# Spanish Songs

## Aleks Syntek - Corazones Invencibles

*C F Am G*

Hoy

Tu cara me lo dice todo  
En silencio me hablas de algún modo  
Algo no te deja ser feliz

Sé

La vida no es cuento de hadas  
Y vamos de la fe a la nada  
Tratando de sobrevivir

*Dm F G*

No hay difícil camino  
Cuando estamos juntos tú y yo

**Chorus:**

*C F Am G*

**Si vas en caída libre  
Y te sientes derrotada  
Yo me entregaré en el alma  
Para curar tu dolor**

**No te dejaré rendirte  
Yo te sanaré las alas  
Corazones invencibles  
Por la fuerza del amor  
Por la fuerza del amor**

*C F Am G*

Hoy

Te pido no pierdas confianza  
Aunque sientas que la luz se apaga  
Aquí yo sigo junto a ti

*Dm F G*

Si nos lleva el destino  
Lo mejor está por venir

**Chorus**

**Chorus**

## Alvaro Soler - Sofia

### ***Bm D A G***

Sueño cuando era pequeño  
Sin preocupación en el corazón (¡eh!)  
Sigo viendo aquel momento  
Se desvaneció, desapareció (¡eh!)

### ***G Bm A G Bm A F#***

Ya no te creo, ya no te deseo, eo (¡eh!)  
Solo te veo, solo te deseo, eo

### **Chorus:**

### ***G D A Em***

**Mira, Sofía (¡eh!)**  
**Sin tu mirada sigo, sin tu mirada sigo**  
**Dime Sofía, ah-ah (¡eh!)**  
**¿Cómo te mira?, dime, ¿cómo te mira?, dime**  
**Sé que no, sé que no, sé que solo**  
**Sé que ya no soy-oy-oy-oy**  
**Mira, Sofía**  
**Sin tu mirada sigo, sin tu mirada, Sofía**

### ***Bm D A G***

Dices que éramos felices  
Todo ya pasó, todo ya pasó (¡eh!)  
Sé que te corté las alas  
Él te hizo volar, él te hizo soñar (¡eh!)

### ***G Bm A G Bm A F#***

Ya no te creo, ya no te deseo, eo (¡eh!)  
Solo te veo, solo te deseo, eo

### **Chorus**

### ***Em Bm D A***

Y porque no me dices la verdad?  
Sigo sin tu mirada, Sofia  
Y porque no me dices la verdad?

### **Chorus**

## Andrés Calamaro - Flaca

*G B7 Em C G D7 G D7*

**Chorus:**

**Flaca no me claves  
Tus puñales  
Por la espalda  
Tan profundo  
No me duelen  
No me hacen mal**

**Lejos  
En el centro  
De la tierra  
Las raíces  
Del amor  
Donde estaban  
Quedarán**

Entre el no me olvides  
Me dejes nuestros abriles olvidados  
En el fondo del placard  
Del cuarto de invitados  
Eran tiempos dorados  
De un pasado mejor

Aunque casi me equivoco  
Y te digo poco a poco  
No me mientas  
No me digas la verdad  
No te quedes callada  
No levantes la voz  
Ni me pidas perdón

Aunque casi te confieso  
Que también he sido un perro compañero  
Un perro ideal que aprendió a nadar  
Y a volver al hogar  
Para poder comer

**Chorus**

## Calle 13 - Muerte En Hawaii

*D# A# Cm G#*

Yo he pelia' o con cocodrilos  
Me he balanceado sobre un hilo cargando más de quinientos kilos  
Le he da' o la vuelta al mundo en menos de un segundo  
He cruza' o cien laberintos y nunca me confundo  
Respiro dentro y fuera del agua como las focas  
Soy a prueba de fuego, agarro balas con la boca  
Mi creatividad vuela como los aviones  
Puedo construir un cerebro sin leer las instrucciones  
Hablo todos los idiomas de todos los abecedarios  
Tengo más vocabulario que cualquier diccionario  
Tengo vista de águila, olfato de perro  
Puedo caminar descalzo sobre clavos de hierro  
Soy inmune a la muerte  
No necesito bendiciones porque siempre tengo buena suerte  
Ven conmigo a dar un paseo por el parque  
Porque tengo más cuentos que contarte que García Marquez

**Chorus:**

*D# Cm G#*

**Por ti, todo lo que hago lo hago por ti  
Es que tú me sacas lo mejor de mí  
Soy todo lo que soy  
Porque tú eres todo lo que quiero  
Por ti, todo lo que hago lo hago por ti  
Es que tú me sacas lo mejor de mí  
Soy todo lo que soy  
Porque tú eres todo lo que quiero**

Puedo brincar la cuerda con solo una pierna  
Veo en la oscuridad sin usar una linterna  
Cocino lo que quieras, yo soy todo un chef  
Tengo sexo 24/7 todo el mes  
Puedo soplar las nubes grises pa' que tengas un buen día  
También sé cómo comunicarme por telepatía  
Por ti, cruzo las fronteras sin visa  
Y le saco una buena sonrisa a la "Mona Lisa"  
Por ti, respiro antes de morirme  
Por ti voy a la Iglesia y escucho toda la misa sin dormirme  
Sigo siendo el Rey, aunque no tenga reino  
Mi sudor huele a perfume y nunca me despeino  
Sé pelear todas las artes marciales  
También se cómo comunicarme con los animales  
Mientras más pasa el tiempo me veo más joven  
Y esta canción la compuse sin escuchar como Beethoven

**Chorus**

## Chavela Vargas - Llorona

*Am A7 Dm Am E Am G F E*

No sé qué tienen las flores, Llorona  
Las flores de un campo santo  
No sé qué tienen las flores, Llorona  
Las flores de un campo santo  
Que cuando las mueve el viento, Llorona  
Parece que están llorando  
Que cuando las mueve el viento, Llorona  
Parece que están llorando

