acting like you're somebody else
Gets me frustrated, Life's like this, you
And you fall, and you crawl, and you break
And you take what you get, and you turn it into
Honesty and promise me I'm never gonna find you faking, No, no, no**

You come over unannounced
Dressed up like you're somethin' else
Where you are and where it's at you see
You're making me
Laugh out when you strike your pose
Take off all your preppy clothes
You know you're not fooling anyone, When you become

Pre-Chorus

Chorus

Chill out, what ya yellin' for? Lay back, it's all been done before
And if, you could only let it be, you will see

Pre-Chorus

Chorus

Chorus

Bastille - Pompeii

E-o, e-o, e-o, e-o, e-o, e-o

E-o, e-o, e-o, e-o, e-o, e-o

I was left to my own devices
Many days fell away with nothing to show
And the walls kept tumbling down in the city that we love
Grey clouds roll over the hills bringing darkness from above

Chorus:

**But if you close your eyes
Does it almost feel like nothing changed at all?
And if you close your eyes
Does it almost feel like you've been here before?
How am I gonna be an optimist about this?
How am I gonna be an optimist about this?**

We were caught up and lost in all of our vices
In your pose as the dust settled around us
And the walls kept tumbling down in the city that we love
Grey clouds roll over the hills bringing darkness from above

Chorus

Oh, where do we begin?
The rubble or our sins?
Oh, oh, where do we begin?
The rubble or our sins?
And the walls kept tumbling down in the city that we love
Grey clouds roll over the hills bringing darkness from above

Chorus

Ben E. King - Stand By Me

When the night has come
And the land is dark
And the moon is the only light we'll see

No, I won't be afraid
No, I won't be afraid
Just as long as you stand
Stand by me

Chorus:
So darlin', darlin', stand by me
Oh, stand by me
Oh, stand
Stand by me, stand by me

If the sky that we look upon
Should tumble and fall
Or the mountains should crumble to the sea
I won't cry, I won't cry
No I won't shed a tear
Just as long as you stand
Stand by me

Chorus

Chorus

Ben Howard - Keep Your Head Up

I spent my time watchin' the spaces that had grown between us.
And I cut my mind on second best or the scars that come with the greenness.
And I gave my eyes to the boredom, still the seabed wouldn't let me in,
And I try my best to embrace the darkness in which I swim.

Now walkin' back down this mountain
With the strength of a turnin' tide
Oh the wind's so soft on my skin,
The sun so hot upon my side.

Oh lookin' out at this happiness,
I search for between the sheets.
Oh feelin' blind to realize,
All I was searchin' for was me.
All I was searchin' for was me.

Chorus:

**Keep your head up, keep your heart strong. No, no, no, no.
Keep your mind set, keep your hair long. Oh my my darlin'
Keep your head up, keep your heart strong. No no no no,
Keep your mind set in your ways, Keep your heart strong.**

And I saw a friend of mine the other day,
And he told me that my eyes were gleamin'.
Oh I said I'd been away, and he knew,
Oh he knew the depths I was meanin'.
And it felt so good to see his face,
All the comfort invested in my soul.
Oh to feel the warmth of his smile,
When he said, "I'm happy to have you home."
I'm happy to have you home.

Chorus

'Cause I'll always remember you the same.
Oh eyes like wild flowers oh with your demons of change.

Chorus

'Cause I'll always remember you the same.
Oh eyes like wild flowers oh with your demons of change.

Bill Withers - Ain't No Sunshine

Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone
And she's always gone too long
Anytime she's goes away

Wonder this time where she's gone
Wonder if she's gone to stay
Ain't no sunshine when she's gone
And this house just ain't no home
Anytime she goes away

And I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know
Hey I oughta leave young thing alone

But ain't no sunshine when she's gone, woh woh
Ain't no sunshine when she's gone
Only darkness every day
Ain't no sunshine when she's gone
And this house just ain't no home
Anytime she goes away
Anytime she goes away
Anytime she goes away
Anytime she goes away

Billy Talent - Surrender

She reads a book from across the street
Waiting for someone that she'll never meet
Talk over coffee for an hour or two
She wonders why I'm always in a good mood
Killing time before she struts her stuff
She needs support and I've become the crutch
She'll never know how much she means to me
I'd play the game but I'm the referee

Chorus:

(Surrender) every word, every thought, every sound
(Surrender) every touch, every smile, every frown
(Surrender) all the pain we've endured until now
(Surrender) all the hope that I lost, it was found
(Surrender) yourself to me

Even though I know what I'm looking for
She's got a brick wall behind her door
I'd travel time and confess to her
But I'm afraid she'd shoot the messenger

Chorus

I think I found a flower in a field of weeds
I think I found a flower in a field of weeds
Searching until my hands bleed

This flower don't belong to me
Why can't she belong to me?

Chorus

Black Eyed Peas - Where Is The Love?

What's wrong with the world, Mama?
People livin' like they ain't got no mamas
I think the whole world's addicted to the drama
Only attracted to things that'll bring you trauma
Overseas, yeah, we tryna stop terrorism
But we still got terrorists here livin', In the USA, the big CIA
The Bloods and the Crips and the KKK
But if you only have love for your own race
Then you only leave space to discriminate
And to discriminate only generates hate
And when you hate, then you're bound to get irate, yeah
Madness is what you demonstrate
and that's exactly how anger works and operates
Man, you gotta have love just to set it straight
Take control of your mind and meditate
Let your soul gravitate to the love, y'all, y'all

Chorus:

**People killin', people dyin'
Children hurt, and you hear them cryin'
Can you practice what you preach?
And would you turn the other cheek?
Father, father, father, help us
Send some guidance from above
'Cause people got me, got me questioning
Where is the love? Where is the love? (The love)
Where is the love? (The love) Where is the love, the love, the love?**

It just ain't the same, old ways have changed
New days are strange, is the world insane?
If love and peace is so strong
Why are there pieces of love that don't belong?
Nations droppin' bombs
Chemical gases filling lungs of little ones
With ongoing sufferin' as the youth die young
So ask yourself, is the lovin' really gone?
So I can ask myself, really, what is going wrong
With this world that we livin' in? People keep on givin' in
Makin' wrong decisions, only visions of them dividends
Not respectin' each other, deny thy brother
A war is goin' on, but the reason's undercover
The truth is kept secret, and swept under the rug
If you never know truth, then you never know love
Where's the love, y'all? Come on (I don't know)

Chorus

I feel the weight of the world on my shoulder
As I'm gettin' older, y'all people gets colder
Most of us only care about money-makin'
Selfishness got us followin' the wrong direction
Wrong information always shown by the media
Negative images is the main criteria
Infecting the young minds faster than bacteria
Kids wanna act like what they see in the cinema
Yo, whatever happened to the values of humanity? (Yeah)
Whatever happened to the fairness and equality? (Yeah)
Instead of spreading love, we spreading animosity (Yeah)
Lack of understanding leading us away from unity
That's the reason why sometimes I'm feelin' under
That's the reason why sometimes I'm feelin' down
It's no wonder why sometimes I'm feelin' under
Gotta keep my faith alive 'til love is found, now ask yourself

Chorus

Bob Dylan - Knockin On Heavens Door

Mama, take this badge off of me
I can't use it anymore
It's gettin' dark, too dark for me to see
I feel like I'm knockin' on heaven's door

Chorus:

Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door

Mama, put my guns in the ground
I can't shoot them anymore
That long black cloud is comin' down
I feel like I'm knockin' on heaven's door

Chorus

Bob Marley - No Woman, No Cry

Chorus:

**No, woman, no cry
No, woman, no cry
Little darlin', don't shed no tears
No, woman, no cry**

'Cause, 'cause, 'cause I remember when we used to sit
In the government yard in Trenchtown
Oba, observing the hypocrites, yeah
Mingle with the good people we meet, yeah
Good friends we have, oh, good friends we've lost
Along the way, yeah
In this great future, you can't forget your past
So dry your tears, I say, yeah

Chorus

Eh, said, said, said, I remember when we used to sit
In the government yard in Trenchtown, yeah
And then Georgie would make the fire lights, I say
A log wood burnin' through the night, yeah
Then we would cook cornmeal porridge, I say
Of which I'll share with you, yeah
My feet is my only carriage
And so I've got to push on through
But while I'm gone

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright

Chorus

Bonnie Tyler - Total Eclipse Of The Heart

(Turn around) Every now and then I get a little bit lonely
And you're never coming 'round

(Turn around) Every now and then I get a little bit tired
Of listening to the sound of my tears

(Turn around) Every now and then I get a little bit nervous
That the best of all the years have gone by

(Turn around) Every now and then I get a little bit terrified
And then I see the look in your eyes

Chorus:

**(Turn around, bright eyes) Every now and then I fall apart
(Turn around, bright eyes) Every now and then I fall apart
And I need you now tonight, And I need you more than ever
And if you'll only hold me tight, We'll be holding on forever
And we'll only be making it right, Cause we'll never be wrong
Together we can take it to the end of the line.
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark.
We're living in a powder keg and giving off sparks.
I really need you tonight
Forever's gonna start tonight, Forever's gonna start tonight.**

Once upon a time I was falling in love but now I'm only falling apart.
There's nothing I can do, A total eclipse of the heart.

Once upon a time there was light in my life but now there's only love in the dark.
Nothing I can say, A total eclipse of the heart.

Chorus

Once upon a time I was falling in love but now I'm only falling apart
There's nothing I can say
A total eclipse of the heart, A total eclipse of the heart
A total eclipse of the heart.

Bruno Mars - Just The Way You Are

Oh, her eyes, her eyes
Make the stars look like they're not shinin'
Her hair, her hair
Falls perfectly without her tryin'
She's so beautiful and I tell her everyday
Yeah, I know, I know
When I compliment her, she won't believe me
And it's so, it's so
Sad to think that she don't see what I see
But every time she asks me, "Do I look okay?"
I say

Chorus:

**When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
'Cause girl, you're amazing
Just the way you are
Yeah**

Her lips, her lips
I could kiss them all day if she'd let me
Her laugh, her laugh
She hates, but I think it's so sexy
She's so beautiful and I tell her everyday
Oh, you know, you know
You know I'd never ask you to change
If perfect's what you're searchin' for, then just stay the same
So don't even bother askin' if you look okay
You know I'll say

Chorus

Carly Rae Jepsen - Call Me Maybe

I threw a wish in the well, don't ask me, I'll never tell
I looked to you as it fell and now you're in my way
I trade my soul for a wish, Pennies and dimes for a kiss
I wasn't lookin' for this, but now you're in my way

Your stare was holdin', Ripped jeans, skin was showin'
Hot night, wind was blowin', where you think you're goin', baby?

Chorus:

**Hey, I just met you, and this is crazy
But here's my number, so call me maybe
It's hard to look right at you, baby
But here's my number, so call me maybe
Hey, I just met you, and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe**

You took your time with the call, I took no time with the fall
You gave me nothin' at all, but still, you're in my way
I beg and borrow and steal, at first sight, and it's real
I didn't know I would feel it, but it's in my way

Your stare was holdin', Ripped jeans, skin was showin'
Hot night, wind was blowin', where you think you're goin', baby?

Chorus

Before you came into my life, I missed you so bad
I missed you so bad, I missed you so, so bad
Before you came into my life, I missed you so bad
And you should know that, I missed you so, so bad

Chorus

Before you came into my life, I missed you so bad
I missed you so bad, I missed you so, so bad
Before you came into my life, I missed you so bad
And you should know that, I missed you so, so bad

Cat Stevens - Father and Son

It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know
Find a girl, settle down, If you want you can marry
Look at me, I am old, but I'm happy

I was once like you are now
And I know that it's not easy
To be calm when you've found
Something going on
But take your time, think a lot
Think of everything you've got
For you will still be here tomorrow
But your dreams may not

Chorus:

**How can I try to explain?
When I do he turns away again
It's always been the same, same old story
From the moment I could talk
I was ordered to listen
Now there's a way
And I know that I have to go away
I know I have to go**

It's not time to make a change
Just relax, take it slowly
You're still young, that's your fault
There's so much you have to go through
Find a girl, settle down, If you want you can marry
Look at me, I am old, but I'm happy

Chorus:

All the times that I've cried
Keeping all the things I knew inside
It's hard, but it's harder to ignore it
If they were right I'd agree
But it's them they know, not me
Now there's a way
And I know that I have to go away
I know I have to go

Catfish & the Bottlemen - 7

Larry, call a load of smoke in
I wanna lose a couple days
We've probably never struggled coping but
I never want to

Promise again that I would call her
Forget the time 'cause I'm seven hours behind
It's probably good I didn't call, though
But I always want to

Chorus:

**And I'd beg you
But you know I'm never home
And I love you but I need another year alone
And I've tried to
Ignore it every time you phone
But I never come close
And I don't think through things
I never get time
'Cause I don't think things through**

Larry call a load of smoke in
I wanna disappear for days
We've probably never struggled sleeping but
I never want to

Promise again that I would call her
Forget the time 'cause I'm seven hours behind
It's probably good I didn't call though
But I always want to

Chorus

Chorus

Chris Isaak - Wicked Game

The world was on fire and no one could save me but you
It's strange what desire will make foolish people do
I never dreamed that I'd meet somebody like you
And I never dreamed that I'd lose somebody like you

Chorus:

No, I don't wanna fall in love (this world is only gonna break your heart)

No, I don't wanna fall in love (this world is only gonna break your heart)

With you

With you

What a wicked game you play, to make me feel this way
What a wicked thing to do, to let me dream of you
What a wicked thing to say, you never felt this way
What a wicked thing to do, to make me dream of you

Chorus

The world was on fire and no one could save me but you
Strange what desire will make foolish people do
I never dreamed that I'd love somebody like you
And I never dreamed that I'd lose somebody like you

Coldplay - Fix You

When you try your best, but you don't succeed
When you get what you want, but not what you need
When you feel so tired, but you can't sleep
Stuck in reverse

And the tears come streaming down your face
When you lose something you can't replace
When you love someone, but it goes to waste
Could it be worse?

Chorus:
Lights will guide you home
And ignite your bones
And I will try to fix you

And high up above, or down below
When you're too in love to let it go
But if you never try, you'll never know
Just what you're worth

Chorus

Tears stream down your face
When you lose something you cannot replace
Tears stream down your face, and I

Chorus

Coldplay - Paradise

When she was just a girl, she expected the world
But it flew away from her reach
So she ran away in her sleep and dreamed of
Para-para-paradise, para-para-paradise, para-para-paradise
Every time she closed her eyes

When she was just a girl, she expected the world
But it flew away from her reach and the bullets catch in her teeth
Life goes on, it gets so heavy
The wheel breaks the butterfly, every tear a waterfall
In the night, the stormy night, she'd close her eyes
In the night, the stormy night, away she'd fly

Chorus:

**And dream of para-para-paradise
Para-para-paradise
Para-para-paradise**

**She'd dream of para-para-paradise
Para-para-paradise
Para-para-paradise**

And so lying underneath those stormy skies
She'd say, "oh, I know the sun must set to rise"

Chorus:

**And dream of para-para-paradise
Para-para-paradise
Para-para-paradise**

**She'd dream of para-para-paradise
Para-para-paradise
Para-para-paradise**

Coldplay - The Scientist

Come up to meet you, tell you I'm sorry
You don't know how lovely you are

I had to find you, tell you I need you
Tell you I set you apart

Tell me your secrets and ask me your questions
Oh, let's go back to the start

Running in circles, coming up tails
Heads on a science apart

Chorus:

**Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh, take me back to the start**

I was just guessing at numbers and figures
Pulling the puzzles apart

Questions of science, science and progress
Do not speak as loud as my heart

But tell me you love me, come back and haunt me
Oh and I rush to the start

Running in circles, chasing our tails
Coming back as we are

Chorus

Coldplay - Viva La Vida

I used to rule the world
Seas would rise when I gave the word
Now in the morning I sleep alone
Sweep the streets I used to own

I used to roll the dice
Feel the fear in my enemy's eyes
Listened as the crowd would sing,
"Now the old king is dead! Long live the king!"

One minute I held the key
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

Chorus:

**I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
Once you'd gone there was never
Never an honest word
And that was when I ruled the world**

It was a wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become
Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Oh who would ever want to be king?

Chorus

Chorus

Coldplay - Yellow

Look at the stars
Look how they shine for you
And everything you do
Yeah, they were all yellow

I came along
I wrote a song for you
And all the things you do
And it was called "Yellow"

So then I took my turn
Oh, what a thing to have done
And it was all yellow

Chorus:

**Your skin, oh yeah, your skin and bones
Turn into something beautiful
You know, you know I love you so
You know I love you so**

I swam across
I jumped across for you
Oh, what a thing to do
'Cause you were all yellow

I drew a line
I drew a line for you
Oh, what a thing to do
And it was all yellow

Chorus

Your skin, oh yeah, your skin and bones
Turn into something beautiful
You know, For you I'd bleed myself dry
For you, I'd bleed myself dry

It's true, Look how they shine for you
Look how they shine for you
Look how they shine for...

Look at the stars, Look how they shine for you
And all the things that you do

Counting Crows - Mr. Jones

I was down at the New Amsterdam staring at this yellow-haired girl
Mr. Jones strikes up a conversation with a black-haired flamenco dancer
You know she dances while his father plays guitar, She's suddenly beautiful
And we all want something beautiful, Man I wish I was beautiful
So come dance the silence down through the morning
Sha-la-la-la-la-la-la, yeah, Uh huh, yeah
Cut up, Maria, Show me some of them Spanish dances
Pass me a bottle, Mr. Jones
Believe in me, Help me believe in anything
'Cause I wanna be someone who believes, Yeah

Chorus

**Mr. Jones and me, Tell each other fairy tales And we stare at the beautiful women She's
looking at you, Ah, no, no, she's looking at me Smilin' in the bright lights, Coming through
in stereo When everybody loves you, You can never be lonely**

Well, I'm gon' paint my picture, Paint myself in blue and red and black and gray
All of the beautiful colors are very, very meaningful
Yeah, well, you know gray is my favorite color, I felt so symbolic yesterday
If I knew Picasso, I would buy myself a gray guitar and play

Chorus:

**Mr. Jones and me, Looked into the future
Yeah, we stare at the beautiful women
She's looking at you, I don't think so
She's looking at me
Standing in the spotlight
I bought myself a gray guitar
When everybody loves me
I will never be lonely, I will never be lonely
Said I'm never gonna be lonely**

I wanna be a lion,
Yeah, everybody wanna pass as cats
We all wanna be big, big stars
Yeah, but we got different reasons for that
Believe in me, 'Cause I don't believe in anything
And I wanna be someone to believe, to believe, to believe, Yeah

Chorus 3:

Mr. Jones and me
Stumbling through the barrio
Yeah, we stare at the beautiful women
She's perfect for you
Man, there's got to be somebody for me
I wanna be Bob Dylan
Mr. Jones wishes he was someone just a little more funky

When everybody loves you, ah son
That's just about as funky as you can be

Chorus 4:

Mr. Jones and me
Staring at the video
When I look at the television, I want to see me
Staring right back at me
We all wanna be big stars
But we don't know why, and we don't know how
But when everybody loves me
I'm wanna be just about as happy as I can be
Mr. Jones and me
We're gonna be big stars

Deep Blue Something - Breakfast at Tiffany's

You'll say we've got nothing in common
No common ground to start from
And we're falling apart

You'll say the world has come between us
Our lives have come between us
Still I know you just don't care

Chorus:

And I said, "What about Breakfast at Tiffany's?"
She said, "I think I remember the film
And as I recall, I think we both kinda liked it"
And I said, "Well, that's the one thing we've got"

I see you, the only one who knew me
But now your eyes see through me
I guess I was wrong

So what now? It's plain to see we're over
And I hate when things are over
When so much is left undone

Chorus

You'll say that we've got nothing in common
No common ground to start from
And we're falling apart
You'll say the world has come between us
Our lives have come between us
Still I know you just don't care

Chorus

Chorus

Chorus

Dolly Parton - Jolene

Chorus:

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin and eyes of emerald green

Your smile is like a breath of spring
Your voice is soft like summer rain
And I cannot compete with you
Jolene

He talks about you in his sleep
And there's nothing I can do to keep
From crying when he calls your name
Jolene