Ay, de mí Llorona, Llorona, Llorona  
Llévame al río  
Ay, de mí Llorona, Llorona, Llorona  
Llévame al río  
Tápame con tu rebozo, Llorona  
Porque me muero de frío  
Tápame con tu rebozo, Llorona  
Porque me muero de frío

Dos besos llevo en el alma, Llorona  
Que no se apartan de mí  
Dos besos llevo en el alma, Llorona  
Que no se apartan de mí  
El último de mi madre, Llorona  
Y el primero que te di  
El último de mi madre, Llorona  
Y el primero que te di, ay  
Yo te di  
Tápame con tu rebozo, Llorona  
Tápame con tu rebozo, Llorona  
Porque me muero de frío  
Muero de frío

Ay, de mí Llorona, Llorona, Llorona  
De un campo lirio  
Ay, de mí Llorona, Llorona, Llorona  
De un campo lirio  
El que no sabe de amores, Llorona  
No sabe lo que es martirio  
El que no sabe de amores, Llorona  
No sabe lo que es martirio

## **Christian Nodal - Adios Amor**

*Em A7 D B7*

Miro tus ojos y no eres feliz  
Y tu mirada no sabe mentir  
No tiene caso continuar así  
Si no me amas es mejor partir  
Desde hace tiempo ya nada es igual  
No eres la misma y me tratas mal  
Y ante mi Dios te podría jurar  
Cuánto te quise y te quiero todavía

**Chorus:**

*D D7 G Gm A7 D*

**Adiós amor  
Me voy de ti  
Y esta vez para siempre  
Me iré sin marcha atrás porque sería fatal  
Adiós amor  
Yo fui de ti  
El amor de tu vida  
Lo dijiste una vez, me lo hiciste creer  
Cómo me duele perderte  
Me resignaré a olvidarte  
Porque me fallaste**

*Em A7 D B7*

Miro tus ojos y no eres feliz  
Y tu mirada no sabe mentir  
No tiene caso continuar así  
Si no me amas es mejor partir  
Desde hace tiempo ya nada es igual  
No eres la misma y me tratas mal  
Y ante mi Dios te podría jurar  
Cuánto te quise y te quiero todavía

**Chorus**

## **Elefante - Amores Prohibidos**

***C D G C Am D Em***

Corazones rotos en la avenidas  
Mariposas de color  
Fantasías en cualquier esquina  
Y yo sin su amor

***C D G C Am D G D C***

Hay mujeres por las que se da la vida  
Y un poquito más  
Yo la quise desde el primer día tanto  
Sin miedo, sin más

**Chorus:**

***D Bm C Am***

**Amores prohibidos que vienen y van  
Que nunca se han ido  
Que no volverán  
Amores que matan, que duelen demás  
Amor de mentira, amor de verdad**

***D Em***

**Acércate más**

***C D G C Am D Em***

Hay miradas que te dicen tanto  
Que te hacen soñar  
Madrugadas que jamás terminan  
Que nunca se irán, no no no no no no no

***Am G D C***

Alguna vez te encontraré  
Me encontrarás

**Chorus**

**Chorus**

## Elefante - Asi Es La Vida

*Gm Cm D7 Gm*

Y que me traigan más (botellas)  
Para quitarme este (sabor de su sudor)

*Gm Cm A7 D7*

Y que me apunten en la cuenta  
Toda la desgracia (que dejó)

*Gm Cm D7 Gm*

Que no quieres nada más de mí  
Que te fuiste con ese infeliz  
¡Qué importa! ¡Qué importa!  
Que me va a matar la depresión  
Que voy a vivir en el alcohol  
¡Qué importa! ¡Qué importa!

Que te fuiste sin decir adiós  
Que no dormirás en mi colchón  
¡Qué importa! ¡Qué importa!  
Que ensuciaste mi reputación  
Que te vale madres este amor  
¡Qué importa! ¡Qué importa!

**Chorus:**

*Cm F D7 Gm*

**¡Y que te quise!**

**Y que te quise demasiado**

**Y que nadie te ha querido como yo**

**Así es la vida de caprichosa  
A veces negra y a veces color rosa  
Así es la vida jacarandosa  
Te quita, te pone, te sube, te baja  
Y a veces te lo da**

*Gm Cm D7 Gm*

Que me desangraste el corazón  
Y que me hará justicia la nación  
¡Qué importa! ¡Qué importa!  
Que tu vida es como un carnaval  
Que tarde o temprano volverás  
¡Qué importa! ¡Qué importa!

**Chorus**

**Chorus**

## Elefante - Durmiendo Con La Luna

*C G Am F C*

Aquí estoy  
Entre el amor y el olvido  
Entre recuerdos y el frío  
Entre el silencio y tu voz

Aquí estoy  
Viendo pasar los segundos  
Viendo pasar los minutos  
Viendo pasar el amor

**Chorus:**

*G Am C G F*

Aquí estoy  
**Con la sonrisa fingida  
Que me dejó tu partida  
Como un verano sin sol**  
Aquí estoy  
**Sin la mitad de mi vida  
Un callejón sin salida  
Viendo la vida pasar**

*C G Am F C*

Aquí estoy  
Cantándole a la fortuna  
Soñando con tu cintura  
Con lo que nunca será  
Aquí estoy  
Enredado con la duda  
Durmiéndome con la luna  
Despertando con el sol

**Chorus**

*C G F C G Am C*

Sin la mitad de mi vida  
Un callejón sin salida  
Viendo la vida pasar  
Aquí estoy  
Curándome las heridas  
Durmiéndome con la luna  
Despertando con el sol  
Aquí estoy

## Elefante - Historias

*G Bm Em C*

Atrapado a tu cintura el futuro me da igual  
Hoy quiero amanecer contigo ya mañana Dios dirá  
La duda no es un buen camino todo tiene una razón  
No quisiera arrepentirme por lo que nunca paso

*D Em C D*

Y tu, tal vez un recuerdo al paso del tiempo, mi mejor canción  
Y yo, tal vez en tus sueños vagando en silencio por tu habitación

**Chorus:**

*G Bm Em C*

**Historias sin tiempo**

**Que llegan, que nunca se olvidan, que no morirán**  
**Historias sin tiempo, sin final**

*G Bm Em C*

La vida nos guarda sorpresas y esta vez me sorprendió  
No quiero ser la cabeza cuando grita el corazón  
No me queda otra salida no se que pueda pasar  
Nadie sabe lo que empieza, donde puede terminar

*D Em C D*

Y tu, tal vez un recuerdo al paso del tiempo, mi mejor canción  
Y yo, tal vez en tus sueños vagando en silencio por tu habitación

**Chorus**

*D Em C G D Em C Am*

No hay razón para mirar atrás  
Si al final la vida solo es un juego  
Si se pierde se puede ganar  
El amor es un misterio nadie sabe que será

**Chorus**

## Elefante - Mentirosa

*C#m B A G#7*

Qué le vamos a hacer  
Si la vida es así  
Le aposté todo a tus besos  
Y así todo lo perdí  
No me pidas perdón  
Que ni tú te lo crees  
Esas lágrimas son falsas  
Como falso fue tu amor

**Chorus:**

*B C#m A E*

**Pero no me digas nada  
Que el tonto he sido yo  
Si la luna no es de queso  
Ni las nubes de algodón  
Para qué seguir con cuentos  
Con amores de ficción  
Si tu boca no es de fresa  
Ni en tus ojos sale el sol**

*C#m B A G#7*

Para qué decir más  
Si todo terminó  
Todo lo que sube baja  
Todo lo que viene va  
No me pidas perdón  
Que ni tú te lo crees  
Vete por donde llegaste  
Y ojalá te vaya bien

**Chorus:**

*B C#m A E*

**Para que seguir con cuentos, con amores de ficción  
si tu boca no es de fresa ni en tus ojos sale el sol  
Si la luna no es de queso

Para qué seguir con cuentos  
Con amores de ficción  
Si tu boca no es de fresa  
Ni en tus ojos sale el sol**

## **El Tri - Triste Cancion de Amor**

***Am G Am G Am G F E Am F E Am***

Ella existió solo en un sueño  
Él es un poema que el poeta nunca escribió  
En la eternidad los dos  
Unieron sus almas para darle vida  
A esta triste canción de amor  
A esta triste canción de amor

***Am G Am G Am G F E Am F E Am***

Él es como el mar  
Ella es como la luna  
Y en las noches de luna llena  
Hacen el amor  
En la inmensidad los dos  
Unieron sus almas para darle vida  
A esta triste canción de amor  
A esta triste canción de amor

***Am G Am G Am G F E Am F E Am***

Él es como un dios  
Ella es como una virgen  
Y los dioses les enseñaron a pecar  
Y en la eternidad los dos  
Unieron sus almas para darle vida  
A esta triste canción de amor  
A esta triste canción de amor

## **Enanitos Verdes - Lamento Boliviano**

*Em Bm7 Am7 Em B7*

Me quieren agitar  
Me incitan a gritar  
Soy como una roca  
Palabras no me tocan  
Adentro hay un volcán  
Que pronto va a estallar  
Yo quiero estar tranquilo

Es mi situación  
Una desolación  
Soy como un lamento  
Lamento boliviano  
Que un día empezó  
Y no va a terminar  
Y a nadie hace daño

**Chorus:**

**Uoh, io, io, io-uoh-oh, ye-eh-eh-eh, yeh-eh**  
**Y yo estoy aquí**  
**Borracho y loco**  
**Y mi corazón idiota**  
**Siempre brillará**

**Y yo te amaré**  
**Te amaré por siempre**  
**Nena, no te peines en la cama**  
**Que los viajantes se van a atrasar**

**Chorus**

## Jarabe De Palo - La Flaca

*Am E D C E*

En la vida conocí mujer igual a la flaca  
Coral negro de la Habana  
Tremendísima mulata  
Cien libras de piel y hueso  
Cuarenta kilos de salsa  
Y en la cara dos soles

*F G Am E*

Que sin palabras hablan  
Que sin palabras hablan

*Am E D C E*

La flaca duerme de día  
Dice que así el hambre engaña  
Cuando cae la noche  
Baja a bailar a la Tasca  
Y bailar y bailar Y tomar y tomar  
Una cerveza tras otra

*F G Am E*

Pero ella nunca engorda  
Pero ella nunca engorda

**Chorus:**

*F G Am D*

Por un beso de la flaca  
Daría lo que fuera  
Por un beso de ella  
Aunque sólo uno fuera.  
Por un beso de la flaca  
Daría lo que fuera  
Por un beso de ella  
Aunque sólo uno fuera.  
Aunque sólo uno fuera

*Am E D C E*

Mojé mis sábanas blancas  
Como dice la canción  
Recordando las caricias  
Que me brindó el primer día  
Y enloquezco de ganas de  
Dormir a su ladito  
¡Porque Dios que esta flaca

*F G Am E*

A mí me tiene loquito!  
A mí me tiene loquito.