And I can easily understand
How you could easily take my man
But you don't know what he means to me
Jolene

Chorus

You could have your choice of men
But I could never love again
He's the only one for me
Jolene

I had to have this talk with you
My happiness depends on you
And whatever you decide to do
Jolene

Dua Lipa - Levitating

If you wanna run away with me, I know a galaxy
And I can take you for a ride
I had a premonition that we fell into a rhythm
Where the music don't stop for life
Glitter in the sky, glitter in my eyes
Shining just the way I like
If you're feeling like you need a little bit of company
You met me at the perfect time

You want me, I want you, baby, My sugarboo, I'm levitating
The Milky Way, we're renegading, yeah, yeah, yeah, yeah, yeah

Chorus:

**I got you, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating
You, moonlight, you're my starlight (You're the moonlight)
I need you all night, come on, dance with me
I'm levitating**

**You can fly away with me tonight, you can fly away with me tonight
Baby, let me take you for a ride, Yeah, yeah, yeah, yeah, yeah
I'm levitating (Woo)**

I believe that you're for me, I feel it in our energy
I see us written in the stars
We can go wherever, so let's do it now or never
Baby, nothing's ever, ever too far
Glitter in the sky, glitter in our eyes
Shining just the way we are
I feel like we're forever every time we get together
But whatever, let's get lost on Mars

You want me, I want you, baby, My sugarboo, I'm levitating
The Milky Way, we're renegading, yeah, yeah, yeah, yeah, yeah

Chorus

My love is like a rocket, watch it blast off
And I'm feeling so electric, dance my ass off
And even if I wanted to, I can't stop, Yeah, yeah, yeah, yeah, yeah
You want me, I want you, baby, My sugarboo, I'm levitating
The Milky Way, we're renegading, yeah, yeah, yeah, yeah, yeah

Chorus

Duffy - Mercy

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah

I love you
But I gotta stay true
My morals got me on my knees
I'm begging, please, stop playing games

Chorus:

**I don't know what this is
But you've got me good
Just like you knew you would
I don't know what you do
But you do it well
I'm under your spell**

**You got me begging you for mercy (yeah, yeah, yeah)
Why won't you release me? (Yeah, yeah, yeah)
You got me begging you for mercy (yeah, yeah, yeah)
Why won't you release me? (Yeah, yeah, yeah)
I said release me (yeah, yeah, yeah, yeah, yeah, yeah)**

Now you think that I
Will be something on the side
But you got to understand
That I need a man
Who can take my hand, yes, I do

Chorus

Chorus

Eagle Eye Cherry - Save Tonight

Go on and close the curtains
'Cause all we need is candlelight
You and me, and a bottle of wine
Gonna hold you tonight, uh, yeah

Well, we know I'm going away
And how I wish, I wish it weren't so
So take this wine and drink with me
Let's delay our misery

Chorus
Save tonight
And fight the break of dawn
Come tomorrow
Tomorrow I'll be gone
Save tonight
And fight the break of dawn
Come tomorrow
Tomorrow I'll be gone

There's a log on the fire
And it burns like me for you
Tomorrow comes with one desire
To take me away, oh, it's true

It ain't easy to say goodbye
Darlin', please, don't start to cry
'Cause, girl, you know I've got to go, oh
And, Lord, I wish it wasn't so

Chorus

Tomorrow comes to take me away
I wish that I, that I could stay
But, girl, you know I've got to go, oh
And, Lord, I wish it wasn't so

Chorus

Chorus

Ed Sheeran - I See Fire

Oh, misty eye of the mountain below
Keep careful watch of my brothers' souls
And should the sky be filled with fire and smoke
Keep watching over Durin's sons

If this is to end in fire then we should all burn together
Watch the flames climb high into the night
Calling out father oh stand by and we will
Watch the flames burn auburn on the mountain side
And if we should die tonight then we should all die together
Raise a glass of wine for the last time
Calling out father oh, prepare as we will
Watch the flames burn auburn on the mountain side
Desolation comes upon the sky

Chorus

**Now I see fire inside the mountain
I see fire burning the trees
And I see fire hollowing souls
I see fire, blood in the breeze
And I hope that you remember me**

Oh, should my people fall then surely I'll do the same
Confined in mountain halls we got too close to the flame
Calling out father oh, hold fast and we will
Watch the flames burn auburn on the mountain side
Desolation comes upon the sky

Chorus

And if the night is burning
I will cover my eyes
For if the dark returns
Then my brothers will die
And as the sky is falling down
It crashed into this lonely town
And with that shadow upon the ground
I hear my people screaming out

Chorus

Ed Sheeran - Perfect

I found a love, for me
Darling, just dive right in and follow my lead
Well, I found a girl, beautiful and sweet
Oh, I never knew you were the someone waiting for me
'Cause we were just kids when we fell in love
Not knowing what it was, I will not give you up this time
But darling, just kiss me slow, your heart is all I own
And in your eyes, you're holding mine

Chorus 1:

**Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favourite song
When you said you looked a mess, I whispered underneath my breath
But you heard it, Darling, you look perfect tonight**

Well, I found a woman, stronger than anyone I know
She shares my dreams, I hope that someday I'll share her home
I found a lover, to carry more than just my secrets
To carry love, to carry children of our own
We are still kids, but we're so in love
Fighting against all odds
I know we'll be alright this time
Darling, just hold my hand
Be my girl, I'll be your man
I see my future in your eyes

Chorus 2:

**Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
When I saw you in that dress, looking so beautiful
I don't deserve this, darling, you look perfect tonight**

Chorus 3:

**Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
I have faith in what I see, now I know I have met an angel in person
And she looks perfect
I don't deserve this, you look perfect tonight
I don't deserve this, you look perfect tonight**

Ed Sheeran - Photograph

Loving can hurt, loving can hurt sometimes
But it's the only thing that I know
When it gets hard, you know it can get hard sometimes
It is the only thing makes us feel alive

Chorus 1

**We keep this love in a photograph
We made these memories for ourselves
Where our eyes are never closing
Hearts are never broken And time's forever frozen, still
So you can keep me Inside the pocket of your ripped jeans
Holding me closer 'til our eyes meet
You won't ever be alone, wait for me to come home**

Loving can heal, loving can mend your soul
And it's the only thing that I know, know
I swear it will get easier, remember that with every piece of ya
and it's the only thing we take with us when we die

Chorus 2

Hmm, we keep this love in a photograph
We made these memories for ourselves
Where our eyes are never closing
Hearts were never broken
And time's forever frozen, still
**So you can keep me Inside the pocket of your ripped jeans
Holding me closer 'til our eyes meet, You won't ever be alone
And if you hurt me, That's okay, baby, only words bleed
Inside these pages, you just hold me
And I won't ever let you go wait for me to come home
Wait for me to come home, Wait for me to come home**

Oh, you can fit me, Inside the necklace you got when you were sixteen
Next to your heartbeat where I should be Keep it deep within your soul
And if you hurt me, Well, that's okay, baby, only words bleed Inside these pages, you just hold
me And I won't ever let you go
When I'm away, I will remember how you kissed me
Under the lamppost back on Sixth street
Hearing you whisper through the phone: "Wait for me to come home"

Ed Sheeran - Shape of You

The club isn't the best place to find a lover
So the bar is where I go
Me and my friends at the table doing shots
Drinking fast and then we talk slow
Come over and start up a conversation with just me
And trust me I'll give it a chance now
Take my hand, stop, put Van the Man on the jukebox
And then we start to dance, and now I'm singing like

Pre-Chorus:

**Girl, you know I want your love
Your love was handmade for somebody like me
Come on now, follow my lead
I may be crazy, don't mind me
Say, boy, let's not talk too much
Grab on my waist and put that body on me
Come on now, follow my lead
Come, come on now, follow my lead**

Chorus:

**I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
And last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand new
I'm in love with your body
(Oh-I-oh-I-oh-I-oh-I) I'm in love with your body
(Oh-I-oh-I-oh-I-oh-I) I'm in love with your body
(Oh-I-oh-I-oh-I-oh-I) I'm in love with your body
Every day discovering something brand new
I'm in love with the shape of you**

One week in we let the story begin
We're going out on our first date
You and me are thrifty, so go all you can eat
Fill up your bag and I fill up a plate
We talk for hours and hours about the sweet and the sour
And how your family is doing okay
And leave and get in a taxi, then kiss in the backseat
Tell the driver make the radio play, and I'm singing like

Pre-Chorus & Chorus

Chorus

Ed Sheeran - Thinking Out Loud

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love
Will your eyes still smile from your cheeks
And darling I will be loving you 'til we're 70
And baby my heart could still fall as hard at 23

Chorus:

And I'm thinking 'bout how people fall in love in mysterious ways
Maybe just the touch of a hand
Oh me I fall in love with you every single day
And I just wanna tell you I am
So honey now, Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are

When my hair's all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way, mm
I know you will still love me the same
'Cause honey your soul can never grow old, it's evergreen
Baby your smile's forever in my mind and memory

Chorus

Chorus

Edward Sharpe & the Magnetic Zeros - Home

Alabama, Arkansas
I do love my ma and pa
Not that way that I do love you
Well, holy moly, me oh my
You're the apple of my eye
Girl, I've never loved one like you
Man, oh man, you're my best friend
I scream it to the nothingness
There ain't nothing that I need
Well, hot and heavy, pumpkin pie
Chocolate candy, Jesus Christ
Ain't nothing please me more than you

Chorus:

Oh, home, let me come home
Home is wherever I'm with you
Oh, home, let me come home
Home is wherever I'm with you
La, la, la, la, take me home

(Daddy) Mother, I'm coming home
I'll follow you into the park
Through the jungle, through the dark
Girl, I never loved one like you (hey)
Moats and boats and waterfalls
Alleyways and pay phone calls
I've been everywhere (hey) with you
That's true, laugh until we think we'll die
Barefoot on a summer night
Never could be sweeter than with you (hey)
And in the streets you run a-free
Like it's only you and me
Geez, you're something to see

Chorus

Enrique Iglesias - Hero

Would you dance, if I asked you to dance?
Would you run, and never look back?
Would you cry, if you saw me cryin'?
And would you save my soul tonight?

Would you tremble, if I touched your lips?
Would you laugh? Oh, please, tell me this
Now, would you die for the one you loved?
Hold me in your arms tonight

Chorus:

**I can be your hero, baby
I can kiss away the pain
I will stand by you forever
You can take my very breath away**

Would you swear that you'll always be mine?
Or would you lie? Would you run and hide?
Am I in too deep? Have I lost my mind?
I don't care, you're here tonight

Chorus

Chorus

Eurythmics - Sweet Dreams

Chorus:

**Sweet dreams are made of this
Who am I to disagree
I travel the world and the seven seas
Everybody's looking for something**

Some of them want to use you
Some of them want to get used by you
Some of them want to abuse you
Some of them want to be abused

Chorus

Hold your head up, keep your head up, movin' on
Hold your head up, movin' on
keep your head up, movin' on
Hold your head up, movin' on
keep your head up, movin' on
Hold your head up, movin' on
keep your head up

Chorus

Foo Fighters - Walk

A million miles away
Your signal in the distance
To whom it may concern
I think I lost my way
Getting good at starting over
Every time that I return

Chorus:

**Learning to walk again
I believe I've waited long enough
Where do I begin?
Learning to talk again
Can't you see I've waited long enough?
Where do I begin?**

Do you remember the days?
We built these paper mountains
Then sat and watched them burn
I think I found my place
Can't you feel it growing stronger
Little conquerors

Chorus

Now, For the very first time
Don't you pay no mind
Set me free, again
To keep alive, a moment at a time
That's still inside, a whisper to a riot
The sacrifice, the knowing to survive
The first decline, another state of mind
I'm on my knees, I'm praying for a sign
Forever, whenever, I never wanna die
I never wanna die, I never wanna die
I'm on my knees, I never wanna die
I'm dancing on my grave
I'm running through the fire
Forever, whenever
I never wanna die
I never wanna leave
I'll never say goodbye
Forever, whenever, Forever, whenever

Chorus

Fools Garden - Lemon Tree

I'm sitting here in a boring room, it's just another rainy Sunday afternoon.
I'm wasting my time, I got nothing to do.
I'm hanging around, I'm waiting for you,
But nothing ever happens - and I wonder.

I'm driving around in my car, I'm driving too fast, I'm Driving too far.
I'd like to change my point of view.
I feel so lonely, I'm waiting for you,
But nothing ever happens - and I wonder.

Chorus:

**I wonder how, I wonder why
Yesterday you told me 'Bout the blue blue sky
And all that I can see is just A yellow lemon tree.
I'm turning my head up and down
I'm turning, turning, turning, turning, turning around.
And all that I can see is just another lemon tree.**

I'm sitting here, I miss the power
I'd like to go out, Taking a shower,
but there's a heavy cloud inside my head.
I feel so tired, put myself into bed,
where nothing ever happens - and I wonder.

Isolation - is not the good for me.
Isolation - I don't want to sit on a lemon tree.

I'm steppin' around in a desert of joy. Baby anyhow I'll get
Another toy and everything will happen - and you'll wonder.

Chorus

Gloria Gaynor - I Will Survive

At first I was afraid, I was petrified
Kept thinking I could never live without you by my side
But then I spent so many nights thinking how you did me wrong
And I grew strong And I learned how to get along
And so you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock, I should have made you leave your key
If I'd known for just one second you'd be back to bother me

Chorus:

**Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye?
You think I'd crumble?
You think I'd lay down and die?
Oh no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive
I've got all my life to live
And I've got all my love to give and I'll survive
I will survive, hey, hey**

It took all the strength I had not to fall apart
Kept trying hard to mend the pieces of my broken heart
And I spent oh-so many nights just feeling sorry for myself
I used to cry
But now I hold my head up high and you see me, Somebody new
I'm not that chained-up little person still in love with you
And so you felt like dropping in and just expect me to be free
Well, now I'm saving all my lovin' for someone who's loving me

Chorus

Chorus

Gnarls Barkley - Crazy

I remember when, I remember, I remember when I lost my mind
There was something so pleasant about that place.
Even your emotions had an echo
In so much space

And when you're out there, Without care,
Yeah, I was out of touch
But it wasn't because I didn't know enough
I just knew too much

Chorus:
Does that make me crazy?
Does that make me crazy?
Does that make me crazy?
Possibly

And I hope that you are having the time of your life
But think twice, that's my only advice

Come on now, who do you, who do you, who do you, who do you think you are,
Ha ha ha bless your soul
You really think you're in control

Chorus:
Well, I think you're crazy
I think you're crazy
I think you're crazy
Just like me

My heroes had the heart to lose their lives out on a limb
And all I remember is thinking, I want to be like them

Ever since I was little, ever since I was little it looked like fun
And it's no coincidence I've come
And I can die when I'm done

Chorus:
Maybe I'm crazy
Maybe you're crazy
Maybe we're crazy
Probably

Gossip - Heavy Cross

It's a cruel, cruel world to face on your own
A heavy cross to carry along
The lights are on but everyone's gone
And it's cruel

It's a funny way to make ends meet
When the lights are out on every street
It feels alright but never complete
Without joy

Chorus:
I checked you, if it's already been done
Undo it
It takes two, it's up to me and you
To prove it

On the rainy nights even the coldest days
You're moments ago but seconds away
The principle of nature, it's true but
It's a cruel world

We can play it safe or play it cool
Follow the leader or make up all the rules
Whatever you want, the choice is yours
So choose

Chorus

Chorus

Chorus

Gotye - Somebody That I Used To Know

Now and then I think of when we were together
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so lonely in your company
But that was love, and it's an ache I still remember

You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So, when we found that we could not make sense
Well, you said that we would still be friends
But I'll admit that I was glad it was over

Chorus:

**But you didn't have to cut me off
Make out like it never happened and that we were nothin'
And I don't even need your love
But you treat me like a stranger, and that feels so rough
No, you didn't have to stoop so low
Have your friends collect your records and then change your number
Guess that I don't need that, though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know**

Now and then, I think of all the times you screwed me over
But had me believin' it was always somethin' that I'd done

But I don't wanna live that way
Readin' into every word you say
You said that you could let it go
And I wouldn't catch you hung up on somebody that you used to know

Chorus

Green Day - Boulevard of Broken Dreams

I walk a lonely road
The only one that I have ever known
Don't know where it goes
But it's home to me and I walk alone

I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
And I'm the only one and I walk alone

Chorus:

**My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating
Sometimes I wish someone out there will find me
'Til then I walk alone**

I'm walking down the line
That divides me somewhere in my mind
On the border line
Of the edge and where I walk alone

Read between the lines
Of what's fucked up and everything's alright
Check my vital signs
To know I'm still alive and I walk alone

Chorus

I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
And I'm the only one and I walk a...

Chorus

Green Day - Good Riddance

Another turning point, a fork stuck in the road
Time grabs you by the wrist, directs you where to go

So make the best of this test, and don't ask why
It's not a question, but a lesson learned in time

Chorus:

**It's something unpredictable
But in the end, it's right
I hope you had the time of your life**

So take the photographs and still frames in your mind
Hang it on a shelf in good health and good time

Tattoos of memories, and dead skin on trial
For what it's worth, it was worth all the while

Chorus

Chorus

Green Day - Basket Case

Do you have the time to listen to me whine
About nothing and everything all at once?
I am one of those Melodramatic fools
Neurotic to the bone, No doubt about it

Chorus:

**Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up**

I think I'm cracking up
Am I just paranoid
Or am I just stoned?

I went to a shrink To analyze my dreams
She says it's lack of sex that's bringing me down
I went to a whore, He said my life's a bore
So quit my whining 'cause it's bringing her down

Chorus

Grasping to control
So I better hold on

Chorus

Harry Styles - Watermelon Sugar

Tastes like strawberries on a summer evenin'
And it sounds just like a song
I want more berries and that summer feelin'
' It's so wonderful and warm
Breathe me in, breathe me out
I don't know if I could ever go without
I'm just thinking out loud
I don't know if I could ever go without

Chorus:

Watermelon sugar high, watermelon sugar high
Watermelon sugar high, watermelon sugar high
Watermelon sugar

Strawberries on a summer evenin'
Baby, you're the end of June
I want your belly and that summer feelin'
Getting washed away in you
Breathe me in, breathe me out
I don't know if I could ever go without

Chorus

I just wanna taste it, I just wanna taste it
Watermelon sugar high
Tastes like strawberries on a summer evenin'
And it sounds just like a song
I want your belly and that summer feelin'
I don't know if I could ever go without

Imagine Dragons - Demons

When the days are cold
And the cards all fold
And the saints we see are all made of gold
When your dreams all fail
And the ones we hail
Are the worst of all, and the blood's run stale
I wanna hide the truth
I wanna shelter you
But with the beast inside
There's nowhere we can hide
No matter what we breed
We still are made of greed
This is my kingdom come, This is my kingdom come

Chorus:

**When you feel my heat, look into my eyes
It's where my demons hide, It's where my demons hide
Don't get too close, it's dark inside
It's where my demons hide, It's where my demons hide**

At the curtain's call, it's the last of all
When the lights fade out, all the sinners crawl
So they dug your grave
And the masquerade
Will come calling out at the mess you've made
Don't wanna let you down
But I am hell-bound
Though this is all for you
Don't wanna hide the truth
No matter what we breed
We still are made of greed
This is my kingdom come, This is my kingdom come

Chorus

They say it's what you make
I say it's up to fate
It's woven in my soul
I need to let you go
Your eyes, they shine so bright
I wanna save that light
I can't escape this now
Unless you show me how

Chorus

Imagine Dragons - Radioactive

I'm waking up to ash and dust
I wipe my brow and I sweat my rust
I'm breathing in the chemicals
I'm breaking in, shaping up, then checking out on the prison bus
This is it, the apocalypse

Chorus:

Whoa

**I'm waking up, I feel it in my bones
Enough to make my systems blow
Welcome to the new age, to the new age
Welcome to the new age, to the new age
Whoa, oh, oh, oh, oh, whoa, oh, oh, oh
I'm radioactive, radioactive
Whoa, oh, oh, oh, oh, whoa, oh, oh, oh
I'm radioactive, radioactive**

I raise my flags, don my clothes
It's a revolution, I suppose
We'll paint it red to fit right in
Whoa
I'm breaking in, shaping up, then checking out on the prison bus
This is it, the apocalypse

Chorus

All systems go, the sun hasn't died
Deep in my bones, straight from inside

Chorus

Jack Johnson - Banana Pancakes

Well, can't you see that it's just rainin'?
There ain't no need to go outside

But baby you hardly even notice when I try to show you this
Song is meant to keep you, doin' what you're supposed to
Wakin' up too early, maybe we could sleep in
Make you banana pancakes, pretend like it's the weekend now

Chorus:

**We could pretend it all the time
Can't you see that it's just rainin'?
There ain't no need to go outside**

But just maybe, like a ukulele, mama made a baby
Really don't mind the practice 'cause you're my little lady
Lady, lady love me 'cause I love to lay here lazy
We could close the curtains, pretend like there's no world outside

Chorus:

**Then we could pretend it all the time
And can't you see that it's just rainin'?
There ain't no need to go outside
Ain't no need, ain't no need
Mmm, mmm, mmm, mmm
Can't you see, can't you see?
Rain all day and I don't mind**

But the telephone's singing, ringing
It's too early, don't pick it up, We don't need to
We got everything we need right here
And everything we need is enough, just so easy

when the whole world fits inside of your arms
Do we really need to pay attention to the alarm?
Wake up slow, Mmm-mmm, wake up slow

Chorus

Jack Johnson - Sitting, Waiting, Wishing

Well I was sitting, waiting, wishing
You believed in superstitions
Then maybe you'd see the signs
But Lord knows that this world is cruel
And I ain't the Lord, no I'm just a fool
Learning loving somebody don't make them love you

Chorus:

**Must I always be waiting, waiting on you?
Must I always be playing, playing your fool?**

I sang your songs, I danced your dance
I gave your friends all a chance
Putting up with them wasn't worth never having you
Ah, maybe you've been through this before
But it's my first time, so please ignore
The next few lines 'cause they're directed at you

Chorus

I keep playing your part
But it's not my scene
Want this plot to twist
I've had enough mystery
Keep building it up
But then you're shooting me down
But I'm already down
Just wait a minute
Just sitting, waiting

Well, if I was in your position
I'd put down all my ammunition
I'd wonder why it had taken me so long
But Lord knows that I'm not you
And if I was I wouldn't be so cruel
'Cause waiting on love ain't so easy to do

Chorus

Jack Johnson - Upside Down

Who's to say what's impossible
Well, they forgot this world keeps spinning
And with each new day
I can feel a change in everything
And as the surface breaks, reflections fade
But in some ways, they remain the same
And as my mind begins to spread its wings
There's no stopping curiosity

Chorus:

**I want to turn the whole thing upside down
I'll find the things they say just can't be found
I'll share this love I find with everyone
We'll sing and dance to Mother Nature's songs
I don't want this feeling to go away**

Who's to say I can't do everything
Well, I can try
And as I roll along, I begin to find
Things aren't always just what they seem

Chorus

This world keeps spinning and there's no time to waste
Well, it all keeps spinning, spinning 'round and 'round and
Upside down
Who's to say what's impossible and can't be found?
I don't want this feeling to go away

Please don't go away
Please don't go away
Please don't go away
Is this how it's supposed to be?
Is this how it's supposed to be?

Jason Mraz - I'm Yours

Well, you done done me and you bet I felt it
I tried to be chill, but you're so hot that I melted
I fell right through the cracks
Now I'm trying to get back

Before the cool done run out
I'll be giving it my bestest
And nothing's gonna stop me but divine intervention
I reckon it's again my turn
To win some or learn some

Chorus:

**So I won't hesitate no more, no more
It cannot wait, I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours**

Well, open up your mind and see like me
Open up your plans and, damn, you're free
And look into your heart and you'll find love, love, love, love
Listen to the music of the moment, people dance and sing
We're just one big family
And it's our God-forsaken right to be loved, loved, loved, loved, loved

Chorus

I've been spending way too long checking my tongue in the mirror
And bending over backwards just to try to see it clearer
But my breath fogged up the glass
And so I drew a new face and I laughed
I guess what I've been saying is there ain't no better reason
To rid yourself of vanities and just go with the seasons
It's what we aim to do, Our name is our virtue

Chorus

Well, open up your mind and see like me
Open up your plans and, damn, you're free
And look into your heart, and you'll find that the sky is yours
So please don't, please don't, please don't
There's no need to complicate
'Cause our time is short
This, oh this, this is our fate, I'm yours

Jeff Buckley - Hallelujah

I heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do you?

Well it goes like this the fourth, the fifth
The minor fall and the major lift
The baffled king composing Hallelujah

Chorus:

Hallelujah, Hallelujah, Hallelujah, Hallelu-u-u-u-ujah

Well your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you

She tied you to her kitchen chair
She broke your throne and she cut your hair
And from your lips, she drew the Hallelujah

Chorus

Baby, I've been here before
I've seen this room and I've walked this floor
You know, I used to live alone before I knew you

And I've seen your flag on the marble arch
And Love is not a victory march
It's a cold and it's a broken Hallelujah

Chorus

Well, there was a time when you let me know
What's really going on below
But now you never show that to me, do you?

But remember, when I moved in you
And the holy dove was moving too
And every breath, we drew was Hallelujah

Chorus

Jessie J - Price Tag

Seems like everybody's got a price
I wonder how they sleep at night
When the sale comes first and the truth comes second
Just stop for a minute and smile
Why is everybody so serious?
Acting so damn mysterious
Got shades on your eyes
And your heels so high that you can't even have a good time

Everybody look to their left
Everybody look to their right
Can you feel that? Yeah
We're paying with love tonight

Chorus:

**It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance
Forget about the price tag
Ain't about the, uh, cha-ching cha-ching
Ain't about the, yeah, ba-bling ba-bling
Wanna make the world dance
Forget about the price tag**

We need to take it back in time
When music made us all unite
And it wasn't low blows and video hoes
Am I the only the one getting tired?
Why is everybody so obsessed?
Money can't buy us happiness
Can we all slow down and enjoy right now?
Guarantee we'll be feeling alright

Everybody look to their left (to their left)
Everybody look to their right (to their right)
Can you feel that? Yeah
We're paying with love tonight

Chorus

Chorus

Chorus

John Denver - Country Roads

Almost Heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains, growin' like a breeze

Chorus:

**Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads**

All my memories gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

Chorus

I hear her voice in the mornin' hour, she calls me
The radio reminds me of my home far away
Drivin' down the road, I get a feelin'
That I should've been home yesterday, yesterday

Chorus

Chorus

John Denver - Leaving On A Jetplane

All my bags are packed, I'm ready to go
I'm standin' here outside your door
I hate to wake you up to say goodbye

But the dawn is breakin', It's early morn
The taxi's waitin', He's blowin' his horn
Already I'm so lonesome, I could cry

Chorus:

**So kiss me and smile for me
Tell me that you'll wait for
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go**

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing

Every place I go, I'll think of you
Every song I sing, I'll sing for you
When I come back, I'll bring your wedding ring

Chorus

Now the time has come to leave you
One more time Let me kiss you
Then close your eyes And I'll be on my way

Dream about the days to come
When I won't have to leave alone
About the times, I won't have to say

Chorus

John Legend - All of Me

What would I do without your smart mouth?
Drawing me in and you kicking me out
You've got my head spinning, no kidding
I can't pin you down
What's going on in that beautiful mind
I'm on your magical mystery ride
And I'm so dizzy, don't know what hit me
But I'll be alright

My head's under water, but I'm breathing fine
You're crazy and I'm out of my mind

Chorus:

**'Cause all of me loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
I'll give my all to you
You're my end and my beginning
Even when I lose I'm winning
'Cause I give you all of me
And you give me all of you, oh oh**

How many times do I have to tell you?
Even when you're crying you're beautiful too
The world is beating you down, I'm around through every mood
You're my downfall, you're my muse
My worst distraction, my rhythm and blues
I can't stop singing, it's ringing, in my head for you

My head's under water, but I'm breathing fine
You're crazy and I'm out of my mind

Chorus

Cards on the table, we're both showing hearts
Risking it all, though it's hard

Chorus

John Mayer - Free Fallin'

She's a good girl, loves her mama
Loves Jesus and America too
She's a good girl, crazy about Elvis
Loves horses and her boyfriend too
Yeah, yeah

It's a long day living in Reseda
There's a freeway running through the yard
I'm a bad boy 'cause I don't even miss her
I'm a bad boy for breaking her heart

Chorus:
And I'm free
Free fallin', fallin'
And I'm free
Free fallin', fallin'

All the vampires walking through the valley
They move west down Ventura Boulevard
And all the bad boys are standing in the shadows
And the good girls are home with broken hearts

Chorus

I want to glide down over Mulholland
I want to write her, her name in the sky
I want to free fall out into nothing
Oh, I'm gonna leave this, this world for a while

Josh Groban - You Raise Me Up

When I am down and, oh my soul, so weary
When troubles come and my heart burdened be
Then, I am still and wait here in the silence
Until You come and sit awhile with me.

Chorus:

**You raise me up, so I can stand on mountains
You raise me up, to walk on stormy seas
I am strong, when I am on your shoulders
You raise me up to more than I can be**

Chorus (one tone higher):

**You raise me up, so I can stand on mountains
You raise me up, to walk on stormy seas
I am strong, when I am on your shoulders
You raise me up to more than I can be.**

Chorus (one semi-tone higher):

**You raise me up, so I can stand on mountains
You raise me up, to walk on stormy seas
I am strong, when I am on your shoulders
You raise me up to more than I can be.**

Chorus:

**You raise me up, so I can stand on mountains
You raise me up, to walk on stormy seas
I am strong, when I am on your shoulders
You raise me up to more than I can be.
You raise me up to more than I can be.**

Justin Bieber - Love Yourself

For all the times that you rained on my parade
And all the clubs you get in using my name
You think you broke my heart, oh, girl, for goodness' sake
You think I'm crying on my own, well, I ain't
And I didn't wanna write a song
'Cause I didn't want anyone thinkin' I still care, I don't, but
You still hit my phone up And baby, I'll be movin' on
And I think you should be somethin' I don't wanna hold back
Maybe you should know that

Pre-Chorus:

**My mama don't like you and she likes everyone
And I never like to admit that I was wrong
And I've been so caught up in my job
Didn't see what's going on, but now I know
I'm better sleeping on my own**

Chorus:

**'Cause if you like the way you look that much
Oh, baby, you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself**

But when you told me that you hated my friends
The only problem was with you and not them
And every time you told me my opinion was wrong
And tried to make me forget where I came from
And I didn't wanna write a song
'Cause I didn't want anyone thinkin' I still care, I don't, but
You still hit my phone up And baby, I'll be movin' on
And I think you should be somethin' I don't wanna hold back
Maybe you should know that

Pre-Chorus & Chorus

For all the times that you made me feel small
I fell in love, now I feel nothin' at all
I never felt so low and I was vulnerable
Was I a fool to let you break down my walls?

Chorus

Katy Perry - Hot N Cold

You change your mind
Like a girl changes clothes
Yeah you, PMS
Like a bitch
I would know
And you over think
Always speak
Cryptically
I should know
That you're no good for me

Chorus:

**'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up
(You) You don't really want to stay, no
(You) But you don't really want to go
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down**

We used to be
Just like twins
So in sync
The same energy
Now's a dead battery
Used to laugh 'bout nothing
Now you're plain boring
I should know
That you're not gonna change

Chorus

Someone call the doctor
Got a case of a love bipolar
Stuck on a roller coaster
Can't get off this ride

Chorus

Katy Perry - The One That Got Away

Summer after high school when we first met
We make out in your Mustang to Radiohead
And on my 18th birthday we got matching tattoos
Used to steal your parents' liquor and climb to the roof
Talk about our future like we had a clue
Never planned that one day, I'd be losing you

Chorus:

**In another life
I would be your girl
We keep all our promises
Be us against the world
In another life
I would make you stay
So I don't have to say
You were the one that got away
The one that got away**

I was June and you were my Johnny Cash
Never one without the other we made a pact
Sometimes when I miss you
I put those records on
Someone said you had your tattoo removed
Saw you downtown singing the blues
Its time to face the music
I'm no longer your muse

Chorus

All this money can't buy me a time machine, no
Can't replace you with a million rings, no
I should've told you what you meant to me (whoa)
Cause now I pay the price

Chorus

Kelly Clarkson - Since U Been Gone

Here's the thing, we started out friends
It was cool, but it was all pretend
Yeah, yeah, Since you been gone
You're dedicated, you took the time
Wasn't long 'til I called you mine
Yeah, yeah, Since you been gone

And all you'd ever hear me say
Is how I picture me with you (You, you)
That's all you'd ever hear me say

Chorus:

**But since you been gone
I can breathe for the first time
I'm so movin' on, yeah, yeah**

**Thanks to you
Now I get what I want
Since you been gone**

How can I put it? You put me on
I even fell for that stupid love song
Yeah, yeah, since you been gone

How come I'd never hear you say
"I just wanna be with you"? (You, you)
Guess you never felt that way

Chorus

You had your chance, you blew it
Out of sight, out of mind
Shut your mouth, I just can't take it
Again and again and again and again

Chorus

Kings of Leon - Use Somebody

I've been roaming around
Always looking down and all I see
Painted faces fill the places I can't reach

Chorus:

**You know that I could use somebody
You know that I could use somebody**

Someone like you
And all you know and how you speak
Countless lovers
Undercover of the street

Chorus

Someone like you
Off in the night while you live it up,
I'm off to sleep
Waging wars to shake the poet and the beat

I hope it's gonna make you notice
I hope it's gonna make you notice
Someone like me
Someone like me
Someone like me, somebody
Go and let it out
Someone like you, somebody

I've been roaming around
Always looking down and all I see

Kylie Minogue - Can't Get You Out Of My Head

Chorus:

**La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la**

**I just can't get you out of my head
Boy, your lovin' is all I think about
I just can't get you out of my head
Boy, its more than I dare to think about**

Chorus

Every night, Every day
Just to be there in your arms
Won't you stay, Won't you lay
Stay forever and ever, and ever, and ever

Chorus

There's a dark secret in me
Don't leave me left in your heart
Set me free, Feel the need in me
Set me free, Stay forever and ever, and ever, and ever

Chorus

Lady Gaga - Bad Romance

Ra-ra, ah-ah-ah, Roma-, roma-ma-
Gaga, ooh, la-la, Want your bad romance
Ra-ra, ah-ah-ah, Roma-, roma-ma-
Gaga, ooh, la-la Want your bad romance

I want your ugly, I want your disease
I want your everything as long as it's free
I want your love, Love, love, love, I want your love (hey)

I want your drama, the touch of your hand (hey)
I want your leather-studded kiss in the sand
I want your love, Love, love, love, I want your love

Chorus:

**You know that I want you
And you know that I need you
I want it bad, your bad romance**

**I want your love and I want your revenge
You and me could write a bad romance (ooh)
I want your love and all your lover's revenge
You and me could write a bad romance
Ooh, caught in a bad romance
Ooh, caught in a bad romance**

**Ra-ra, ah-ah-ah, Roma-, roma-ma
Gaga, ooh, la-la, Want your bad romance**

I want your horror, I want your design
'Cause you're a criminal as long as you're mine
I want your love, Love, love, love, I want your love
I want your psycho, your vertigo shtick (hey)
Want you in my rear window, baby, you're sick
I want your love, Love, love, love, I want your love

Chorus

Chorus

Limp Bizkit - Behind Blue Eyes

No one knows what it's like
To be the bad man
To be the sad man
Behind blue eyes
And no one knows what it's like
To be hated
To be fated to telling only lies

Chorus:

**But my dreams they aren't as empty
As my conscience seems to be
I have hours, only lonely
My love is vengeance
That's never free**

No one knows what its like
To feel these feelings
Like I do
And I blame you
No one bites back as hard
On their anger
None of my pain and woe
Can show through

Chorus

No one knows what its like
To be mistreated, to be defeated
Behind blue eyes
An no one know how to say
That they're sorry and don't worry
I'm not telling lies

Chorus

No one knows what its like
To be the bad man
To be the sad man
Behind blue eyes

Linkin Park - Numb

I'm tired of being what you want me to be
Feeling so faithless, lost under the surface
Don't know what you're expecting of me
Put under the pressure of walking in your shoes
Every step that I take is another mistake to you
(Caught in the undertow, just caught in the undertow)

Chorus:

**I've become so numb
I can't feel you there
Become so tired
So much more aware
I'm becoming this
All I want to do
Is be more like me
And be less like you**

Can't you see that you're smothering me
Holding too tightly, afraid to lose control?
'Cause everything that you thought I would be
Has fallen apart right in front of you
Every step that I take is another mistake to you
(Caught in the undertow, just caught in the undertow)
And every second I waste is more than I can take

Chorus

Chorus

Lukas Graham - 7 Years

Once I was seven years old, my mama told me
"Go make yourself some friends, or you'll be lonely"
Once I was seven years old

It was a big, big world, but we thought we were bigger
Pushin' each other to the limits, we were learnin' quicker
By 11, smokin' herb and drinkin' burnin' liquor
Never rich, so we were out to make that steady figure
Once I was 11 years old, my daddy told me
"Go get yourself a wife, or you'll be lonely"
Once I was 11 years old

I always had that dream, like my daddy before me
So, I started writin' songs, I started writin' stories
Somethin' about that glory, just always seemed to bore me
'Cause only those I really love will ever really know me
Once I was 20 years old, my story got told
Before the mornin' sun, when life was lonely
Once I was 20 years old

I only see my goals, I don't believe in failure
'Cause I know the smallest voices, they can make it major
I got my boys with me, at least those in favor
And if we don't meet before I leave, I hope I'll see you later
Once I was 20 years old, my story got told
I was writin' 'bout everything I saw before me
Once I was 20 years old

Soon, we'll be 30 years old, our songs have been sold
We've traveled around the world, and we're still roamin'
Soon, we'll be 30 years old

I'm still learnin' about life, my woman brought children for me
So, I can sing them all my songs, and I can tell them stories
Most of my boys are with me, some are still out seeking glory
And some I had to leave behind, my brother, I'm still sorry

Soon, I'll be 60 years old, my daddy got 61
Remember life, and then your life becomes a better one
I made a man so happy when I wrote a letter once
I hope my children come and visit once or twice a month

Soon, I'll be 60 years old, will I think the world is cold?
Or will I have a lot of children who can warm me?
Soon, I'll be 60 years old

Soon, I'll be 60 years old, will I think the world is cold?