**Chorus**

## **Jarabe De Palo - Bonito**

*D7 E7 F#m D7*

### **Chorus:**

**Bonito, Todo me parece bonito  
Bonito, Todo me parece bonito**

Bonita mañana, bonito lugar  
Bonita la cama, qué bien se ve el mar  
Bonito es el día, que acaba de empezar  
Bonita la vida, Respira, respira, respira  
El teléfono suena, mi pana se queja  
La cosa va mal, la vida le pesa  
Que vivir así ya no le interesa  
Que seguir así no vale la pena  
Se perdió el amor, se acabó la fiesta  
Ya no anda el motor que empuja la tierra  
La vida es un chiste con triste final  
El futuro no existe, pero yo le digo

### **Chorus**

Bonita la paz, bonita la vida  
Bonito volver a nacer cada día  
Bonita la verdad cuando no suena a mentira  
Bonita la amistad, bonita la risa  
Bonita la gente cuando hay calidad  
Bonita la gente que no se arrepiente  
Que gana y que pierde, que habla y no miente  
Bonita la gente, por eso yo digo

### **Chorus**

Que bonito que te va, Cuando te va bonito, Que bonito que te va  
Que bonito que te va, Cuando te va bonito, Que bonito que te va  
Bonito, Todo me parece bonito  
La mar la mañana, la casa, la samba  
La tierra, la paz y la vida que pasa  
Bonito, Todo me parece bonito  
Tu calma, tu salsa, la mancha en la espalda  
Tu cara, tus ganas, el fin de semana  
Bonita la gente que viene y que va  
Bonita la gente que no se detiene  
Bonita la gente que no tiene edad  
Que escucha, que entiende, que tiene y que da

### **Chorus**

## **Josean Log - Chachachá**

*C Am Em E*

Dame de tu vida y de tu tiempo  
Suficientes para ver  
Dentro de tus ojos el momento  
Que me obligue a renacer

Dame vida y dame aliento  
Que yo ya perdí el conocimiento  
Solo quédate un momento  
Hasta evaporarnos en el viento

**Chorus:**

*F G C E*

**No hay motivos  
Para decirnos adiós tan pronto  
Sigo vivo  
Crémelo, mi amor, no soy tan tonto  
Si tú quisieras esta noche  
Ir a bailar un chachachá  
Yo te puedo enamorar**

*C Am Em E*

Dame de tu vida y de tu tiempo, ooh  
Que te quiero conocer  
Déjame sentir el movimiento, ooh  
De tu cuerpo al florecer

Dame vida y dame aliento  
Que yo ya perdí el conocimiento  
Solo quédate un momento  
Hasta evaporarnos en el viento

**Chorus**

### **Chorus:**

Bamba, Bamba

Una escalera grande y otra chiquita  
Ay arriba y arriba, ay arriba y arriba,  
Por ti seré, por ti seré

Para que seas mi cuñado  
Para que seas mi cuñado  
Se necesita que me des a tu hermana  
Que me des a tu hermana y la más bonita  
Ay arriba y arriba, ay arriba y arriba,  
Por ti seré, por ti seré

### **Chorus**

Yo no soy marinero  
Yo no soy marinero  
Soy capitán, soy capitán

Cada vez que me baño  
Se tapa el baño y por eso me baño  
Por eso me baño, una vez al año  
Ay arriba y arriba, ay arriba y arriba,  
Por ti seré, por ti seré

estoy ahogado en un bar  
muy desesperado, muy en el olvido

## Mexicanto - Coincidir

### *G D7 C Am G*

Soy vecino de este mundo por un rato  
Y hoy coincide que también tú estás aquí  
Coincidencias tan extrañas de la vida  
Tantos siglos, tantos mundos, tanto espacio  
Y coincidir

### *G D7 C Am G*

Si navego, con la mente, los espacios  
O si quiero a mis ancestros retornar  
Agobiado me detengo y no imagino  
Tantos siglos, tantos mundos, tanto espacio  
Y coincidir

### *G D7 C Am G*

Si en la noche me entretengo en las estrellas  
Y capturo la que empieza a florecer  
La sostengo entre las manos, mas me alarma  
Tantos siglos, tantos mundos, tanto espacio  
Y coincidir

### *G D7 C Am G*

Si la vida se sostiene por instantes  
Y un instante es el momento de existir  
Si tu vida es otro instante, no comprendo  
Tantos siglos, tantos mundos, tanto espacio  
Y coincidir

## Mocedades - Quien Te Cantará

*Am F G C F E7*

Ayer pensé en decirte adiós y me faltó el valor  
Es que había en tus ojos tanto amor  
Que fácil es decir adiós, que fácil olvidar  
Que difícil sera para los dos

**Chorus:**

*Am G Am G C Bm Am E7 D C E7*

Quien te cantará con esa guitarra  
Quien la hará sonar cuando no esté yo  
Quien dará a tu casa color y a tu lecho calor  
Quien te hará el amor

*Am F G C F E7*

Quien tachará mi dirección de tu libreta azul  
Archivando mi historia en un cajón  
Y tu que harás, a donde iras, tal vez me olvidarás  
Y pondrás mi guitarra en un rincón

**Chorus**

## **Morat - Besos En Guerra**

***Bm G D A***

Quién te dijo esa mentira  
Que eras fácil de olvidar  
No hagas caso a tus amigos  
Solo son testigos de la otra mitad

Dos besos son demasiado  
Y un beso no bastará  
Y aunque adviertan al soldado  
Si está enamorado, en guerra morirá

***G A***

Ya no tienes que cuidarme

**Chorus:**

***Bm G D A***

**Porque yo**

**Siempre he sabido que tus besos matan  
Que tus promesas riman con dolor  
Que eres experta en robarle latidos a mi corazón**

**Y tú**

**Nunca juraste que saldría ileso  
Ya no te atrevas a pedir perdón  
Yo te confieso que no me arrepiento  
Y aunque estoy sufriendo, podría estar peor  
Oh-oh-oh, Sabiendo que tus besos matan, moriré de amor**

***Bm G D A***

Para mí nunca fue un juego  
Para ti fue un beso más  
Y si hoy vuelves a mi vida  
No es que estés perdida  
No es casualidad

***G A***

Ya no tienes que cuidarme

**Chorus**

***Bm G D A***

Ganaré la guerra para conquistarte  
No quiero admitir que te vas, que te vas  
Ganaré la guerra para conquistarte  
No quiero admitir que te vas, que te vas  
Yo perdí batallas por nunca aceptar que  
No eras fácil de olvidar

**Chorus**

## Natalia Lafourcade - Nunca Es Suficiente

*Dm Gm A Dm*

Nunca es suficiente para mí  
Porque siempre quiero más de ti  
Yo quisiera hacerte más feliz  
Hoy, mañana, siempre, hasta el fin