Or will I have a lot of children who can warm me?
Soon, I'll be 60 years old

Once I was seven years old, my mama told me
"Go make yourself some friends, or you'll be lonely"
Once I was seven years old
Once I was seven years old

Lykke Li - I Follow Rivers

Oh, I beg you, can I follow?
Oh, I ask you, why not always?
Be the ocean, where I unravel
Be my only
Be the water where I'm wading

You're my river running high
Run deep, run wild

Chorus:
I, I follow
I follow you, deep sea, baby
I follow you
I, I follow
I follow you, dark doom, honey
I follow you

He a message, I'm the runner
He the rebel
I'm the daughter waiting for you

You're my river running high
Run deep, run wild

Chorus

You're my river running high
Run deep, run wild

Chorus

Chorus

Maroon 5 - She Will Be Loved

Beauty queen of only eighteen
She had some trouble with herself
He was always there to help her
She always belonged to someone else

I drove for miles and miles
and wound up at your door
I've had you so many times
but somehow I want more

Chorus:

I don't mind spending every day
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay a while
And she will be loved
And she will be loved

Tap on my window, knock on my door
I want to make you feel beautiful
I know I tend to get so insecure
It doesn't matter anymore

It's not always rainbows and butterflies
It's compromise that moves us along, yeah
My heart is full and my door's always open
You come anytime you want, yeah

Chorus

I know where you hide
Alone in your car
Know all of the things
that make you who you are
I know that goodbye means nothing at all
Comes back and begs me to catch her
every time she falls, yeah
Tap on my window, knock on my door
I want to make you feel beautiful

MGMT - Kids

You were a child crawling on your knees toward it
Making momma so proud but your voice was too loud
We liked to watch you laughing
You picked the insects off plants, no time to think of consequences

Chorus:

**Control yourself, take only what you need from it
A family of trees wanting to be haunted
Control yourself, take only what you need from it
A family of trees wanting to be haunted**

The water is warm but it's sending me shivers
A baby is born crying out for attention
The memories fade like looking through a fogged mirror
Decision to decisions are made and not bought
But I thought this wouldn't hurt a lot, I guess not

Chorus

Chorus

Miley Cyrus - Flowers

We were good, we were gold
Kinda dream that can't be sold
We were right 'til we weren't
Built a home and watched it burn

Chorus:

**Mm, I didn't wanna leave you, I didn't wanna lie
Started to cry, but then remembered I**

**I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand
Yeah, I can love me better than you can**

**Can love me better, I can love me better, baby
Can love me better, I can love me better, baby**

Paint my nails cherry red
Match the roses that you left
No remorse, no regret
I forgive every word you said

Chorus

Chorus

Milow - Ayo Technology

She work it, girl, she work the pole
She break it down, she take it low
She's fine as hell, she's about the dough
Doin' her thing right on the floor
And money, money she's makin'
Look at the way she's shakin' Make you wanna touch her, wanna taste her
Have you lustin' for her
Goin' crazy, face it

She's so much more than you're used to
Knows just how to move, seduce you
She gon' do the right thing, touch the right spot
Dance in your lap 'til you're ready to pop
She's always ready, when you want it she want it
Like a nympho, the info
Show you where to meet her
On the late night 'til daylight
The club jumpin' if you want a good time
She gon' give you what you want

Chorus:

**Baby, it's a new age
You're like my new craze
Let's get together, maybe we can start a new phase
This smoke's got the club all hazy
Spotlights don't do you justice, baby
Why don't you come over here?
You got me sayin'**

**Ayo, I'm tired of using technology
Why don't you sit down on top of me?
Ayo, I'm tired of using technology
I need you right in front of me**

In the fantasy, it's plain to see
Just how we be, you and me
Backstrokin', sweat soakin' all into my sex sheets
When she ready to ride, I'll be ready to roll
I'll be in this bitch 'til the club close
What should I do on all fours?
Now that-that shit should be against the law

Different style, different move
Damn, I like the way you move
Girl, you got me thinkin' 'bout All the things I'd do to you
Let's get it poppin', shawty
We can switch positions

From the couch to the counters of my kitchen

Chorus

Ooh, she wants it, ooh, she wants it
Hmm, she wants it, I gotta give it to her
She wants it, hmm, she wants it
Hmm, she wants it, I gotta give it to her

Chorus

Moriarty - Jimmy

Jimmy won't you please come home
Where the grass is green and the buffaloes roam
Come see Jimmy
Your uncle Jim and your auntie Jim and your cousin Jim
Come home Jimmy 'cause you need a bath
And your grandpa Jimmy is still gone daft

Now there's buffalo Jim and buffalo Jim
There's Jim buffalo now didn't you know
Jim Jim Jimmy its your last cigarette
But there's buffalo piss, it's all kind of wet
Jambo Jimmy you'd better hold your nose
All roads lead to roam with the buffaloes

Chorus:

And the Buffaloes used to say be proud of your name
The Buffaloes used to say be what you are
The Buffaloes used to say roam where you roam
The Buffaloes used to say do what you do

Hey you've gotta have a wash but you can't clean your name
You're not called Jimmy you'll be Jimmy just the same
The keys are in the bag in the chest by the door
One of Jimmy's friends has taken the floor
Jimmy won't you please come home
Where the grass is green and the buffaloes roam
Dear old Jimmy you've forgotten you're young
But you can't ignore the buffalo song

Chorus

If you remember you're unknown
Buffaloland will be your home
If you remember you're unknown
Buffaloland will be your home

Mumford & Sons - Little Lion Man

Weep for yourself, my man
You'll never be what is in your heart
Weep, little lion man
You're not as brave as you were at the start

Rate yourself and rake yourself
Take all the courage you have left
And waste it on fixing all the problems
that you made in your own head

Chorus:

**But it was not your fault but mine
And it was your heart on the line
I really fucked it up this time
Didn't I, my dear?
Didn't I, my dear?**

Tremble for yourself, my man,
You know that you have seen this all before
Tremble, little lion man,
You'll never settle any of your scores

Your grace is wasted in your face,
Your boldness stands alone among the wreck
Now learn from your mother
or else spend your days biting your own neck

Chorus

aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaah

Chorus

Mumford & Sons - The Cave

It's empty in the valley of your heart
The sun, it rises slowly as you walk
 Away from all the fears
And all the faults you've left behind
The harvest left no food for you to eat
You cannibal, you meat-eater, you see
 But I have seen the same
 I know the shame in your defeat

Chorus:

**But I will hold on hope
And I won't let you choke
On the noose around your neck
And I'll find strength in pain
And I will change my ways
I'll know my name as it's called again**

'Cause I have other things to fill my time
You take what is yours and I'll take mine
 Now let me at the truth
 Which will refresh my broken mind
 So tie me to a post and block my ears
I can see widows and orphans through my tears
 I know my call despite my faults
 And despite my growing fears

Chorus

So come out of your cave walking on your hands
And see the world hanging upside down
 You can understand dependence
 When you know the maker's land

 So make your siren's call
 And sing all you want
I will not hear what you have to say
 'Cause I need freedom now
 And I need to know how
 To live my life as it's meant to be

Chorus

My Chemical Romance - Famous Last Words

Now I know that I can't make you stay but where's your heart?
But where's your heart? But where's your-

And I know there's nothing I can say
To change that part, To change that part, To change...

So many bright lights, they cast a shadow, but can I speak?
Well, is it hard understanding, I'm incomplete?
A life that's so demanding, I get so weak
A love that's so demanding, I can't speak

Chorus:

**I am not afraid to keep on living
I am not afraid to walk this world alone
Honey, if you stay, I'll be forgiven
Nothing you can say can stop me going home**

Can you see my eyes are shining bright?
'Cause I'm out here on the other side
Of a jet black hotel mirror and I'm so weak
Is it hard understanding, I'm incomplete?
A love that's so demanding, I get weak

Chorus

These bright lights have always blinded me
These bright lights have always blinded me, I say

I see you lying next to me
With words I thought I'd never speak
Awake and unafraid, asleep or dead
'Cause I see you lying next to me
With words I thought I'd never speak
Awake and unafraid, asleep or dead
'Cause I see you lying next to me
With words I thought I'd never speak
Awake and unafraid, asleep or dead
'Cause I see you lying next to me
With words I thought I'd never speak
Awake and unafraid, asleep or dead

Chorus

My Chemical Romance - The Black Parade

When I was a young boy My father took me into the city to see a marching band
He said, "Son, when you grow up Would you be the savior of the broken
the beaten and the damned?"

He said, "Will you defeat them? Your demons, and all the non-believers
The plans that they have made?"

"Because one day, I'll leave you a phantom
To lead you in the summer To join the black parade"

When I was a young boy My father took me into the city to see a marching band
He said, "Son, when you grow up Would you be the savior of the broken
The beaten and the damned?"

Sometimes I get the feelin' She's watchin' over me
And other times I feel like I should go
And through it all, the rise and fall the bodies in the streets
And when you're gone, we want you all to know

Chorus:

**We'll carry on, we'll carry on
And though you're dead and gone, believe me
Your memory will carry on, We'll carry on
And in my heart, I can't contain it
The anthem won't explain it**

A world that sends you reelin'
From decimated dreams
Your misery and hate will kill us all
So paint it black and take it back
Let's shout it loud and clear
Defiant to the end, we hear the call

Chorus

Do or die, you'll never make me
Because the world will never take my heart
Go and try, you'll never break me
We want it all, we wanna play this part
I won't explain or say I'm sorry
I'm unashamed, I'm gonna show my scars
Give a cheer for all the broken
Listen here, because it's who we are
Just a man, I'm not a hero, Just a boy, who had to sing this song
Just a man, I'm not a hero, I don't care

Neil Diamond - Sweet Caroline

Where it began, I can't begin to knowing
But then I know it's growing strong
Was in the spring
And spring became the summer
Who'd have believed you'd come along

Hands, touching hands
Reaching out, touching me, touching you

Chorus:
Sweet Caroline
Good times never seemed so good
I've been inclined
To believe they never would
But now I

Look at the night and it don't seem so lonely
We filled it up with only two
And when I hurt
Hurting runs off my shoulders
How can I hurt when holding you

One, touching one
Reaching out, touching me, touching you

Chorus

Chorus

Nelly Furtado - All Good Things Come To An End

Honestly, what will become of me?
Don't like reality
It's way too clear to me
But really, life is dandy
We are what we don't see
We miss everything daydreaming

Chorus:

**Flames to dust, Lovers to friends
Why do all good things come to an end?
Flames to dust, Lovers to friends
Why do all good things come to an end?
Come to an end, come to an**

Traveling, I only stop at exits
Wondering if I'll stay (stay)
Young and restless
Living this way, I stress less
I want to pull away when the dream dies
The pain sets in, and I don't cry
I only feel gravity, and I wonder why

Well, the dogs were whistling a new tune
Barking at the new moon
Hoping it would come soon, so that they could
Dogs were whistling a new tune
Barking at the new moon
Hoping it would come soon, so that they could
Die, die, die, die

Chorus

Well, the dogs were barking at the new moon
Whistling a new tune
Hoping it would come soon
And the sun was wondering if it should
Stay away for a day
'Til the feeling went away
And the sky was falling
And the clouds were dropping
And the rain forgot how to bring salvation
The dogs were barking at the new moon
Whistling a new tune
Hoping it would come soon
So that they could die

Nico & Vinz - Am I Wrong

Am I wrong for thinking out the box from where I stay?
Am I wrong for saying that I'll choose another way?
I ain't trying to do what everybody else doing
Just cause everybody doing what they all do
If one thing I know, how far would I grow?
I'm walking down this road of mine, this road that I call home

Chorus:

**So am I wrong for thinking that we could be something for real?
Now am I wrong for trying to reach the things that I can't see?
But that's just how I feel, that's just how I feel
That's just how I feel trying to reach the things that I can't see**

Am I tripping for having a vision?
My prediction; I'mma be on the top of the world
Hope you, hope you don't look back, always do what you decide
Don't let them control your life, that's just how I feel
Fight for yours and don't let go, don't let them compare you, no
Don't worry, you're not alone, that's just how we feel

Chorus

If you tell me I'm wrong, wrong, I don't wanna be right, right
If you tell me I'm wrong, wrong, I don't wanna be right, right
If you tell me I'm wrong, wrong, I don't wanna be right, right
If you tell me I'm wrong, wrong, I don't wanna be right, right

Nirvana - Come As You Are

Come as you are, as you were
As I want you to be
As a friend, as a friend
As an old enemy

Take your time, hurry up
Choice is yours, don't be late
Take a rest as a friend
As an old

Chorus:
Memoria, memoria
Memoria, memoria

Come doused in mud, soaked in bleach
As I want you to be
As a trend, as a friend
As an old

Chorus

And I swear that I don't have a gun
No, I don't have a gun
No, I don't have a gun

Chorus

And I swear that I don't have a gun
No, I don't have a gun
No, I don't have a gun

Oasis - Don't look back in anger

Slip inside the eye of your mind
Don't you know you might find
A better place to play

You said that you'd never been
But all the things that you've seen
Slowly fade away

So I start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, summertime's in bloom

Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out

Chorus:

**And so Sally can wait, She knows it's too late
As we're walking on by
Her soul slides away, But don't look back in anger
I heard you say**

Take me to the place where you go
Where nobody knows
If it's night or day
But please don't put your life in the hands
Of a rock and roll band
Who'll throw it all away

So I start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, summertime's in bloom

Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out

Chorus (3x)

Oasis - Wonderwall

Today is gonna be the day that they're gonna throw it back to you
And by now, you should've somehow realised what you gotta do
I don't believe that anybody feels the way I do about you now

Backbeat, the word is on the street that the fire in your heart is out
I'm sure you've heard it all before, but you never really had a doubt
I don't believe that anybody feels the way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you, but I don't know how

Chorus:
Because maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

Today was gonna be the day, but they'll never throw it back to you
And by now, you should've somehow realised what you're not to do
I don't believe that anybody feels the way I do about you now

And all the roads that lead you there were winding
And all the lights that light the way are blinding
There are many things that I would like to say to you, but I don't know how

Chorus

Chorus

One Direction - What Makes You Beautiful

You're insecure, don't know what for
You're turnin' heads when you walk through the door
Don't need makeup to cover up
Bein' the way that you are is enough

Everyone else in the room can see it
Everyone else but you

Chorus:

**Baby, you light up my world like nobody else
The way that you flip your hair gets me overwhelmed
But when you smile at the ground, it ain't hard to tell
You don't know, oh-oh, you don't know you're beautiful**

**If only you saw what I can see
You'll understand why I want you so desperately
Right now I'm looking at you and I can't believe
You don't know, oh-oh, you don't know you're beautiful, oh-oh
That's what makes you beautiful**

So c-come on, you got it wrong
To prove I'm right, I put it in a song
I don't know why you're being shy
And turn away when I look into your eyes

Everyone else in the room can see it
Everyone else but you

Chorus

Chorus

OneRepublic - Counting Stars

Chorus:

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But baby, I've been, I've been praying hard
Said, "No more counting dollars, we'll be counting stars"
Yeah, we'll be counting stars

I see this life, like a swinging vine
Swing my heart across the line
And in my face is flashing signs
Seek it out and ye shall find

Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're told

I feel something so right
Doing the wrong thing
And I feel something so wrong
Doing the right thing
I couldn't lie, couldn't lie, couldn't lie
Everything that kills me makes me feel alive

Chorus

Chorus

I feel your love, and I feel it burn
Down this river, every turn
Hope is our four-letter word
Make that money, watch it burn

Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're told

And I feel something so wrong
Doing the right thing
I couldn't lie, couldn't lie, couldn't lie
Everything that drowns me makes me wanna fly

Chorus

Chorus

Chorus

Paolo Nutini - Last Request

Slow down, lie down
Remember it's just you and me
Don't sell out, bow out
Remember how this used to be

I just want you closer, is that alright?
Baby let's get closer, tonight

Chorus:

**Grant my last request and just let me hold you
Don't shrug your shoulders, lay down beside me
Sure I can accept that we're going nowhere
But one last time let's go there, lay down beside me, oh**

And I've found that I'm bound
To wander down that one-way road, oh
And I realized all about your lies
But I'm no wiser than the fool that I was before

I just want you closer, is that alright?
Baby let's get closer, tonight

Chorus

Baby, baby, baby
Tell me how can, how can this be wrong?

Chorus

Chorus

Passenger - Let Her Go

Chorus:

**Well you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go
And you let her go**

Staring at the bottom of your glass
Hoping one day you'll make a dream last
But dreams come slow and they go so fast
You see her when you close your eyes
Maybe one day you'll understand why
Everything you touch surely dies

Chorus

Staring at the ceiling in the dark
Same old empty feeling in your heart
'Cause love comes slow and it goes so fast
Well you see her when you fall asleep
But never to touch and never to keep
'Cause you loved her too much and you dive too deep

Chorus

Chorus

Chorus

Pink Floyd - Wish You Were Here

So, so you think you can tell Heaven from hell? Blue skies from pain? Can you tell a green field
From a cold steel rail? A smile from a veil? Do you think you can tell?

Did they get you to trade Your heroes for ghosts? Hot ashes for trees? Hot air for a cool breeze?
Cold comfort for change? Did you exchange A walk-on part in the war For a leading role in a
cage?

Chorus:

How I wish, how I wish you were here We're just two lost souls Swimming in a fish bowl Year
after year Running over the same old ground What have we found? The same old fears Wish you
were here

Chorus

Plain White T's - Hey There Delilah

Hey there, Delilah, What's it like in New York city?
I'm a thousand miles away, but, girl, tonight you look so pretty. Yes, you do
Time square can't shine as bright as you, I swear, it's true

Hey there, Delilah, Don't you worry about the distance
I'm right there if you get lonely
Give this song another listen, Close your eyes
Listen to my voice, it's my disguise, I'm by your side

Chorus:

**Oh, it's what you do to me
Oh, it's what you do to me
Oh, it's what you do to me
Oh, it's what you do to me
What you do to me**

Hey there, Delilah, I know times are gettin' hard
But just believe me, girl, Someday I'll pay the bills with this guitar, We'll have it good
We'll have the life we knew we would, My word is good

Hey there, Delilah, I've got so much left to say
If every simple song I wrote to you, Would take your breath away
I'd write it all
Even more in love with me you'd fall, We'd have it all

Chorus

A thousand miles seems pretty far, but they've got planes and trains and cars
I'd walk to you if I had no other way, our friends would all make fun of us
And we'll just laugh along because we know, That none of them have felt this way
Delilah, I can promise you that by the time we get through
The world will never ever be the same and you're to blame

Hey there, Delilah, You be good, and don't you miss me
Two more years and you'll be done with school
And I'll be makin' history like I do
You'll know it's all because of you
We can do whatever we want to
Hey there, Delilah, here's to you
This ones for you

Chorus

Radiohead - Creep

When you were here before
Couldn't look you in the eye
You're just like an angel
Your skin makes me cry
You float like a feather
In a beautiful world
I wish I was special
You're so fuckin' special

Chorus:

**But I'm a creep
I'm a weirdo
What the hell am I doin' here?
I don't belong here**

I don't care if it hurts
I wanna have control
I want a perfect body
I want a perfect soul
I want you to notice
When I'm not around
So fuckin' special
I wish I was special

Chorus

She's running out the door (run)
She's running out
She run, run, run, run
Run...

Whatever makes you happy
Whatever you want
You're so fuckin' special
I wish I was special

Chorus

Ray Charles - Hit The Road Jack

Chorus:

**Hit the road Jack and don't you come back
No more, no more, no more, no more
Hit the road Jack and don't you come back no more
What you say?
Hit the road Jack and don't you come back
No more, no more, no more, no more
Hit the road Jack and don't you come back no more**

Old woman, old woman, don't treat me so mean
You're the meanest old woman that I've ever seen
I guess if you said so
I'll have to pack my things and go (that's right)

Chorus

Now baby, listen baby, don't ya treat me this way
'Cause I'll be back on my feet some day
(Don't care if you do 'cause it's understood)
(You ain't got no money, you just ain't no good)
Well, I guess if you say so
I'll have to pack my things and go (that's right)

Chorus

Chorus

Reamonn - Star

Tell me if you got a problem, Tell me if it's in your way
Tell me if there's something bothering you, Tell me what should I say

You know I'd do almost anything, You know I'd change the world
You know I'd do almost anything, For my little girl

Tell me if you got a problem, Tell me now what's inside
Show me if your broke your heartstrings, You know you never need to hide

You know I'd do almost anything, You know I'd paint the sky
You know I'd do almost anything, For Your my guiding light

Chorus:

**You're my star, shining on me now
A love from world's apart
I need for you, You are my shining star
My star
Love grow us apart
For me, for you
You are my shining star**

Once upon a time a memory, Once upon a time a girl
Once upon a time a perfect life, Once upon a perfect world

You know I did most anything, You're my guardian light
You know I do most everything, To keep you in my life

Chorus

Just a memory
Every dream you see you and me
If I wish upon the stars
Well I hope that's where you are
When heaven turns you know you'll shine
You're in my heart for all time
When heaven turns you know you'll shine
In worlds of heart

Chorus

Red Hot Chili Peppers - Otherside

Chorus:

**How long, how long will I slide?
Separate my side, I don't
I don't believe it's bad
Slit my throat it's all I ever**

I heard your voice through a photograph
I thought it up and brought up the past
Once you know you can never go back
I gotta take it on the other side

Centuries are what it meant to me
A cemetery where I marry the sea
Stranger things could never change my mind
I gotta take it on the other side
Take it on the other side
Take it on, take it on

Chorus

Pour my life into a paper cup
The ashtray's full and I'm spillin' my guts
She wants to know, am I still a slut?
I've got to take it on the other side

A scarlet starlet and she's in my bed
A candidate for a soul mate bled
Push the trigger and pull the thread
I gotta take it on the other side
Take it on the other side
Take it on, Take it on

Chorus

Turn me on, take me for a hard ride
Burn me out, leave me on the other side
I yell and tell it that it's not my friend
I tear it down, I tear it down
And then it's born again

Chorus

Red Hot Chili Peppers - Under The Bridge

Sometimes I feel like I don't have a partner
Sometimes I feel like my only friend
Is the city I live in, the city of angels
Lonely as I am, together we cry

I drive on her streets 'cause she's my companion
I walk through her hills 'cause she knows who I am
She sees my good deeds and she kisses me windy
Well, I never worry, now that is a lie

Chorus:

**I don't ever wanna feel
Like I did that day
Take me to the place I love
Take me all the way
I don't ever wanna feel
Like I did that day
Take me to the place I love
Take me all the way
Yeah, yeah, yeah**

It's hard to believe that there's nobody out there
It's hard to believe that I'm all alone
At least I have her love, the city, she loves me
Lonely as I am, together we cry

Chorus

R.E.M. - Loosing My Religion

Oh life is bigger, It's bigger than you
And you are not me, The lengths that I will go to
The distance in your eyes, Oh no I've said too much
I set it up

That's me in the corner, That's me in the spotlight
Losing my religion, Trying to keep up with you
And I don't know if I can do it, Oh no I've said too much
I haven't said enough

Chorus:

I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

Every whisper, of every waking hour, I'm choosing my confessions
Trying to keep an eye on you, Like a hurt, lost and blinded fool, fool
Oh no I've said too much, I set it up

Consider this, Consider this the hint of the century
Consider this the slip, That brought me to my knees, failed
What if all these fantasies come Flailing around
Now I've said too much

Chorus

But that was just a dream
That was just a dream

That's me in the corner, That's me in the spot-light
Losing my religion, Trying to keep up with you
And I don't know if I can do it, Oh no I've said too much
I haven't said enough

Chorus

Rise Against - Hero of War

He said "Son, have you seen the world?
Well, what would you say if I said that you could?
"Just carry this gun, you'll even get paid"
I said "That sounds pretty good"
Black leather boots, Spit-shined so bright
They cut off my hair but it looked alright
We marched and we sang, We all became friends
As we learned how to fight

Chorus:

**A hero of war, yeah, that's what I'll be
And when I come home they'll be damn proud of me
I'll carry this flag to the grave if I must
'Cause it's a flag that I love and a flag that I trust**

I kicked in the door, I yelled my commands
The children, they cried, but I got my man
We took him away a bag over his face
From his family and his friends
They took off his clothes, they pissed in his hands
I told them to stop, but then I joined in
We beat him with guns and batons not just once
But again and again

Chorus

She walked through bullets and haze
I asked her to stop, I begged her to stay
But she pressed on, o I lifted my gun and I fired away
And the shells jumped through the smoke
And into the sand that the blood now had soaked
She collapsed with a flag in her hand, a flag white as snow

Chorus:

**A hero of war is that what they see
Just medals and scars, so damn proud of me
And I brought home that flag, now it gathers dust
But it's a flag that I love, it's the only flag I trust**

He said, "Son, have you seen the world?
Well what would you say, if I said that you could?"

Robbie Williams - Angels

I sit and wait
Does an angel contemplate my fate
And do they know
The places where we go
When we're grey and old
'Cause I have been told
That salvation lets their wings unfold

So when I'm lying in my bed
Thoughts running through my head
And I feel the love is dead
I'm loving angels instead

Chorus:

**And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
she won't forsake me
I'm loving angels instead**

When I'm feeling weak
And my pain walks down a one way street
I look above
And I know I'll always be blessed with love
And as the feeling grows
She breathes flesh to my bones
And when love is dead
I'm loving angels instead

Chorus

**Solo
Chorus**

Rosa Linn - Snap

It's 4 a.m., I can't turn my head off
Wishing these memories would fade, they never do
Turns out people lie
They said, "Just snap your fingers"
As if it was really that easy for me to get over you
I just need time

Chorus:

**Snapping one, two, where are you?
You're still in my heart
Snapping three, four, don't need you here anymore
Get out of my heart
'Cause I might snap**

I'm writing a song
Said, "This is the last one"
How many last songs are left? I'm losing count
Since June 22nd, my heart's been on fire
I've been spending my nights in the ring tryna put it out

Chorus

Chorus

And if one more person says, "You should get over it"
Oh, I might stop talking to people before I snap, snap, snap
Oh, I might stop talking to people before I snap

Chorus

Scorpions - Wind of Change

Follow the Moskva, Down to Gorky Park
Listening to the wind of change
An August summer night, Soldiers passing by
Listening to the wind of change

The world is closing in, Did you ever think
That we could be so close, like brothers
The future's in the air, Can feel it everywhere
Blowing with the wind of change

Chorus:

**Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change**

Walking down the street, Distant memories
Are buried in the past, forever
I follow the Moskva, Down to Gorky Park
Listening to the wind of change

Chorus

The wind of change
Blows straight into the face of time
Like a storm wind that will ring the freedom bell
For peace of mind
Let your balalaika sing
What my guitar wants to say

Chorus

Shakira - Waka Waka (This Time For Africa)

You're a good soldier, choosing your battles
Pick yourself up and dust yourself off, get back in the saddle
You're on the frontline, everyone's watching
You know it's serious, we're getting closer, this isn't over
The pressure's on, you feel it
But you got it all, believe it

Chorus:

**When you fall get up, oh, oh
And if you fall get up, eh, eh
Tsamina mina zangalewa 'cause this is Africa
Tsamina mina, eh, eh
Waka waka, eh, eh
Tsamina mina zangalewa
This time for Africa**

Listen to your God, this is our motto
Your time to shine, don't wait in line, y vamos por todo
People are raising their expectations
Go on and feed them, this is your moment, no hesitation
Today's your day, I feel it
You paved the way, believe it

Chorus

Chorus

Shawn Mendes - Stitches

I thought that I'd been hurt before
But no one's ever left me quite this sore
Your words cut deeper than a knife
Now I need someone to breathe me back to life

Got a feeling that I'm goin' under
But I know that I'll make it out alive
If I quit calling you my lover
And move on

Chorus:

**You watch me bleed until I can't breathe, shaking
Falling onto my knees
And now that I'm without your kisses
I'll be needin' stitches
Trippin' over myself, aching
Begging you to come help
And now that I'm without your kisses
I'll be needin' stitches**

Just like a moth drawn to a flame
Oh, you lured me in, I couldn't sense the pain
Your bitter heart, cold to the touch
Now I'm gonna reap what I sow
I'm left seein' red on my own

Got a feeling that I'm goin' under
But I know that I'll make it out alive
If I quit calling you my lover
And move on

Chorus

Chorus

Snow Patrol - Chasing Cars

We'll do it all
Everything
On our own

We don't need
Anything Or anyone

Chorus:
If I lay here
If I just lay here
Would you lie with me and just forget the world?

I don't quite know
How to say How I feel

Those three words
Are said too much
They're not enough

Chorus

Forget what we're told
Before we get too old
Show me a garden that's bursting into life

Let's waste time
Chasing cars Around our heads

I need your grace
To remind me to find my own

Chorus

Forget what we're told
Before we get too old
Show me a garden that's bursting into life

All that I am
All that I ever was
Is here in your perfect eyes, they're all I can see

I don't know where
Confused about how as well
Just know that these things will never change for us at all

Chorus

Soft Cell - Tainted Love

Sometimes I feel I've got to run away
I've got to get away
From the pain you drive into the heart of me
The love we share seems to go nowhere
And I've lost my life
For I toss and turn, I can't sleep at night

Chorus:

**Once I ran to you (I ran)
Now I run from you
This tainted love you've given
I give you all a boy could give you
Take my tears and that's not nearly all
Tainted love
Tainted love**

Now, I know I've got to run away
I've got to get away
You don't really want any more from me
To make things right you need someone to hold you tight
And you think love is to pray
But I'm sorry I don't pray that way

Chorus

Don't touch me, please, I cannot stand the way you tease
I love you though you hurt me so
Now I'm gonna pack my things and go
Tainted love (ohh)
Tainted love (ohh)
Tainted love (ohh)
Tainted love (ohh)
Touch me baby, tainted love
Touch me baby, tainted love
Tainted love (ohh)
Tainted love (ohh)
Tainted love

Sunrise Avenue - Hollywood Hills

Now this is not the time or the place for a broken hearted
'Cause this is the end of the rainbow
Where no one can be too sad
No, I don't wanna leave but I must keep moving ahead
'Cause my life belongs to the other side
Behind the great ocean's waves

Chorus 1:

**Bye bye Hollywood Hills
I'm gonna miss you where ever I go
I'm gonna come back to walk these streets again
Bye bye Hollywood Hills forever**

Thank you for the morning walks on the sweet sunset
And for the hot night moments
For the fantasy in my bed
I take part of you with me now and you won't get it back
And a part of me will stay here
You can keep it forever, dear

Chorus 2:

**Bye bye Hollywood Hills
I'm gonna miss you where ever I go
I'm gonna come back to walk these streets again
Remember that we had fun together
Bye bye rodeo girls
I'm gonna love you where ever I go
I'm gonna come back so we can play together
Bye bye Hollywood Hills forever**

Long distance love, does it work?
All the miles in between get in your head
No, I don't wanna go, I don't wanna go

Chorus 1

Chorus 2

Swedish House Mafia - Don't You Worry Child

There was a time
I used to look into my father's eyes
In a happy home
I was a king, I had a golden throne

Those days are gone
Now they're memories on the wall
I hear the songs from the places where I was born

Up on a hill across the blue lake
That's where I had my first heartbreak
I still remember how it all changed
My father said

Chorus:
Don't you worry, don't you worry, child
See heaven's got a plan for you
Don't you worry, don't you worry now
Yeah

There was a time
I met a girl of a different kind
We ruled the world
I thought I'd never lose her out of sight

We were so young
I think of her now and then
I still hear the songs reminding me of a friend

Up on a hill across the blue lake
That's where I had my first heartbreak
I still remember how it all changed
My father said

Chorus
See heaven's got a plan for you

Chorus

Taylor Swift - Shake It Off

I stay out too late
Got nothing in my brain
That's what people say, mm-mm
That's what people say, mm-mm

I go on too many dates
But I can't make 'em stay
At least that's what people say, mm-mm
That's what people say, mm-mm

But I keep cruisin'
Can't stop, won't stop movin'
It's like I got this music in my mind
Sayin' it's gonna be alright

Chorus:

**'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off (hoo-hoo-hoo)
Heartbreakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off (hoo-hoo-hoo)**

I never miss a beat
I'm lightnin' on my feet
And that's what they don't see, mm-mm
That's what they don't see, mm-mm

I'm dancin' on my own (dancin' on my own)
I make the moves up as I go (moves up as I go)
And that's what they don't know, mm-mm
That's what they don't know, mm-mm

But I keep cruisin'
Can't stop, won't stop groovin'
It's like I got this music in my mind
Sayin' it's gonna be alright

Chorus

The Animals - House Of The Rising Sun

Chorus:

**There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God I know I'm one**

Mother was a tailor, yeah, yeah
Sewed my Levi jeans
My father was a gamblin' man, yeah, yeah
Down, way down in New Orleans

Now the only thing a gamblin' man ever needs
Is a suitcase, Lord, and a trunk
And the only time a fool like him is satisfied
Is when he's all stone cold drunk

Chorus

O mother tell your children
Not to do what I have done
Spend your lives in sin and misery
In the house of the rising sun

Well I got one foot on the platform
The other foot on the train
I'm going back to New Orleans
To wear that ball and chain

Chorus

The Beatles - Let It Be

When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, Let it be

And in my hour of darkness, She is standing right in front of me
Speaking words of wisdom, Let it be

Chorus:

**Let it be, let it be, Let it be, let it be
Whisper words of wisdom, Let it be**

And when the brokenhearted people, Living in the world agree
There will be an answer, Let it be

For though they may be parted, there is still a chance that they will see
There will be an answer, Let it be

Chorus:

**Let it be, let it be, Let it be, let it be
Yeah, there will be an answer, Let it be**

**Let it be, let it be, Let it be, let it be
Whisper words of wisdom, Let it be**

And when the night is cloudy, there is still a light that shines on me
Shine on 'til tomorrow, Let it be

I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, Let it be, yeah

Chorus:

**Let it be, let it be, Let it be, yeah, let it be
Oh, there will be an answer, Let it be**

**Let it be, let it be, Let it be, yeah, let it be
Whisper words of wisdom, Let it be**

The Beatles - Yesterday

Yesterday

All my trouble seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

Suddenly

I'm not half the man I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly

Chorus:

**Why she had to go, I don't know
She wouldn't say
I said something wrong
Now I long for yesterday**

Yesterday

Love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Chorus:

Yesterday

Love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

The Calling - Wherever You Will Go

So lately, been wondering
Who will be there to take my place
When I'm gone, you'll need love
To light the shadows on your face
If a great wave shall fall
And fall upon us all
Then between the sand and stone
Could you make it on your own?

Chorus:

**If I could, then I would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will go**

And maybe, I'll find out
A way to make it back someday
To watch you, to guide you
Through the darkest of your days
If a great wave shall fall
And fall upon us all
Well then I hope there's someone out there
Who can bring me back to you

Chorus

Run away with my heart
Run away with my hope
Run away with my love

I know now, just quite how
My life and love might still go on
In your heart, in your mind
I'll stay with you for all of time

Chorus

If I could turn back time
I'll go wherever you will go
If I could make you mine
I'll go wherever you will go
I'll go wherever you will go

The Chainsmokers & Coldplay - Something Just Like This

I've been reading books of old, the legends and the myths
Achilles and his gold, Hercules and his gifts
Spider-Man's control and Batman with his fists
And clearly, I don't see myself upon that list

But she said, "Where d'you wanna go? How much you wanna risk?
I'm not looking for somebody with some superhuman gifts
Some superhero, some fairy tale bliss
Just something I can turn to, somebody I can kiss"

Chorus:

**I want something just like this
Doo-doo-doo, doo-doo-doo,
Doo-doo-doo, doo, doo
Doo-doo-doo, doo-doo-doo
Oh, I want something just like this
Doo-doo-doo, doo-doo-doo,
Doo-doo-doo, doo, doo
Doo-doo-doo, doo-doo-doo
Oh, I want something just like this
I want something just like this**

I've been reading books of old, the legends and the myths
The testaments they told, the moon and its eclipse
And Superman unrolls a suit before he lifts
But I'm not the kind of person that it fits

She said, "Where d'you wanna go? How much you wanna risk?
I'm not looking for somebody with some superhuman gifts
Some superhero, some fairy tale bliss
Just something I can turn to, somebody I can miss"

Chorus

Where d'you wanna go? How much you wanna risk?
I'm not looking for somebody with some superhuman gifts
Some superhero, some fairy tale bliss
Just something I can turn to, somebody I can kiss

Chorus

The Cranberries - Zombie

Another head hangs lowly
Child is slowly taken
And the violence caused such silence
Who are we mistaken?
But you see, it's not me
It's not my family
In your head, in your head, they are fighting
With their tanks and their bombs
And their bombs and their guns
In your head, in your head, they are crying

Chorus:

**In your head, in your head
Zombie, zombie, zombie-ie-ie
What's in your head, in your head?
Zombie, zombie, zombie-ie-ie-ie, oh**

Another mother's breaking
Heart is taking over
When the violence causes silence
We must be mistaken
It's the same old theme
Since nineteen-sixteen
In your head, in your head, they're still fighting
With their tanks and their bombs
And their bombs and their guns
In your head, in your head, they are dying

Chorus

The Eagles - Hotel California

On a dark desert highway, cool wind in my hair
Warm smell of colitas rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim, I had to stop for the night
There she stood in the doorway, I heard the mission bell
And I was thinkin' to myself, "This could be heaven or this could be hell"
Then she lit up a candle and she showed me the way
There were voices down the corridor, I thought I heard them say

Chorus:

**"Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (any time of year)
You can find it here"**

Her mind is Tiffany-twisted, she got the Mercedes-Benz, uh
She got a lot of pretty, pretty boys that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget
So I called up the Captain, "Please bring me my wine"
He said, "We haven't had that spirit here since 1969"
And still, those voices are calling from far away
Wake you up in the middle of the night just to hear them say

Chorus

Mirrors on the ceiling, the pink champagne on ice
And she said, "We are all just prisoners here of our own device"
And in the master's chambers, they gathered for the feast
They stab it with their steely knives, but they just can't kill the beast
Last thing I remember, I was running for the door
I had to find the passage back to the place I was before
"Relax," said the night man, "We are programmed to receive
You can check out any time you like, but you can never leave"

The Killers - Mr. Brightside

Coming out of my cage
And I've been doing just fine
Gotta gotta be down
Because I want it all
It started out with a kiss
How did it end up like this?
It was only a kiss, it was only a kiss
Now I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking a drag
Now they're going to bed
And my stomach is sick
And it's all in my head
But she's touching his

chest now
He takes off her dress now
Let me go
And I just can't look, it's killing me
And taking control

Chorus:

Jealousy, turning saints into the sea
Swimming through sick lullabies
Choking on your alibis
But it's just the price I pay
Destiny is calling me
Open up my eager eyes
'Cause I'm Mr. Brightside

Verse

Chorus

I never
I never
I never
I never

The Kooks - She Moves In Her Own Way

So at my show on Monday, I was hoping someday
You'd be on your way to better things
It's not about your make-up or how you try to shape up
To these tiresome paper dreams, paper dreams honey

So now you pour your heart out, you're tellin' me you're far out
Not about to lie down for your cause
But you don't pull my strings
'Cause I'm a better man
Movin' on to better things

Chorus:

**Well, uh-oh, oh, I love her because
She moves in her own way
Well, uh-oh, oh, she came to my show
Just to hear about my day**

And at the show on Tuesday, she was in her mindset
Tempered furs and spangled boots
Looks are deceiving, make me believe it
And these tiresome paper dreams, paper dreams honey, yeah

So won't you go far, tell me you're a keeper
Not about to lie down for your cause
But you don't pull my strings because
'Cause I'm a better man
Movin' on to better things

Chorus

Yes, I wish that we never made it
Through all the summers
And kept them up instead of
Kickin' us back down to the suburbs
Yes, I wish that we never made it
Through all the summers
We kept them up instead of
Kickin' us back down to the suburbs

Chorus

Chorus

The Last Goodnight - Pictures Of You

This is the clock upon the wall
This is the story of us all
This is the first sound of a newborn child
Before he starts to crawl

This is the war that's never won
This is a soldier and his gun
This is the mother waiting by the phone
Praying for her son

Chorus:

**Pictures of you, pictures of me
Hung upon your wall for the world to see
Pictures of you, pictures of me
Remind us all of what we used to be**

There is a drug that cures it all
Blocked by the governmental wall
We are the scientists inside the lab
Just waiting for the call
This earthquake weather has got me shakin'
Inside I'm high up and dry

Chorus

Confess to me every secret moment
Every stolen promise you believed
Confess to me all that lies between us
All that lies between you and me

We are the boxers in the ring
We are the bells that never sing
There is a title we can't win
No matter how hard we might, swing

Chorus

Chorus

The Proclaimers - 500 Miles

When I wake up, well I know I'm gonna be
I'm gonna be the man who wakes up next to you
When I go out, yeah I know I'm gonna be
I'm gonna be the man who goes along with you

If I get drunk, well I know I'm gonna be
I'm gonna be the man who gets drunk next to you
And if I haver, hey I know I'm gonna be
I'm gonna be the man who's havoring to you

Chorus:

**But I would walk 500 miles
And I would walk 500 more
Just to be the man who walks a thousand miles
To fall down at your door**

When I'm working, yes I know I'm gonna be
I'm gonna be the man who's working hard for you
And when the money comes in for the work I do
I'll pass almost every penny on to you

When I come home, oh I know I'm gonna be (When I come home)
I'm gonna be the man who comes back home to you
And if I grow old, well I know I'm gonna be
I'm gonna be the man who's growing old with you

Chorus

When I'm lonely, well I know I'm gonna be
I'm gonna be the man who's lonely without you
And when I'm dreaming, well I know I'm gonna dream
I'm gonna dream about the time when I'm with you

When I go out, well I know I'm gonna be (When I go out)
I'm gonna be the man who goes along with you
And when I come home, yes I know I'm gonna be (When I come home)
I'm gonna be the man who comes back home with you
I'm gonna be the man who's coming home with you