*Dm Gm C F Gm C F Gm A Dm*

Mi corazón estalla por tu amor  
¿Y tú que crees que esto es muy normal?  
Acostumbrado estás tanto al amor  
¿Qué no lo ves? Yo nunca he estado así  
Si, de casualidad, me ves llorando un poco es porque yo te quiero a ti

**Chorus:**

*Dm Gm C F Gm A Dm*

**Y tú te vas jugando a enamorar  
Todas las ilusiones vagabundas que se dejan alcanzar  
Y no verás que lo que yo te ofrezco es algo incondicional  
Y tú te vas jugando a enamorar  
Te enredas por las noches entre historias que nunca tienen final  
Te perderás dentro de mis recuerdos por haberme hecho llorar**

*Dm Gm A Dm*

Nunca es suficiente para mí  
Porque siempre quiero más de ti  
No ha cambiado nada mi sentir  
Aunque me haces mal, te quiero aquí

*Dm Gm C F Gm C F Gm A Dm*

Mi corazón estalla de dolor  
¿Cómo evitar que se fracture en mil?  
Acostumbrado estás tanto al amor  
¿Qué no lo ves? Yo nunca he estado así  
Si, de casualidad, me ves llorando un poco es porque yo te quiero a ti

**Chorus**

## **Soda Stereo - De Música Ligera**

No le enviaré  
cenizas de rosas  
ni pienso evitar  
un roce secreto

## Khaled - Aicha

*Capo 3*

*Em C G D*

Comme si je n'existais pas  
Elle est passée à côté de moi  
Sans un regard, reine de Saba  
J'ai dit Aicha, prend, tout est pour toi  
Voici les perles, les bijoux  
Aussi l'or autour de ton cou  
Les fruits bien mûrs au goût de miel  
Ma vie, Aïcha, si tu m'aimes  
J'irai où ton souffle nous mènent  
Dans les pays d'ivoire et d'ébène  
J'effacerai tes larmes, tes peines  
Rien n'est trop beau pour une si belle, ooh

Penso che un sogno così non ritorni mai più

Ché mi sento di morir

E se io muoio da partigiano  
O bella ciao, bella ciao, bella ciao, ciao, ciao  
E se io muoio da partigiano  
Tu mi devi seppellir

E seppellire lassù in montagna  
O bella ciao, bella ciao, bella ciao, ciao, ciao  
E seppellire lassù in montagna  
Sotto l'ombra di un bel fior

Tutte le genti che passeranno  
O bella ciao, bella ciao, bella ciao, ciao, ciao  
Tutte le genti che passeranno  
Mi diranno: Che bel fior

E quest' è il fiore del partigiano  
O bella ciao, bella ciao, bella ciao, ciao, ciao  
E quest'è il fiore del partigiano  
Morto per la libertà

## 4 Non Blondes - What's Up

*G Am C G*

Twenty-five years and my life is still  
Trying to get up that great big hill  
Of hope for a destination  
I realized quickly when I knew I should  
That the world was made up of this brotherhood  
Of man for whatever that means

**Chorus:**

**And so I cry sometimes  
When I'm lying in bed  
Just to get it all out  
What's in my head  
And I, I am feeling a little peculiar  
And so I wake in the morning  
And I step outside  
And I take a deep breath and I get real high  
And I scream from the top of my lungs,  
"What's going on?!"  
And I say, "Hey, hey, hey, hey!"  
I said, "Hey, what's going on?"  
And I say, "Hey, hey, hey, hey!"  
I said, "Hey, what's going on?"**

And I try, oh, my God, do I try  
I try all the time  
In this institution  
And I pray, oh, my God, do I pray  
I pray every single day  
For revolution

**Chorus**

Twenty-five years and my life is still  
Trying to get up that great big hill  
Of hope for a destination

## Adele - Rolling in the Deep

*Capo 3*

*Am Em G Em G*

There's a fire starting in my heart  
Reaching a fever pitch, it's bringing me out the dark  
Finally I can see you crystal clear  
Go ahead and sell me out and I'll lay your ship bare

See how I'll leave with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever pitch and it's bringing me out the dark

*F G Em F G F G Em E7*

The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love they leave me breathless  
I can't help feeling

**Chorus:**

*Am G F G*

**We could've had it all** (you're gonna wish you)  
**Rolling in the deep** (tears are gonna fall)  
**You had my heart inside** (you're gonna wish you)  
**Of your hands** (never had met me)  
**And you played it** (tears are gonna fall)  
**To the beat** (rolling in the deep)

*Am Em G Em G*

Baby, I have no story to be told  
But I've heard one on you, now I'm gonna make your head burn  
Think of me in the depths of your despair  
Make a home down there, as mine sure won't be shared

*F G Em F G F G Em E7*

The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love they leave me breathless  
I can't help feeling

**Chorus**

Throw your soul through every open door (whoa)  
Count your blessings to find what you look for (whoa)  
Turn my sorrow into treasured gold (whoa)  
You pay me back in kind and reap just what you've sown

## Adele - Set Fire To The Rain

*Capo 5*

*Am C G Dm*

I let it fall, my heart  
And as it fell, you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me  
My hands, they were strong  
But my knees were far too weak  
To stand in your arms  
Without falling to your feet

**Chorus:**

*F Dm Am Am F G*

**But there's a side to you  
That I never knew, never knew  
All the things you'd say  
They were never true, never true  
And the games you'd play  
You would always win, always win**

*Am G Dm F Am G*

**But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name, your name.**

When laying with you  
I could stay there  
Close my eyes, feel you here forever  
You and me together, nothing is better

**Chorus**

*F C/E Em G*

Sometimes I wake up by the door  
That heart you caught must be waiting for you  
Even now when we're already over  
I can't help myself from looking for you

**Chorus**

I set fire to the rain and I threw us into the flames  
When we fell, something died, 'cause I knew that that was  
the last time, the last time, oh