Chorus

Tones & I - Dance Monkey

They say oh my God I see the way you shine
Take your hand, my dear, and place them both in mine
You know you stopped me dead while I was passing by
And now I beg to see you dance just one more time
Ooh I see you, see you, see you every time
And oh my I, I, I like your style
You, you make me, make me, make me wanna cry
And now I beg to see you dance just one more time

Chorus:

So they say

**Dance for me, dance for me, dance for me, oh, oh, oh
I've never seen anybody do the things you do before
They say move for me, move for me, move for me, ay, ay, ay
And when you're done I'll make you do it all again**

I said oh my God I see you walking by
Take my hands, my dear, and look me in my eyes
Just like a monkey I've been dancing my whole life
But you just beg to see me dance just one more time
Ooh I see you, see you, see you every time
And oh my I, I like your style
You, you make me, make me, make me wanna cry
And now I beg to see you dance just one more time

Chorus

Chorus

Toploader - Dancing In The Moonlight

We get it almost every night
When that moon is big and bright
It's a supernatural delight
Everybody's dancing in the moonlight

Everybody here is out of sight
They don't bark and they don't bite
They keep things loose they keep it tight
Everybody's dancing in the moonlight

Chorus:

**Dancing in the moonlight
Everybody's feeling warm and bright
It's such a fine and natural sight
Everybody's dancing in the moonlight**

We like our fun and we never fight
You can't dance and stay uptight
It's a supernatural delight
Everybody was dancing in the moonlight

Chorus

We get in almost every night
And when that moon is big and bright
It's a supernatural delight
Everybody's dancing in the moonlight

Chorus

Toto - Africa

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in, 12:30 flight
The moonlit wings reflect the stars that guide me towards salvation
I stopped an old man along the way
Hoping to find some old forgotten words or ancient melodies
He turned to me as if to say
"Hurry boy, it's waiting there for you"

Chorus:

**It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had (ooh, ooh)**

The wild dogs cry out in the night
As they grow restless, longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become

Chorus

Hurry boy, she's waiting there for you

Chorus

Train - Drops of Jupiter

Now that she's back in the atmosphere
With drops of Jupiter in her hair, He-e-ey
She acts like summer and walks like rain
Reminds me that there's a time to change, He-e-ey
Since the return from her stay on the moon
She listens like spring and she talks like June, He-e-ey, He-e-ey

Chorus 1:

**But tell me, did you sail across the sun?
Did you make it to the Milky Way to see the lights all faded
And that Heaven is overrated?
Tell me, did you fall for a shooting star?
One without a permanent scar and did you miss me
While you were looking for yourself out there?**

Now that she's back from that soul vacation
Tracing her way through the constellation, He-e-ey
She checks out Mozart while she does Tae-Bo
Reminds me that there's room to grow, He-e-ey
Now that she's back in the atmosphere, I'm afraid that she might think of me as
Plain ol' Jane told a story about a man, Who was too afraid to fly so he never did land

Chorus 2:

**And tell me, did the wind sweep you off your feet?
Did you finally get the chance to dance along the light of day
And head back to the Milky Way?
And tell me, did Venus blow your mind?
Was it everything you wanted to find? And then you miss me
While you were looking for yourself out there**

Can you imagine no love, pride, deep-fried chicken
Your best friend always sticking up for you
Even when I know you're wrong?
Can you imagine no first dance Freeze-dried romance
Five-hour phone conversation
The best soy latte that you ever had and me?

Chorus 1 & 2

Train - Hey Soul Sister

Your lipstick stains,
On the front lobe of my left side brains.
I knew I wouldn't forget ya,
And so I went and let you blow my mind.

Your sweet moon-beam!
The smell of you in every single dream I dream.
I knew when we collided,
You're the one I have decided,
Who's one of my kind.

Chorus:
Hey, Soul Sister,
ain't that Mr. Mister on the radio, stereo?
The way you move ain't fair you know!
Hey, Soul Sister,
I don't wanna miss a single thing you do
Tonight!

Just in time
I'm so glad you have a one track mind like me
You gave my life direction
A game show love connection we can't deny

I'm so obsessed
My heart is bound to beat right out of my untrimmed chest
I believe in you, like a virgin you're madonna
And I'm always gonna wanna blow your mind

Chorus

The way you can cut a rug
Watching you is the only drug I need
So gangsta, I'm so thug
You're the only one I'm dreaming of
You see, I can be myself now finally
In fact, there's nothing I can't be
I want the world to see
You'll be with me

Chorus

Uncle Kracker - Follow Me

You don't know how you met me
You don't know why
You can't turn around
And say goodbye
All you know is when I'm with you
I make you free
And swim through your veins
Like a fish in the sea

Chorus:

**I'm singin' follow me
Everything is alright
I'll be the one to tuck you in at night
And if you want to leave I can guarantee
You won't find nobody else like me**

I'm not worried
'Bout the ring you wear
'Cause as long as no one knows
Then nobody can care
You're feelin' guilty
And I'm well aware
But you don't look ashamed
And baby I'm not scared

Chorus

Won't give you money
I can't give you the sky
You're better off if you don't ask why
I'm not the reason that you go astray
We'll be alright
If you don't ask me to stay

Chorus

You don't know how you met me, You don't know why
You can't turn around and say goodbye
All you know is when I'm with you I make you free
And swim through your veins Like a fish in the sea

Chorus

U2 - With or Without You

See the stone set in your eyes
See the thorn twist in your side
I'll wait for you
Sleight of hand and twist of fate
On a bed of nails, she makes me wait
And I wait without you

Chorus:
With or without you
With or without you
I can't live
With or without you

Through the storm, we reach the shore
You give it all but I want more
And I'm waiting for you

Chorus

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

My hands are tied
My body bruised, she got me with
Nothing to win and
Nothing left to lose

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

Chorus

Vance Joy - Riptide

I was scared of dentists and the dark
I was scared of pretty girls and starting conversations
Oh, all my friends are turning green
You're the magician's assistant in their dream
Ah-ooh-ooh-ooh, ah-ahh-ah-ah
And they come unstuck

Chorus:

**Lady, running down to the riptide
Taken away to the dark side
I wanna be your left hand man
I love you when you're singing that song
And I got a lump in my throat
'Cause you're gonna sing the words wrong**

There's this movie that I think you'll like
This guy decides to quit his job and heads to New York City
This cowboy's running from himself
And she's been living on the highest shelf
Ah-ooh-ooh-ooh, ah-ahh-oh
And they come unstuck

Chorus

I just wanna, I just wanna know
If you're gonna, if you're gonna stay
I just gotta, I just gotta know
I can't have it, I can't have it any other way
I swear she's destined for the screen
Closest thing to Michelle Pfeiffer that you've ever seen, oh

Chorus

Chorus

Chorus

Walk The Moon - Shut Up And Dance

Chorus:

Oh don't you dare look back
Just keep your eyes on me
I said you're holding
She said shut up and dance with me
This woman is my destiny
She said oh oh oh
Shut up and dance with me

We were victims of the night
The chemical, physical, kryptonite
Helpless to the bass and the fading light
Oh we were bound to get together
Bound to get together
She took my arm
I don't know how it happened
We took the floor and she said

Chorus

A backless dress and some beat up sneaks
My discotheque Juliet teenage dream
I felt it in my chest as she looked at me
I knew we were bound to be together
Bound to be together
She took my arm
I don't know how it happened
We took the floor and she said

Chorus

Deep in her eyes
I think I see the future
I realize this is my last chance
She took my arm
I don't know how it happened
We took the floor and she said

Chorus:

Chorus:

German Songs

Adel Tawil - Lieder

Ich ging wie ein Ägypter, hab' mit Tauben geweint
War ein Voodoo-Kind, wie ein rollender Stein
Im Dornenwald sang Maria für mich
Ich starb in deinen Armen, Bochum '84
Ich ließ die Sonne nie untergeh'n in meiner wundervoll'n Welt

Chorus:

**Und ich singe diese Lieder
Tanz' mit Tränen in den Augen
Bowie war für'n Tag mein Held
Und EMF kann es nicht glauben
Und ich steh' im lila Regen
Ich will ein Feuerstarter sein
Whitney wird mich immer lieben
Und Michael lässt mich nicht allein**

Ich war willkommen im Dschungel und fremd im eigenen Land
Mein persönlicher Jesus und im Gehirn total krank
Und ich frage mich: Wann werd' ich, werd' ich berühmt sein
So wie Rio, mein König für die Ewigkeit?
Ich war am Ende der Straße angelangt
War ein Verlierer, Baby, doch dann
Hielt ich ein Cover in der Hand
Darauf ein Mönch, der in Flammen stand
Kurt Cobain sagte mir, ich soll kommen, wie ich bin

Chorus

Ich war einer von fünf Jungs, „One Minute“ aus, dann war's vorbei
Ich sang nur noch für mich, für 'ne unendlich lange Zeit
Dann traf ich auf sie und sie erinnerte mich
Wir waren Welten entfernt und doch vom selben Stern

Ich ging wie ein Ägypter, hab' mit Tauben geweint
War ein Voodoo-Kind, wie ein rollender Stein
Ich ließ die Sonne nie untergeh'n in meiner wundervoll'n Welt

Chorus

Andreas Bourani - Auf uns

Wer friert uns diesen Moment ein
Besser kann es nicht sein
Denkt an die Tage, die hinter uns liegen
Wie lang wir Freude und Tränen schon teilen
Hier geht jeder für jeden durch's Feuer
Im Regen stehen wir niemals allein
Und solange unsere Herzen uns steuern
Wird das auch immer so sein

Chorus:

**Ein Hoch auf das, was vor uns liegt
Dass es das Beste für uns gibt
Ein Hoch auf das, was uns vereint
Auf diese Zeit (auf diese Zeit)
Ein Hoch auf uns (uns)
Auf dieses Leben
Auf den Moment
Der immer bleibt
Ein Hoch auf uns (uns)
Auf jetzt und ewig
Auf einen Tag
Unendlichkeit**

Wir haben Flügel, schwören uns ewige Treue
Vergolden uns diesen Tag
(One Love) Ein Leben lang ohne Reue
Vom ersten Schritt bis ins Grab

Chorus

Ein Feuerwerk aus Endorphinen
Ein Feuerwerk zieht durch die Nacht
So viele Lichter sind geblieben
Ein Augenblick, der uns unsterblich macht
Unsterblich macht

Chorus

AnnenMayKantereit - Ausgehen

Ich weiß gar nicht so genau
Warum ich sie so gerne mag
Ich glaub', ich mag die Art
Deswegen hab' ich sie gefragt

Chorus:

**Würdest du heute mit mir ausgehen?
Ich würd dich auch nach Haus bringen
Ich weiß, du musst früh aufstehen
Würdest du trotzdem mit mir ausgehen?**

Ich glaub', ich mag die Art
Dass sie immer am Start ist
Wenn jemand was sagt, was
Ihr nicht gefällt
Da-da-da-da-da
Ich glaube auf der Welt
Gibt es nicht viele
Mit so großen Zielen
Deswegen hab' ich sie gefragt

Chorus

Chorus

Verdammt, ich mag die Art (verdammt, ich mag die Art)
Sie ist einfach da (sie ist einfach da)
Und naja (naja)
Zum Glück hab' ich sie gefragt

AnnenMayKantereit - Pocahontas

An der Haltestelle stehen und es tut Weh,
dich schon wieder so wiederzusehen
Und es tut weh, dass wir gleich wieder gehen

Und es tut weh, dass man sich nur sieht
Weil bei mir soviel Zeug von dir Rumliegt,
das ich nicht mehr ertrage

Ich halt dich nicht fest
Und lass dich nicht los
Du gibst mir den Rest
Die Tasche ist groß

Chorus:

**Es tut mir leid Pocahontas
Ich hoffe, du weißt das
Es tut mir leid Pocahontas
Ich hoffe, du weißt das**

Eigentlich sind wir viel zu lange zusammen, um jetzt damit aufzuhören
Aber das ist 'n verdammt beschissener Grund

Und mir ist nicht egal Wie gut du mich kennst
Und mir ist nicht egal Wie du mich nennst
Und mir ist nicht egal Wo du grade pennst

Chorus:

Tut mir so leid Pocahontas
Pocahontas
Pocahontas
Pocahontas

Chorus:

Ich halt dich nicht fest
Und lass dich nicht los
Ich halt dich nicht fest

AnnenMayKantereit - Tommi

Tommi, ich glaub' ich hab' Heimweh
Ich will mal wieder am Rhein stehen
Einfach hineinsehen
Zuschauen wie Schiffe vorbeiziehen

Tommi, ich glaub ich hab' Heimweh
Vielleicht liegt es am Licht
Und wie's sich gerade bricht
Oder daran, dass man
Hier in der Bahn die Spree sehen kann

Tommi, vielleicht ruf' ich an
Damit du sagst: „Irgendwann, irgendwann, irgendwann
Fangen wir hier zum letzten Mal von Vorne an“

Chorus:

**Da wo man zusammen groß geworden sind
Da ziehen wir alle irgendwann wieder hin
Damit die Kinder, die wir kriegen können
Alle in Kölle geboren sind
Da wo man zusammen groß geworden sind
Da ziehen wir alle irgendwann wieder hin
Damit die Kinder, die wir kriegen können
Alle in Kölle geboren sind
Geboren sind, Geboren sind**

In der Stadt in der wir jung und dumm waren
Und unverwundbar, weil alles so bunt war
Und es war immer klar, irgendwann kommt der Tag
An dem wir beide gehen

Wir wollten immer was sehen
So viel wie es geht und überall auf der Welt
Alle Wege führen nach Rom und irgendwann zurück nach Köln

Chorus

Ich glaub ich hab' Heimweh
Tommi, ich will am Rhein stehen
Einfach hineinsehen
Kaltgetränk und einen drehen

Chorus

Bosse - Schönste Zeit

Es gab nur dich und mich da draußen
Große Felder und Seen doch vielmehr nicht
Es war 1994 und wir wussten nicht wohin
Also gingen wir in dein Bett
Und wir teilten uns unseren Walkman
Das erste Bier, mein Mofa und den Frust
Im Nachtbusfenster der Mond
Der erste Kuss war Erdbeerbowle und Spucke
Wie ein Polaroid im Regen, leicht verschwommen

Chorus:

**Das war die schönste Zeit, weil alles dort begann
Und Berlin war wie New York, ein meilenweit entfernter Ort
Und deine Tränen waren Kajal
An dem Tag als Kurt Cobain starb lagst du in meinen Armen
Das war die schönste Zeit, weil alles dort begann**

Dein erstes Tattoo war dann der Refrain
„It's better to burn out than to fade away, my my, hey hey“
Und ich kaufte mir 'n Neil Young- und Nirvana-Shirt
Als du später wegzogst brach ich heimlich zusammen Ich spielte unentwegt Gitarre
Heute auf Papier, du warst ein Polaroid im Regen und mein erstes Lied

Chorus

Was wir nicht können ist irgendwas wiederholen
Kein Augenblick kein Moment Kann sich je wiederholen
Was wir nicht können Ist irgendwas wiederholen
Wir können nicht zurück Und warum sollten wir auch?

Chorus

Oh whatever nevemind, hab' letzte Nacht von dir geträumt
Und von der schönsten Zeit, da wo alles begann

Cro - Einmal um die Welt

Chorus:

**Baby, bitte mach dir nie mehr Sorgen um Geld
Gib mir nur deine Hand, ich kauf' dir morgen die Welt
Egal, wohin du willst, wir fliegen um die Welt
Hau'n sofort wieder ab, wenn es dir hier nicht gefällt**

Ost, West oder Nord, hab' den Jackpot an Bord
Will von hier über London direkt nach New York
Denn ab heute leb' ich jeden Tag, als ob ich morgen tot wäre
Laufe durch den Park und werf' mit Geld, als ob es Brot wäre
Nur noch Kaviar, Champagner oder Schampus
Baby, ich erfüll' dir wirklich jeden Wunsch mit Handkuss
Frühstück in Paris und danach joggen auf Hawaii
Und um das Ganze noch zu toppen, geh'n wir shoppen in L.A. (Wouh)

Also pack dir deine Zahnbürste ein
Denn ab heute bist du mehr als an nur einem Ort daheim
Mit meinem Babe in der Hand und 'nem Safe an der Wand
Könn'n wir tun, was wir woll'n, und das Leben ist noch lang, also komm

Chorus

Sie will Kreditkarten und meinen Mietwagen
Sie will Designerschuhe und davon ganz schön viel haben
Manolo Blahnik, Prada, Gucci und Lacoste
Kein Problem, dann kauf' ich halt für deine Schuhe gleich ein ganzes Schloss
Sie will in Geld baden, und sie will Pelz tragen
Und sie will schnell fahren, einmal um die Welt fahr'n
Sie kann sich kaufen, was sie wollte, doch nie hatte
Denn ich hab' jetzt die American Express, und zwar die schwarze, also komm

Chorus

Chorus

Culcha Candela - Hamma

**Du bist hamma! Wie du dich bewegst in dei'm Outfit
Hamma! Einzigartig, unglaublich
Hamma! Du weißt, dass du übertrieben
Hamma bist! Warum bist du nicht geblieben?**

Ich guck' rüber und du stehst an der Bar mit'm Sektglas in der Hand – wunderbar
Ich musste einfach hinseh'n, hingeh'n, auf 'ner Skala bist du nicht drauf – zu schön
Ich kämpf' mein'n Weg durch zu dir, denn ich weiß, ich will nur zu dir
Doch als ich dann da war, du und dein Sekt. Oh Shit! Ihr wart schon weg ...

Chorus

Ich find's hamma dass du nicht so viel Scheiße laberst wie die andern
Die sich auf den Partys immer nur an mein'n Arsch klammern
Und sich dann mit Cocktails das Leben süß schlabbern
Ne, du bist irgendwie anders, du bist einfach
H-A-Doppel-M-E-R – hammer, yeah! Außer dir und Mama gibt es keine mehr
Komm mal näher, ma chère, noch viel, viel näher, wegen dir werd' ich Tier, Tiger, hin und her
Du bist hamma. Denn du bist kaum gestylt und versprühst trotzdem Glamour
Hab' dich nur einmal angesehen, schon hat's bei mir gedämmert
Viel zu viele Jahre hab' ich ohne dich schon verplempert, Un dit wird jetzt jeändert!
Du bist 'ne sweete Cutie, hast 'n dicken Booty
Ich führ' dich aus, lad' dich ein, nehm' dich mit zu Muddi
Du bist ein Mix aus Studi und Gheddo, ich sing dein'n Namen: pretty projelo

Chorus

Ich werd' deine Nummer wieder wählen, denn die Nacht war mir zu kurz
Ich komme, um dir deine Zeit zu stehlen, unsre Nacht war viel zu kurz
Wir könn'n einfach nur zusammen sein und uns anseh'n
Und vielleicht schließen wir die Tür und dann wird es abgeh'n (Right!)
Denn, Gyal, du bist der Hammer und ich will dich ma' schwing'n
Denn so, wie du mich anmachst, kann ich dir nicht widersteh'n
Wie wär's, wenn wir woanders so'n kleinet Ding dreh'n?
Und wat da so bei rauskommt, na, dat werd' ma ma' seh'n
Denn allet, wat wa woll'n, is'n kleinet bisschen Spaß
Und komm' wa da ins Roll'n, geb'n wa'n klein bisschen Gas
Da geh'ma in die Voll'n, denn wir sind ja nicht aus Glas
Also komm' vorbei, Girl, denn sonst hast du was verpasst

Chorus

Das Lumpenpack - Eva P.

Irgendwann wird sie in einer Kneipe sitzen
Irgendwann tritt er spontan an sie heran
Er wird rot dabei, die Hände werden schwitzen
Er spricht eigentlich sonst niemals Frauen an

Aber sie fiel ihm heut' Nacht direkt ins Auge
Wie sie da mit ihrer Apfelschorle saß
Obwohl er nicht ans Schicksal glaube
Hat er sich direkt ein Herz gefasst

Sie wird vermutlich ganz verlegen grinsen
Weil ihr sowas nicht allzu oft passiert
Sie tauschen Nummern aus und später wird er simsen
Ihr Gespräch hätte ihn wirklich inspiriert

Es folgen stundenlang Telefonate
Die Wellenlänge stimmt. Es hat gefunkt
Sie treffen sich auf Kuchen und Club Mate
Sie sind hip, sie sind verliebt und noch so jung

Sie küssen sich zum Abschied auf die Wange
Beim zweiten Date ist es schon der Mund
Es dauert sicher nicht mehr lange
Dann wird sie ihn beim Abschied fragen: "Und

Kommst du noch auf einen Kaffee hoch?"
Oder auf ein andres Alibigetränk
Und er wird sagen: "Sicher, gerne doch."
Bis er das Schild sieht, das an ihrer Türe hängt

Das selbstgemachte Schild aus Terracotta
Hängt direkt unter'm Türspion
Verrät in kobaltblauen Lettern
Dass hier eine Eva Petry wohnt

Chorus:

Eva Petry, Ich hoffe, dein Vater macht Musik
Eva Petry, Lieber schlechter Schlager als beschissene Politik
Eva Petry, Man muss nich' wie seine Eltern werden
Doch ganz ehrlich, ich glaube nicht daran
Eva Petry, Wo ein Apfel fällt, steht immer auch ein Stamm

Er will die ganze Sache sehr subtil klär'n
Er fällt nicht gerne mit der Tür ins Haus
"Wie wär's, " fragt er, "woll'n wir nicht Musik hör'n?"
Und sie legt eine Wagner Oper auf

Als sie sagt, dass sie berühmte Eltern habe
Antwortet er dann wär' das Treffen eine Ehre
Und muss schlucken als sie sagt, dass ohne Frage
Das auch für sie ein innerer Reichsparteitag wäre

Er zeigt auf das Bild von Charlie Chaplin
Sagt, dass er die Filme auch ganz gerne schaut
Sie zwinkert und erwidert: "Filme?
Der Typ hat Autobahnen gebaut."

Chorus

Die Geschichte hier entsteht nur in Gedanken
Die Gedanken hat ein schüchterner junger Mann
Der seit geraumer Zeit schon zu sich sagt:
"Geh zu ihr rüber und sprich sie einfach an."

Doch im Kopf noch immer die Was-wäre-wenns
Die Abers, die Obachts, die Vielleichts
Die letztendlich wieder dafür sorgen
Dass er auch heute Nacht alleine bleibt

Und am Tresen gegenüber da sitzt Eva
Eva Peters trinkt den Apfelsaft allein
Es scheitert mit den Männern immer spätestens dann
Wenn sie fragt: "Kommst du noch mit rein?"

Chorus:

Eva Peters, bleibt allein in jeder Nacht
Eva Peters, hättest du nur einen Töpferkurs gemacht
Eva Peters, Ganz ehrlich, das Schild an deiner Tür das kann doch wirklich keiner lesen
Eva Peters, Fällt der Apfelsaft vom Tresen

Das Lumpenpack - Guacamole

Die Musik ist nicht mehr gut, Sie ist nicht mal mehr zu laut
Zieh' die Schuhe bitte aus sonst ist der Flur direkt versaut
Und jetzt steh' ich da mit einem Glas in meiner Hand
Und es ist kein ausgespültes altes Senfglas
Kein Rumstehen im Flur, Vor dem Klo keine Schlange
Man pinkelt im Sitzen, Kein Bier in der Wanne
Es wird viel, viel weniger geknutscht
Ich glaube, es wird gar nicht mehr geknutscht

Chorus:

Ja ich komme in ein Alter da bringt man Salat mit
Oder einen Weißwein oder ein leckeres Dessert
Ich glaub' ich mache Panna Cotta oder Tomate-Mozzarella

Wobei Tomate-Mozzarella macht ja immer irgendwer

Alles voll Designermöbel, es sieht aus wie in 'nem Raumschiff
Man schenkt sich heute Bücher, Schnaps von Aldi reicht nicht
Jetzt steh' ich da mit meinem bestrichenen Brot
Doch zumindest ist der Aufstrich glutenfrei
Es raucht keiner mehr, alle leben gesund
Man kauft sich ein Kind oder zeugt einen Hund
Und alle sprechen über diesen einen finnischen Autoren
Keiner feiert mehr das Dschungelcamp

Chorus:

Ich komme in ein Alter, da bringt man Salat mit
Oder einen Weißwein oder ein leckeres Dessert
Ich glaub' ich mach' Tiramisu oder 'ne Guacamole
Wobei, so 'ne Guacamole ist ja gar nicht laktosefrei
Verdammt, das vergess' ich jedes mal

Puh, schon so spät, Ich muss jetzt nach haus'
Ich trinke noch schnell meine Rotweinschorle aus
Die mir früher ehrlich gesagt auch mal besser geschmeckt hat
Aus dem Senfglas und als sie noch aus Bier war
Man tuppert die Reste zum Mitnehmen ein
Man tauscht noch Rezepte Man dankt für den Wein
Und dann geht man und guckt heimlich
Die Wiederholung vom Dschungelcamp in der Mediathek

Chorus:

Denn ich bin in einem Alter, in das ich niemals kommen wollte
Doch jetzt, wo ich schon mal da bin findet ihr mich am Buffet
Ich versteh' nichts von Autoren, ich sprech' nicht mal Finnisch
Aber die Guacamole, die schmeckt tatsächlich ganz okay

Das Lumpenpack - Miriam

Miriam schreit, Miriam weint, Miriam stürmt, beide Fäuste geballt
Hoch in ihr Zimmer, dort auf ihr Bett, Knallende Türen
begleiten den Weg und selbst ihre BFF kann sie heut' nicht verstehen
Die Welt ist gemein, die Menschen schlecht, sie will heute niemand mehr sehen
Und Muttis Mascara verläuft auf Zornes geröteter Wange
Ddie weißen Zähne gefletscht hinter der obligatorischen Spange
Sie will endlich mal länger als nur bist halb zehn
Stefanies Mama hat da auch kein Problem
Das ist echt voll peinlich als Erste zu gehen. Einmal dazugehören, das wäre schön

Chorus:

**Mi-Mi-Mi-Mi-Mi-Miriam, spar' jede Träne
Das sind keine Probleme, so lang'
Dich ein Film mit Matthias Schweighöfer noch aufheitern kann**

Und Miriam trampelt, Miriam tobt
Sie hat dieses Stück schon so häufig geprobt
Sie macht richtig viel Lärm, damit Mama es hört
Und wenn die dann klopfen kommt wird ignoriert
Die werden schon sehen, was sie davon haben
Sie isst heu't bestimmt nicht mit denen zu Abend
Fick' die Kartoffel! Fick' den Spinat! Ab nächsten Sommer aufs Internat
Das Zimmer bei Mama ist kein Hotel, Viel mehr ein Gefängnis, die Gitter pastell
Der Blick in den Garten, sie kann's nicht mehr sehen, all dieser Rasen und sie muss ihn mähen

Chorus

Doch ganz ehrlich, Miriam, Es steht noch so vieles an
So viele Handys, die du nicht gekauft kriegst, So viele Dinge, nur unter Aufsicht
So viele Schwindel, bei denen du auffliegst
Den Boy deiner Träume, den wirst du finden und Miriam glaub' mir, die Pickel verschwinden
Pastellfarbene Wände kann man überstreichen, aber kein tätowiertes chinesisches Zeichen
So manch ein Verbot wird dich irgendwann freuen
Auch wenn im Moment nichts hilft außer schmollen
Schau' schnulzige Filme, weine ein bisschen
Iss drei Pötte Eiscreme, Schoko und Chips
Denn wir verraten dir eines, Spoiler Alert
Dass es nie wieder einfacher wird, denn
Eines Tages, Baby, werden wir alt sein und über die Probleme lachen,
von denen wir einst dachten, sie niemals lösen zu können

Chorus

Die Ärzte - 1/2 Lovesong

Ich weiß, du wirst mich vermissen
Auch wenn du jetzt gehen musst
Keine Geigen mehr, wenn wir uns küssen
Ich hab' es einfach nicht gewusst

Chorus:

**Ich hoff', meine Worte machen es nicht noch schlimmer
Vergiss' nur einmal deinen Stolz
Ich weiß du liebst mich noch immer
Soll es das gewesen sein? (wie im Lovesong)
Fällt uns denn keine Lösung ein? (wie im Lovesong)
Die Möglichkeit ist viel zu klein (für 'n Lovesong)
Doch ich liebe nur dich allein**

Vieles ist zur Gewohnheit verkommen
Doch das ist immer die Gefahr
Routine hat ihren Platz eingenommen
Bis es nicht mehr auszuhalten war

Chorus

Love, love, love, Love, love, love
Love, love, love, Love, love, love
Love, love, love, Love, love, love

Ich weiß du wirst mich vermissen
Ich vermisse dich schon jetzt
Ich vermiss' auch die Geigen
Vermis' dich zu küssen
Nichts auf dieser Welt, was dich ersetzt

Die Ärzte - Junge

Junge, warum hast du nichts gelernt?
Guck dir den Dieter an, der hat sogar ein Auto
Warum gehst du nicht zu Onkel Werner in die Werkstatt?
Der gibt dir 'ne Festanstellung, wenn du ihn darum bittest

Chorus:

Junge

**Und wie du wieder aussiehst, Löcher in der Hose
Und ständig dieser Lärm
(Was sollen die Nachbarn sagen?)
Und dann noch deine Haare, da fehlen mir die Worte
Musst du die denn färben?
(Was sollen die Nachbarn sagen?)
Nie kommst du nach Hause, wir wissen nicht mehr weiter**

Junge, brich deiner Mutter nicht das Herz
Es ist noch nicht zu spät, dich an der Uni einzuschreiben
Du hast dich doch früher so für Tiere interessiert,
Wäre das nichts für dich, eine eigene Praxis?

Junge

Und wie du wieder aussiehst, Löcher in der Nase
Und ständig dieser Lärm
(Was sollen die Nachbarn sagen?)
Elektrische Gitarren und immer diese Texte
Das will doch keiner hören
(Was sollen die Nachbarn sagen?)
Nie kommst du nach Hause, soviel schlechter Umgang
Wir werden dich enterben
(Was soll das Finanzamt sagen?)
Wo soll das alles enden, wir machen uns doch Sorgen
Und immer deine Freunde, ihr nehmt doch alle Drogen
Und ständig dieser Lärm
(Was sollen die Nachbarn sagen?)
Denk an deine Zukunft, denk an deine Eltern
Willst du dass wir sterben?

Die Ärzte - Schrei nach Liebe

Du bist wirklich saudumm, darum gehts dir gut
Hass ist deine Attitüde, ständig kocht dein Blut
Alles muss man dir erklären, weil du wirklich gar nichts weißt
Höchstwahrscheinlich nicht einmal, was Attitüde heißt

Chorus:

**Deine Gewalt ist nur ein stummer Schrei nach Liebe
Deine Springerstiefel sehnen sich nach Zärtlichkeit
Du hast nie gelernt dich zu artikulieren
Und deine Eltern hatten niemals für dich Zeit (Ohoho) Arschloch!**

Warum hast du Angst vorm Streicheln? Was soll all der Terz?
Unterm Lorbeerkrantz mit Eichel, weiß ich, schlägt ein Herz
Und Romantik ist für dich nicht bloß graue Theorie
Zwischen Störkraft und den Onkelz steht 'ne Kuschelrock-LP

Chorus

Weil du Probleme hast, die keinen interessieren Weil du Schiss vorm Schmusen hast, bist du ein
Faschist Du musst deinen Selbsthass nicht auf andere projizieren Damit keiner merkt, was für ein
lieber Kerl du bist

Chorus:

**Deine Gewalt ist nur ein stummer Schrei nach Liebe
Deine Springerstiefel sehnen sich nach Zärtlichkeit
Du hast nie gelernt dich zu artikulieren
Und deine Eltern hatten niemals für dich Zeit (Ohoho) Arschloch! Arschloch! Arschloch!**

Die Ärzte - Westerland

Jeden Tag sitz' ich am Wannsee
Und ich hör' den Wellen zu
Ich lieg' hier auf meinem Handtuch
Doch ich finde keine Ruh'

Diese eine Liebe wird nie zu ende gehen
Wann werd' ich sie wiedersehen?

Manchmal schließe ich die Augen
Stell' mir vor ich sitz' am Meer
Dann denk' ich an diese Insel
Und mein Herz das wird so schwer

Diese eine Liebe wird nie zu Ende gehen
Wann werd' ich sie wiedersehen?

Chorus:

**Oh ich hab' solche Sehnsucht
Ich verliere den Verstand
Ich will wieder an die Nordsee
Ich will zurück nach Westerland**

Wie oft stand ich schon am Ufer
Wie oft sprang ich in die Spree?
Wie oft mussten sie mich retten
Damit ich nicht untergeh'?

Diese eine Liebe wird nie zu ende gehen
Wann werd' ich sie wiedersehen?

Chorus

Es ist zwar etwas teurer
Dafür ist man unter sich
Und ich weiß jeder Zweite hier
Ist genauso blöd wie ich

Chorus

Die Prinzen - Das ist alles nur geklaut

Ich schreibe einen Hit, die ganze Nation kennt ihn schon
Alle singen mit (heeo, eo), ganz laut im Chor, das geht ins Ohr
Keiner kriegt davon genug, alle halten mich für klug
Hoffentlich merkt keiner den Betrug

Chorus:

Denn das ist alles nur geklaut (eo eo)
Das ist alles gar nicht meine (eo)
Das ist alles nur geklaut (eo eo)
Doch das weiss ich nur ganz alleine (eo)
Das ist alles nur geklaut, und gestohlen, nur gezogen, und geraubt
Entschuldigung, das hab ich mir erlaubt

Ich bin tierisch reich,
Ich fahre einen Benz, der in der Sonne glänzt
Ich hab 'n grossen Teich
Und davor ein Schloss und ein weisses Ross
Ich bin ein grosser Held und ich reise um die Welt
Ich werde immer schöner durch mein Geld

Chorus

Ich will dich gern verführ'n
Doch bald schon merke ich, das wird nicht leicht für mich
Ich geh' mit dir spazier'n und spreche ein Gedicht in dein Gesicht
Ich sag ich schrieb es nur für dich und dann küsst du mich
Denn zu meinem Glück weisst du nicht

Chorus

Auf deinen Heiligenschein fall' ich auch nicht mehr rein
Denn auch du hast Gott sei Dank, Garantiert noch was im Schrank

Chorus

Die Schörders - Frösche Weinen Nie

Ich habe mir n Frosch gezüchtet
Und ihm gleich n Stromstuhl gebaut
Dann hab ich ihm zehntausend Volt rein gejagt
Und verzückt dabei zugeschaut
Wie sein Hirn gen Himmel quoll
Und wie das Blut aus seinen Augen schwoll
Doch eines störte mich an dieser Zeremonie
Frösche weinen nie!

Chorus:

**Frösche weinen, Frösche weinen
Frösche weinen nie, oh oh oh
Frösche weinen, Frösche weinen
Frösche weinen nie!**

Am nächsten Tag hat mich der Ehrgeitz gepackt
Und ich kaufte mir Frösche, n ganzen Sack
Mami und Papi waren nicht daheim
Ich konnte mit meinen Fröschen alleine sein
Den ersten den habe ich im Aquarium ertränkt
Der zweite das Schwein er hat sich selbst aufgehängt
Nur eins störte mich an dieser Zeremonie
Frösche weinen nie!

Chorus

Jetzt die Moral nun passt schön auf
Zweitausend Frösche gingen bei mir drauf
Hab sie gequält von früh bis spät
Jetzt weiss ich auch dass das nicht geht
Ich hab sie gequält und ich brachte sie um
Nur langsam wurd mir das zu dumm
Trotz Test für Test und Analysen
Frösche haben keine Tränendrüsen

Chorus

Die Toten Hosen - Tage Wie Diese

Ich wart' seit Wochen auf diesen Tag
Und tanz' vor Freude über den Asphalt
Als wär's ein Rhythmus, als gäb's ein Lied
Das mich immer weiter durch die Straßen zieht
Komm' dir entgegen, dich abzuholen, wie ausgemacht
Zu derselben Uhrzeit, am selben Treffpunkt, wie letztes Mal

Durch das Gedränge der Menschenmenge
Bahnen wir uns den altbekannten Weg
Entlang der Gassen, zu den Rheinterrassen
Über die Brücken, bis hin zu der Musik
Wo alles laut ist, wo alle drauf sind, um durchzudrehen
Wo die Anderen warten, um mit uns zu starten und abzugehen

Chorus:

**An Tagen wie diesen wünscht man sich Unendlichkeit
An Tagen wie diesen haben wir noch ewig Zeit
Wünsch ich mir Unendlichkeit**

Das hier ist ewig, ewig für heute
Wir stehen nicht still für eine ganze Nacht
Komm ich trag dich durch die Leute
Hab keine Angst, ich gebe auf dich Acht
Wir lassen uns treiben, tauchen unter, schwimmen mit dem Strom
Drehen unsere Kreise, kommen nicht mehr runter, sind schwerelos

**An Tagen wie diesen wünscht man sich Unendlichkeit
An Tagen wie diesen haben wir noch ewig Zeit
In dieser Nacht der Nächte, die uns so viel verspricht
Erleben wir das Beste und kein Ende in Sicht
kein Ende in Sicht...
kein Ende in Sicht...
kein Ende in Sicht...**

Hannes Wader - Heute hier, morgen dort

Heute hier, morgen dort, bin kaum da, muss ich fort
Hab mich niemals deswegen beklagt
Hab es selbst so gewählt, nie die Jahre gezählt
Nie nach Gestern und Morgen gefragt

Chorus:

**Manchmal träume ich schwer und dann denk ich es wär
Zeit zu bleiben und nun was ganz andres zu tun
So vergeht Jahr um Jahr und es ist mir längst klar
Dass nichts bleibt, dass nichts bleibt, wie es war**

Dass man mich kaum vermisst, schon nach Tagen vergisst
Wenn ich längst wieder anderswo bin
Stört und kümmert mich nicht, vielleicht bleibt mein Gesicht
Doch dem Ein' oder Andern im Sinn

Chorus

Fragt mich einer, warum ich so bin, bleib ich stumm
Denn die Antwort darauf fällt mir schwer
Denn was neu ist, wird alt, und was gestern noch galt
Stimmt schon heut oder morgen nicht mehr

Chorus

Josh - Cordula Grün

Sie hieß Cordula Grün, ich hab' sie tanzen gesehen
Dann hab' ich sie noch gefragt, ob sie morgen mit mir
Einen Tee trinken mag, oder ein Fruchtkonzentrat
„Wer zuerst geht, verliert“, hat sie dann abends skandiert
Aus unserem Tee wurde Bier, zwei große Schnaps und sie sagt
„Komm mit nach Hause zu mir, mein Mann wohnt eh nicht mehr hier“

In der Bim über'm Ring steh' ich auf, und ich sing' ihr ein Liebeslied
Ihr graut vor Kitschpoesie, mit Refrain, mi mi mi, sie mag Tanzmusik

Chorus:

**Cordula Grün, Cordula Grün, Cordula Grün
Ich hab' dich, ich hab' dich, ich hab' dich
Cordula Grün, Du bist nur schwer zu verstehen
Cordula Grün, Ich würd' dich gern wiedersehen
Cordula Grün, Ich hab' dich, ich hab' dich, ich hab' dich
Ich hab' dich tanzen gesehen**

Mir war's am nächsten Tag klar, ich will jetzt nur Cordula
Ich bin und bleib' Optimist, selbst wenn sie mir verschwieg
Dass sie verheiratet ist, mit einem Pediatrist
Ihr Mann hieß Eberhart Grün, er hat sie tanzen gesehen
Dann hat er sie noch gefragt
Ob sie morgen mit ihm vor den Altar treten mag
Und sie hat „ja“ gesagt
Hätte ich das geahnt, hätt' ich's anders geplant
Und hätt' weggesehen
Ich konnt' nicht fort von ihr gehen, fing auch an mich zu drehen
Denn sie tanzt so schön

Chorus

Juli - Geile Zeit

Hast du geglaubt, hast du gehofft, dass alles besser wird?
Hast du geweint, hast du gefleht, weil alles anders ist?
 Wo ist die Zeit? Wo ist das Meer?
 Sie fehlt, sie fehlt hier
 Du fragst mich, wo sie geblieben ist

Die Nächte kommen, die Tage gehen, es dreht und wendet sich
Hast du die Scherben nicht gesehen, auf denen du weiter gehst?
 Wo ist das Licht? Wo ist dein Stern?
 Er fehlt, er fehlt hier
 Du fragst mich, wo er geblieben ist
 Wird alles anders? Wird alles anders?
 Wird alles anders?