## Adele - Someone like you

*Capo 2*

*G D/F#m Em C*

I heard that you're settled down  
That you found a girl and you're married now  
I heard that your dreams came true  
Guess she gave you things, I didn't give to you  
Old friend, why are you so shy?  
Ain't like you to hold back or hide from the light  
I hate to turn up out of the blue, uninvited  
But I couldn't stay away, I couldn't fight it

*D Em C*

I had hoped you'd see my face  
And that you'd be reminded that for me, it isn't over

**Chorus:**

*G D Em C*

**Never mind, I'll find someone like you  
I wish nothing but the best for you, too  
Don't forget me, I beg  
I remember you said  
Sometimes it lasts in love, but sometimes it hurts instead  
Sometimes it lasts in love, but sometimes it hurts instead**

*G D/F#m Em C*

You know how the time flies  
Only yesterday was the time of our lives  
We were born and raised in a summer haze  
Bound by the surprise of our glory days  
I hate to turn up out of the blue, uninvited  
But I couldn't stay away, I couldn't fight it

*D Em C*

I had hoped you'd see my face  
And that you'd be reminded that for me, it isn't over

**Chorus**

*D Em C Am G C D*

Nothing compares, no worries or cares  
Regrets and mistakes, they're memories made  
Who would have known how bittersweet this would taste?

## AHA - Take On Me

***Bm E A D***

We're talking away  
I don't know what  
I'm to say I'll say it anyway  
Today's another day to find you

***Bm E F#m D***

Shying away  
I'll be coming for your love, okay?

**Chorus:**

***A E F#m D***

**Take on me (take on me)  
Take me on (take on me)  
I'll be gone  
In a day or two**

***Bm E A D***

So needless to say  
I'm odds and ends  
But I'll be stumbling away  
Slowly learning that life is okay

***Bm E F#m D***

Say after me  
It's no better to be safe than sorry

**Chorus**

***Bm E A D***

Oh, the things that you say, yeah  
Is it life or  
Just to play my worries away?  
You're all the things I've got to remember

***Bm E F#m D***

You're shying away  
I'll be coming for you anyway

**Chorus**

## **Amy MacDonald - This Is The Life**

### *Am F C Em*

Oh the wind whistles down  
The cold dark street tonight  
And the people they were dancing  
To the music vibe  
And the boys chase the girls, with curls in their hair  
While the shocked too many sit way over there  
And the songs get louder each one better than before

### **Chorus:**

**And you singing the song thinking this is the life  
And you wake up in the morning and your head feels twice the size  
Where you gonna go, where you gonna go, where you gonna sleep tonight?  
And you singing the song thinking this is the life  
And you wake up in the morning and your head feels twice the size  
Where you gonna go, where you gonna go, where you gonna sleep tonight?  
Where you gonna sleep tonight**

So you're heading down the road in your taxi for 4  
And you're waiting outside jimmy's front door  
But nobody's in and nobody's home till 4  
So you're sitting there with nothing to do  
Talking about Robert Ragger and his 1 leg crew  
And where you gonna go, where you gonna sleep tonight?

### **Chorus**

## Amy Winehouse - Valerie

*D# Fm D# Fm*

Well, sometimes I go out by myself  
And I look across the water  
And I think of all the things of what you're doing  
In my head I paint a picture

**Chorus:**

And I miss your ginger hair  
And the way you like to dress

Stop making a fool out of me**  
*D# Fm D# Fm*  
**Why don't you come on over, Valerie?

Did you have to go to jail?  
Put your house out up for sale?  
Did you get a good lawyer?  
I hope you didn't catch a tan,  
Hope you find the right man  
Who'll fix it for you  
Are you shopping anywhere?  
Change the color of your hair  
And are you busy?  
Did you have to pay that fine  
That you were dodging all the time?  
Are you still dizzy?

**Chorus**

*D# Fm D# Fm*

Well, sometimes I go out by myself  
And I look across the water  
And I think of all the things of what you're doing  
In my head I paint a picture

## Asaf Avidan - One Day (Reckoning Song)

*Capo 6*

*Am C G7 F*

No more tears, my heart is dry  
I don't laugh and I don't cry  
I don't think about you all the time  
But when I do, I wonder why

You had to go out of my door  
And leave just like you did before  
I know I said that I was sure  
But rich men can't imagine poor

**Chorus:**

**One day baby, we'll be old  
Oh baby, we'll be old  
And think of all the stories that we could have told  
One day baby, we'll be old  
Oh baby, we'll be old  
And think of all the stories that we could have told**

Little me and little you  
Kept doing all the things they do  
They never really think it through  
Like I can never think you're true  
Here I go again, the blame  
The guilt, the pain, the hurt, the shame  
The founding fathers of our plane  
That's stuck in heavy clouds of rain

**Chorus**

## Capo 1

### *F C G Am G*

Oh, she's sweet but a psycho, a little bit psycho  
At night she's screamin': "I'm-ma-ma-ma out my mind"  
Oh, she's hot but a psycho, a little bit psycho  
At night she's screamin': "I'm-ma-ma-ma out my mind"

She'll make you curse, but she's a blessin'  
She'll rip your shirt within a second  
You'll be coming back, back for seconds  
With your plate, you just can't help it  
No, no, you'll play along, Let her lead you on  
You'll be saying, "No, no"  
Then saying, "Yes, yes, yes"  
'Cause she messin' with your head

### Chorus

**Oh, she's sweet but a psycho, a little bit psycho  
At night she's screamin': "I'm-ma-ma-ma out my mind"  
Oh, she's hot but a psycho, a little bit psycho  
At night she's screamin': "I'm-ma-ma-ma out my mind"  
"Grab a cop gun" kinda crazy She's poison but tasty  
Yeah, people say, "Run, don't walk away"  
Cause she's sweet but a psycho, a little bit psycho  
At night she's screamin': "I'm-ma-ma-ma out my mind"**