Chorus:

Ja, ich weiß, es war 'ne geile Zeit
Uns war kein Weg zu weit, du fehlst hier
Ja, ich weiß, es war 'ne geile Zeit
Hey, es tut mir Leid, es ist vorbei
Es ist vorbei, es ist vorbei

Du willst hier weg, du willst hier raus, du willst die Zeit zurück
Du atmest ein, du atmest aus, doch nichts verändert sich
 Wo ist die Nacht? Wo ist der Weg?
 Wie weit, wie weit noch?
 Du fragst mich, wo wir gewesen sind
 Wird alles anders? Wird alles anders?
 Wird alles anders?

Chorus

Die Lichter sind aus, es ist schwer zu verstehen
Du siehst hilflos zu wie die Zeiger sich drehen
Du siehst deinen Stern, ihn kann nichts mehr zerstören
 Weil du weißt, dass es geil war
 Dass es geil war
 Weil du weißt, dass es geil war

Chorus

Chorus

Lina Maly - Schön Genug

Ich mag die Dinge die du tust, mehr als die Worte die du sagst
Und das Gesicht der grauen Stadt mehr als die Art wie du sie ausmalst
Ich mag die Risse im Asphalt und alle Steine auf dem Weg
Ich brauch' kein Ziel um mir zu merken dass mich irgendwas bewegt

Aber alles soll und alles muss
Aber alles geht und jeder will
Perfekt sein
Perfekt sein

Chorus:
Sind wir denn nie schön genug?
Ist es hier nie schön genug?
Sind wir denn nie schön genug?
So wie wir sind, sind wir s
viel zu schnell zu müde oder blind

Wir machen beide Augen zu und wollen doch alles erkennen
Und uns in tausend schönen Worte die Liebe erzählen
Die ganze Welt muss uns gehören vom Himmel bis zum Meer
Und wenn wir in den Spiegel schauen sehen wir uns selber nicht mehr

Aber alles soll und alles muss
Aber alles geht und jeder will
Perfekt sein
Perfekt sein

Chorus

Ich wäre manchmal gerne weniger von allem
Und trotzdem genug
Will ohne Plan und ohne Richtung sein
Aber irgendwie gut
Ohne Lösung, ohne Perfektion
Und ohne aufzufallen, will ich, ich selber sein
Will ich, ich selber sein

Chorus

Nena - Irgendwie, Irgendwo, Irgendwann

Im Sturz durch Raum und Zeit
Richtung Unendlichkeit
Fliegen Motten in das Licht
Genau wie du und ich.

Irgendwie fängt irgendwann
Irgendwo die Zukunft an
Ich warte nicht mehr lang.
Liebe wird aus Mut gemacht
Denk nicht lange nach
Wir fahr'n auf Feuerrädern
Richtung Zukunft durch die Nacht.

Chorus:

Gib mir die Hand
Ich bau' dir ein Schloss aus Sand
Irgendwie, irgendwo, irgendwann.
Die Zeit ist reif
Für ein bisschen Zärtlichkeit
Irgendwie, irgendwo, irgendwann.

Im Sturz durch Zeit und Raum
Erwacht aus einem Traum
Nur ein kurzer Augenblick
Dann kehrt die Nacht zurück.

Irgendwie fängt irgendwann
Irgendwo die Zukunft an
Ich warte nicht mehr lang.
Liebe wird aus Mut gemacht
Denk nicht lange nach
Wir fahr'n auf Feuerrädern
Richtung Zukunft durch die Nacht.

Chorus

Pur - Abenteuerland

Der triste Himmel macht mich krank, ein schweres graues Tuch
Das die Sinne fast erstickt, die Gewohnheit zu Besuch
Lange nichts mehr aufgetankt, die Batterien sind leer
In ein Labyrinth verstrickt, Oh, ich seh' den Weg nicht mehr

Ich will weg, ich will raus, Ich will, wünsch mir was
Und ein kleiner Junge nimmt mich an die Hand
Er winkt mir zu und grinst
„Komm hier weg, komm hier raus, Komm, ich zeig dir was
Das du verlernt hast vor lauter Verstand Komm mit

Chorus:

**Komm mit mir ins Abenteuerland auf deine eigene Reise
Komm mit mir ins Abenteuerland, der Eintritt kostet den Verstand
Komm mit mir ins Abenteuerland und tu's auf deine Weise
Deine Phantasie schenkt dir ein Land, das Abenteuerland“**

Neue Form, verspielt und wild, die Wolken malen ein Bild
Der Wind pfeift dazu dieses Lied, in dem sich jeder Wunsch erfüllt

Ich erfinde, verwandle mit Zauberkraft, Die Armee der Zeigefinger brüllt: „Du spinnst!“
Ich streck' den Finger aus, Ich verhexe, verbanne, ich hab' die Macht
Solange der Kleine im Spiegel da noch grinst, Komm mit

Chorus

Peter Pan und Captain Hook mit siebzehn Feuerdrachen
Alles kannst du sehen, wenn du willst
Oh, oh, Donnervögel, Urgeschrei, Engel, die laut lachen
Alles kannst du hören, wenn du willst

Du kannst flippen, flitzen, fliegen und das größte Pferd kriegen
Du kannst tanzen, taumeln, träumen und die Schule versäumen

Alles das ist möglich in dir drin, in deinem Land
Trau dich nur zu spinnen, es liegt in deiner Hand
Komm mit auf deine eigene Reise
Komm mit und tu's auf deine Weise

Chorus

Reinhard Mey - Über Den Wolken

Wind Nord-Ost, Startbahn null-drei
Bis hier hör ich die Motoren
Wie ein Pfeil zieht sie vorbei
Und es dröhnt in meinen Ohren
Und der nasse Asphalt bebt
Wie ein Schleier staubt der Regen
Bis sie abhebt und sie schwebt
Der Sonne entgegen

Chorus:
Über den Wolken
Muss die Freiheit wohl grenzenlos sein
Alle Ängste, alle Sorgen
Sagt man
Blieben darunter verborgen
Und dann
Würde was uns groß und wichtig erscheint
Plötzlich nichtig und klein

Ich seh ihr noch lange nach
Die dunklen Wolken erklimmen
Bis die Lichter nach und nach
Ganz im Regengrau verschwimmen
Meine Augen haben schon
Jenen winz'gen Punkt verloren
Nur von fern klingt monoton
Das Summen der Motoren

Chorus

Dann ist alles still, ich geh
Regen durchdringt meine Jacke
Irgendjemand kocht Kaffee
In der Luftaufsichtsbaracke
In den Pfützen schwimmt Benzin
Schillernd wie ein Regenbogen
Wolken spiegeln sich darin
Ich wär gern mitgeflogen

Chorus

Chorus

Revolverheld - Das kann uns keiner nehmen

Alte Freunde wiedertreffen, nach all den Jahr'n
Wir hab'n alle viel erlebt und sind immer noch da
In der Kneipe an der Ecke uns'rer ersten Bar
Sieht es heute noch so aus wie in den Neunzigern
Manche sind geblieben und jeden Abend hier
Meine erste Liebe wirkt viel zu fein dafür
Wir sind wirklich so verschieden und komm' heut von weit her
Doch unsre Freundschaft ist geblieben, denn uns verbindet mehr

Chorus:

**Oooh, das kann uns keiner nehmen
Oooh, lasst uns die Gläser heben
Oooh, das kann uns keiner nehmen
Die Stadt wird hell und wir trinken auf's Leben**

Wir hab'n an jede Wand geschrieben, dass wir da war'n
Und die Momente sind geblieben und sind nicht zu bezahlen
Jedes Dorf und jeden Tresen hab'n wir zusamm' gesehen
Und wenn ich morgen drüber rede klingt das nach Spaß am Leben

Chorus

Und in der Kneipe an der Ecke brennt noch immer das Licht
Wir trinken Schnaps, rauchen Kippen und verändern uns nicht
Und in der Kneipe an der Ecke brennt noch immer das Licht, immer das Licht
Und es ändert sich nicht, das kann uns uns keiner nehmen

Chorus

SDP - Die Nacht von Freitag auf Montag

Chorus:

**Wo war ich in der Nacht
Von Freitag auf Montag?
War ich drei, drei Tage wach
Oder einfach im Koma?
Und ich denk' mir, so 'ne Scheiße
Ich bin splitternackt und pleite
Sag' mir, wo war ich in der Nacht
Von Freitag auf Montag?**

Ich wache auf, es fühlt sich an als ob mein Kopf explodiert
Meine Kumpels hatten Spaß, ich bin komplett dekoriert
Und ich schaue in den Spiegel, was ist eigentlich passiert?
Denn über'm Arsch hab' ich ein Arschgeweih tätowiert
Besoffen Autofahren is' doch okay, wenn man sich anschnallt
Dachte ich doch jetzt, brauch' ich glaub' ich 'n guten Anwalt
Meine Nase ist gebrochen, Mann wie schmerzhaft das ist
Tja, der Türsteher war anscheinend stärker als ich
Und die Olle neben mir, die sieht aus wie Thomas Gottschalk
Wie hab' ich mir die denn schön gesoffen? Mann, ich kotz' bald
Mann, ich trink' nie wieder (hey), auf jeden Fall 'ne Zeit lang
Naja okay, auf jeden Fall bis nächsten Freitag

Chorus

Ich mach' ein Auge auf (ah), das andre geht nicht auf (hä?)
Alles dreht sich und ich glaub' mein Bett bewegt sich auch (hm)
Erstmal steh' ich auf (hm), doch das geht nicht, au
Ey, Mann, was soll das? Da guckt ein Katheter Schlauch aus meinem Penis raus
Verdammt wo bin ich (hä?) und warum bin ich stinkbesoffen?
Warum trag ich dieses blöde Kleid mit hinten offen?
Warum fühlt mein Kopf sich an als ob ein Block dagegen knallt?
Ich geh' zum Spiegel, oh mein Gott, ich hab 'n B am Hals
Dieses Gesaue is' nich gut für meine Leber, klar doch
Jetzt hab' ich 'ne große Narbe da wo meine Leber war
Egal sie können die Leber haben (ah), Dann muss ich weniger tragen
Macht mir nichts is' ganz okay, doch bitte, kann mir jemand sagen

Chorus

Sorry, ich war noch nie so drauf wie auf der Party
Ich könnte das nich' wissen Mann, ich dachte, das sind Smarties
Ich kenn' beim Feiern kein Erbarmen, ich trink' den Jägermeister warm
Waren das letzte was ich weiß, is' wie man mich nach draußen schleift
Ich checke Facebook was is bloß passiert?
Scheiße, ich wurde auf hundertdreißig Fotos markiert
Und eines dieser Fotos zeigt mich, kriechend am Ku'damm

Eines zeigt mich nackt am Potsdamer Platz
Erschreckend find ich, dass mit mir am Steuer einer U-Bahn
Scheiße Mann, ich krieg' nie mehr 'nen Job in dieser Stadt
Und ich würd' sagen, ich nehm' keine Drogen mehr
Wenn das nich' gelogen wär'

Chorus

Sportfreunde Stiller - Ein Kompliment

Wenn man so will
Bist du das Ziel einer langen Reise
Die Perfektion der besten Art und Weise
In stillen Momenten leise
Die Schaumkrone der Woge der Begeisterung
Bergauf, mein Antrieb und Schwung

Chorus:

**Ich wollte dir nur mal eben sagen
Dass du das Größte für mich bist
Und sichergehen, ob du denn dasselbe für mich fühlst
Für mich fühlst**

Wenn man so will
Bist du meine Chill-Out Area
Meine Feiertage in jedem Jahr
Meine Süßwarenabteilung im Supermarkt
Die Lösung, wenn mal was hakt
So wertvoll, dass man es sich gerne aufspart
Und so schön, dass man nie darauf verzichten mag

Chorus

Sportfreunde Stiller - Applaus Applaus

Ist meine Hand eine Faust, machst du sie wieder auf
Und legst die deine in meine
Du flüsterst Sätze mit Bedacht durch all den Lärm
Als ob sie mein Sextant und Kompass wär'n

**Applaus, Applaus
Für Deine Worte
Mein Herz geht auf
Wenn Du lachst**

**Applaus, Applaus
Für deine Art mich zu begeistern
Hör' niemals damit auf
Ich wünsch' mir so sehr
Du hörst niemals damit auf**

Chorus:

Ist meine Erde eine Scheibe, machst du sie wieder rund
Zeigst mir auf leise Art und Weise, was Weitsicht heißt
Will ich mal wieder mit dem Kopf durch die Wand
Legst du mir Helm und Hammer in die Hand

Chorus

Tokio Hotel - Durch den Monsun

Das Fenster öffnet sich nicht mehr
Hier drin ist es voll von dir und leer
Und vor mir geht die letzte Kerze aus
Ich warte schon 'ne Ewigkeit
Endlich ist es jetzt so weit
Da draußen zieh'n die schwarzen Wolken auf

Chorus:

**Ich muss durch den Monsun, hinter die Welt
Ans Ende der Zeit, bis kein Regen mehr fällt
Gegen den Sturm, am Abgrund entlang
Und wenn ich nicht mehr kann, denk' ich daran
Irgendwann laufen wir zusamm'n
Durch den Monsun
Dann wird alles gut**

'n halber Mond versinkt vor mir
War der eben noch bei dir?
Und hält er wirklich, was er mir verspricht?
Ich weiß, dass ich dich finden kann
Hör' deinen Namen im Orkan (Im Orkan)
Ich glaub', noch mehr dran glauben kann ich nicht

Chorus

Ich kämpf' mich durch die Mächte hinter dieser Tür
Werde sie besiegen und dann führ'n sie mich zu dir
Dann wird alles gut, Dann wird alles gut
Wird alles gut, Alles gut

Chorus

Udo Jürgens - Griechischer Wein

Es war schon dunkel
Als ich durch Vorstadtstraßen heimwärts ging
Da war ein Wirtshaus
Aus dem das Licht noch auf den Gehsteig schien
Ich hatte Zeit und mir war kalt, drum trat ich ein

Da saßen Männer mit braunen
Augen und mit schwarzem Haar
Und aus der Jukebox erklang Musik
Die fremd und südlich war
Als man mich sah
Stand einer auf und lud mich ein

Chorus:

**Griechischer Wein ist o wie das Blut der Erde
Komm', schenk dir ein
Und wenn ich dann traurig werde liegt es daran
Dass ich immer träume von daheim
Du musst verzeihen**

**Griechischer Wein und die altvertrauten Lieder
Schenk' nochmal ein
Denn ich fühl' die Sehnsucht wieder, in dieser Stadt
Werd' ich immer nur ein Fremder sein, und allein**

Chorus

Und dann erzählten sie mir von grünen Hügeln, Meer und Wind
Von alten Häusern und jungen Frauen, die alleine sind
Und von dem Kind das seinen Vater noch nie sah

Sie sagten sich immer wieder
Irgendwann geht es zurück
Und das Ersparte genügt zu
Hause für ein kleines Glück
Und bald denkt keiner mehr daran
Wie es hier war

Udo Jürgens - Ich War Noch Niemals In New York

Und nach dem Abendessen sagte er
Lass mich noch eben Zigaretten holen gehen
Sie rief ihm nach nimm dir die Schlüssel mit
Ich werd' inzwischen nach der Kleinen sehen

Er zog die Tür zu, ging stumm hinaus ins neon-helle Treppenhaus,
Es roch nach Bonerwachs und Spießigkeit

Und auf der Treppe dachte er
Wie wenn das jetzt ein Aufbruch wär'
Ich müsste einfach gehen für alle Zeit
Für alle Zeit

Chorus:

**Ich war noch niemals in New York, ich war noch niemals auf Hawaii
Ging nie durch San Francisco in zerrissenen Jeans
Ich war noch niemals in New York, ich war noch niemals richtig frei
Einmal verrückt sein und aus allen Zwängen fliehen**

Und als er draußen auf der Straße stand
Fiel ihm ein, dass er fast alles bei sich trug
Den Pass, die Euro checks und etwas Geld
Vielleicht ging heute Abend noch ein Flug

Er könnt' ein Taxi nehmen dort am Eck
Oder Autostop und einfach weg
Die Sehnsucht in ihm wurde wieder wach

Noch einmal voll von Träumen sein, sich aus der Enge hier befreien
Er dachte über seinen Aufbruch nach, seinen Aufbruch nach

Chorus

Dann steckte er die Zigaretten ein und ging wie selbstverständlich heim
Durchs Treppenhaus mit Bohnerwachs und Spießigkeit

Die Frau rief Mann, wo bleibst du bloß? Dalli Dalli geht gleich los
Sie fragte war was? Nein, was soll schon sein

Von Wegen Lisbeth - Wenn Du Tanzt

Latte art slowly handbrewed flat white coffee
Einfach Kaffee wenn du tanzt
Fiese Heuschrecken rüdigie Immobilienhaie
Alles Tiere wenn du tanzt
Lutherstadt Wittenberg Cloppenburg Haldensleben
Alles Kreuzberg wenn du tanzt
Linkin Park Timmy Bendzko Robin Schulz Revolverheld
Alles Kunst wenn du tanzt

Schließt die Schulen dieser Stadt
Weil es keinen Sinn mehr hat
Noch ein Weltbild zu vermitteln
Das schon durch das kleinste Schütteln
Deines linken Schulterblatts
Einfach so zusammenkracht
Und nur Schutt und Asche ist
Wenn du dann am Tanzen bist

Chorus:

Denn dass

Diese Welt nicht zusammenfällt

Liegt nur allein an deinen Beinen

An deinen Beinen wenn du tanzt

Ackermann Merkel Jan Fleischhauer Voldermort
Nette Menschen wenn du tanzt
Schicker Mac-Tower fett power doppel Octa-Core
Rechenschieber wenn du tanzt
Doppelsechs Tiki Taka Gegenpressing falsche Neun
Hoch hinein wenn du tanzt
Dumme Exfreunde Sexbuddies Herzschmerz drama
Alles Liebe wenn du tanzt
Schließt die Schulen dieser Stadt
Weil es keinen Sinn mehr hat
Noch ein Weltbild zu vermitteln
Das schon durch das kleinste Schütteln
Deines linken Schulterblatts
Einfach so zusammenkracht
Und nur Schutt und Asche ist
Wenn du dann am Tanzen bist

Chorus

Wir Sind Helden - Nur Ein Wort

Ich sehe, was du denkst, Ich denke, was du fühlst
Ich fühle, was du willst, Aber ich hör' dich nicht
Ich hab' mir ein Wörterbuch gelieh'n
Dir A bis Z ins Ohr geschrien
Ich stapel' tausend wirre Worte auf
Die dich am Ärmel zieh'n

Und wo du hingeh'n willst
Ich häng' an deinen Beinen
Wenn du schon auf den Mund fall'n musst
Warum dann nicht auf meinen?

Chorus:

**Oh, bitte gib mir nur ein „Oh“, Bitte gib mir nur ein „Oh“
Bitte gib mir nur ein – bitte, bitte gib mir nur ein „Oh“
Bitte gib mir nur ein „Oh“, Bitte gib mir nur ein „Oh“
Bitte gib mir nur ein – bitte, bitte gib mir nur ein Wort**

Es ist verrückt, wie schön du schweigst
Wie du dein hübsches Köpfchen neigst
Und so der ganzen lauten Welt und mir
Die kalte Schulter zeigst
Dein Schweigen ist ein Zelt
Stellst es mitten in die Welt
Spannst die Schnüre und staunst stumm
Wenn nachts ein Mädchen drüber fällt

Zu deinen Füßen red' ich mich um Kopf und Kragen
Ich will in deine tiefen Wasser große Wellen schlagen

Chorus

In meinem Blut werfen die Endorphine Blasen
Wenn hinter deinen stillen Hasenaugen die Gedanken rasen

Chorus