### Chorus

See, someone said, "Don't drink her potions  
She'll kiss your neck with no emotion  
When she's mean, you know you love it  
'Cause she tastes so sweet, don't sugarcoat it"  
No, no, you'll play along  
Let her lead you on  
You'll be saying, "No (no, no, no), no (no)"  
Then saying, "Yes, yes, yes"  
'Cause she messin' with your head (hey)

### Chorus

You're just like me, you're out your mind  
I know it's strange, we're both the crazy kind  
You're tellin' me that I'm insane  
Boy, don't pretend that you don't love the pain

## Avici - Wake Me Up

*Capo 1*

*Am F C*

Feeling my way through the darkness  
Guided by a beating heart  
I can't tell where the journey will end  
But I know where to start  
They tell me I'm too young to understand  
They say I'm caught up in a dream  
Well life will pass me by if I don't open up my eyes  
Well that's fine by me

**Chorus:**

*Am F C G*

**So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself, and I  
Didn't know I was lost  
So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself, and I  
Didn't know I was lost**

*Am F C*

I tried carrying the weight of the world  
But I only have two hands  
Hope I get the chance to travel the world  
But I don't have any plans  
Wish that I could stay forever this young  
Not afraid to close my eyes  
Life's a game made for everyone  
And love is a prize

**Chorus**

I see the way you're acting like you're somebody else

*optimist: C G D*

E-o, e-o, e-o, e-o, e-o, e-o

E-o, e-o, e-o, e-o, e-o, e-o

I was left to my own devices  
Many days fell away with nothing to show  
And the walls kept tumbling down in the city that we love  
Grey clouds roll over the hills bringing darkness from above

**Chorus:**

**But if you close your eyes  
Does it almost feel like nothing changed at all?  
And if you close your eyes  
Does it almost feel like you've been here before?  
How am I gonna be an optimist about this?  
How am I gonna be an optimist about this?**

We were caught up and lost in all of our vices  
In your pose as the dust settled around us  
And the walls kept tumbling down in the city that we love  
Grey clouds roll over the hills bringing darkness from above

**Chorus**

Oh, where do we begin?  
The rubble or our sins?  
Oh, oh, where do we begin?  
The rubble or our sins?  
And the walls kept tumbling down in the city that we love  
Grey clouds roll over the hills bringing darkness from above

**Chorus**

## **Ben E. King - Stand By Me**

*A F#m D E*

When the night has come  
And the land is dark  
And the moon is the only light we'll see

No, I won't be afraid  
No, I won't be afraid  
Just as long as you stand  
Stand by me

**Chorus:**  
**So darlin', darlin', stand by me**  
**Oh, stand by me**  
**Oh, stand**  
**Stand by me, stand by me**

If the sky that we look upon  
Should tumble and fall  
Or the mountains should crumble to the sea  
I won't cry, I won't cry  
No I won't shed a tear  
Just as long as you stand  
Stand by me

**Chorus**

**Chorus**

## Ben Howard - Keep Your Head Up

*C Em G*

I spent my time watchin' the spaces that had grown between us.  
And I cut my mind on second best or the scars that come with the greenness.  
And I gave my eyes to the boredom, still the seabed wouldn't let me in,  
And I try my best to embrace the darkness in which I swim.

Now walkin' back down this mountain  
With the strength of a turnin' tide  
Oh the wind's so soft on my skin,  
The sun so hot upon my side.

Oh lookin' out at this happiness,  
I search for between the sheets.  
Oh feelin' blind to realize,  
All I was searchin' for was me.  
All I was searchin' for was me.

**Chorus:**

*Em D C*

**Keep your head up, keep your heart strong. No, no, no, no.  
Keep your mind set, keep your hair long. Oh my my darlin'  
Keep your head up, keep your heart strong. No no no no,  
Keep your mind set in your ways, Keep your heart strong.**

*C Em G*

And I saw a friend of mine the other day,  
And he told me that my eyes were gleamin'.  
Oh I said I'd been away, and he knew,  
Oh he knew the depths I was meanin'.  
And it felt so good to see his face,  
All the comfort invested in my soul.  
Oh to feel the warmth of his smile,  
When he said, "I'm happy to have you home."  
I'm happy to have you home.

**Chorus**

*G D Em G D C*

'Cause I'll always remember you the same.  
Oh eyes like wild flowers oh with your demons of change.

**Chorus**

*G D Em G D C*

'Cause I'll always remember you the same.  
Oh eyes like wild flowers oh with your demons of change.

Ain't no sunshine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she's gone  
And she's always gone too long  
Anytime she's goes away

Wonder this time where she's gone  
Wonder if she's gone to stay  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away

And I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know

Hey I oughta leave young thing alone

But ain't no sunshine when she's gone, woh woh  
Ain't no sunshine when she's gone  
Only darkness every day  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away  
Anytime she goes away  
Anytime she goes away  
Anytime she goes away

## Billy Talent - Surrender

*Am G Dm C E7*

She reads a book from across the street  
Waiting for someone that she'll never meet  
Talk over coffee for an hour or two  
She wonders why I'm always in a good mood  
Killing time before she struts her stuff  
She needs support and I've become the crutch  
She'll never know how much she means to me  
I'd play the game but I'm the referee

**Chorus:**

*F G Am D*

**(Surrender) every word, every thought, every sound  
(Surrender) every touch, every smile, every frown  
(Surrender) all the pain we've endured until now  
(Surrender) all the hope that I lost, it was found  
(Surrender) yourself to me**

Even though I know what I'm looking for  
She's got a brick wall behind her door  
I'd travel time and confess to her  
But I'm afraid she'd shoot the messenger

**Chorus**

I think I found a flower in a field of weeds

Searching until my hands bleed

## Black Eyed Peas - Where Is The Love?

*Capo 5*

*C G Am F*

What's wrong with the world, Mama?  
People livin' like they ain't got no mamas  
I think the whole world's addicted to the drama  
Only attracted to things that'll bring you trauma  
Overseas, yeah, we tryna stop terrorism  
But we still got terrorists here livin', In the USA, the big CIA  
The Bloods and the Crips and the KKK  
But if you only have love for your own race  
Then you only leave space to discriminate  
And to discriminate only generates hate  
And when you hate, then you're bound to get irate, yeah  
Madness is what you demonstrate  
and that's exactly how anger works and operates  
Man, you gotta have love just to set it straight  
Take control of your mind and meditate  
Let your soul gravitate to the love, y'all, y'all

**Chorus:**

**People killin', people dyin'  
Children hurt, and you hear them cryin'  
Can you practice what you preach?  
And would you turn the other cheek?  
Father, father, father, help us  
Send some guidance from above  
'Cause people got me, got me questioning  
Where is the love? Where is the love? (The love)  
Where is the love? (The love) Where is the love, the love, the love?**

It just ain't the same, old ways have changed  
New days are strange, is the world insane?  
If love and peace is so strong  
Why are there pieces of love that don't belong?  
Nations droppin' bombs  
Chemical gases filling lungs of little ones  
With ongoing sufferin' as the youth die young  
So ask yourself, is the lovin' really gone?  
So I can ask myself, really, what is going wrong  
With this world that we livin' in? People keep on givin' in  
Makin' wrong decisions, only visions of them dividends  
Not respectin' each other, deny thy brother  
A war is goin' on, but the reason's undercover  
The truth is kept secret, and swept under the rug  
If you never know truth, then you never know love  
Where's the love, y'all? Come on (I don't know)

### **Chorus**

I feel the weight of the world on my shoulder  
As I'm gettin' older, y'all people gets colder  
Most of us only care about money-makin'  
Selfishness got us followin' the wrong direction  
Wrong information always shown by the media  
Negative images is the main criteria  
Infecting the young minds faster than bacteria  
Kids wanna act like what they see in the cinema  
Yo, whatever happened to the values of humanity? (Yeah)  
Whatever happened to the fairness and equality? (Yeah)  
Instead of spreading love, we spreading animosity (Yeah)  
Lack of understanding leading us away from unity  
That's the reason why sometimes I'm feelin' under  
That's the reason why sometimes I'm feelin' down  
It's no wonder why sometimes I'm feelin' under  
Gotta keep my faith alive 'til love is found, now ask yourself

### **Chorus**

## Bob Dylan - Knockin On Heavens Door

*G D A m G D C*

Mama, take this badge off of me  
I can't use it anymore  
It's gettin' dark, too dark for me to see  
I feel like I'm knockin' on heaven's door

**Knock, knock, knockin' on heaven's door**  
**Knock, knock, knockin' on heaven's door**  
**Knock, knock, knockin' on heaven's door**

I can't shoot them anymore  
That long black cloud is comin' down  
I feel like I'm knockin' on heaven's door

## Bob Marley - No Woman, No Cry

*C G Am F*

**Chorus:**

**No, woman, no cry**

**No, woman, no cry**

**Little darlin', don't shed no tears**

**No, woman, no cry**

'Cause, 'cause, 'cause I remember when we used to sit  
In the government yard in Trenchtown  
Oba, observing the hypocrites, yeah  
Mingle with the good people we meet, yeah  
Good friends we have, oh, good friends we've lost  
Along the way, yeah  
In this great future, you can't forget your past  
So dry your tears, I say, yeah

**Chorus**

Eh, said, said, said, I remember when we used to sit  
In the government yard in Trenchtown, yeah  
And then Georgie would make the fire lights, I say  
A log wood burnin' through the night, yeah  
Then we would cook cornmeal porridge, I say  
Of which I'll share with you, yeah  
My feet is my only carriage  
And so I've got to push on through  
But while I'm gone

Everything's gonna be alright  
Everything's gonna be alright  
Everything's gonna be alright  
Everything's gonna be alright  
Everything's gonna be alright  
Everything's gonna be alright  
Everything's gonna be alright  
Everything's gonna be alright

## Bruno Mars - Just The Way You Are

*Capo 3*

*D Bm7 G D*

Oh, her eyes, her eyes  
Make the stars look like they're not shinin'  
Her hair, her hair  
Falls perfectly without her tryin'  
She's so beautiful and I tell her everyday  
Yeah, I know, I know  
When I compliment her, she won't believe me  
And it's so, it's so  
Sad to think that she don't see what I see  
But every time she asks me, "Do I look okay?"  
I say

**Chorus:**

**When I see your face  
There's not a thing that I would change  
'Cause you're amazing  
Just the way you are  
And when you smile  
The whole world stops and stares for a while  
'Cause girl, you're amazing  
Just the way you are  
Yeah**

Her lips, her lips  
I could kiss them all day if she'd let me  
Her laugh, her laugh  
She hates, but I think it's so sexy  
She's so beautiful and I tell her everyday  
Oh, you know, you know  
You know I'd never ask you to change  
If perfect's what you're searchin' for, then just stay the same  
So don't even bother askin' if you look okay  
You know I'll say

**Chorus**

## Carly Rae Jepsen - Call Me Maybe

*G Em C D*

I threw a wish in the well, don't ask me, I'll never tell  
I looked to you as it fell and now you're in my way  
I trade my soul for a wish, Pennies and dimes for a kiss  
I wasn't lookin' for this, but now you're in my way

Your stare was holdin', Ripped jeans, skin was showin'  
Hot night, wind was blowin', where you think you're goin', baby?

**Chorus:**

*G D C D*

**Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
It's hard to look right at you, baby  
But here's my number, so call me maybe  
Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
And all the other boys try to chase me  
But here's my number, so call me maybe**

*G Em C D*

You took your time with the call, I took no time with the fall  
You gave me nothin' at all, but still, you're in my way  
I beg and borrow and steal, at first sight, and it's real  
I didn't know I would feel it, but it's in my way

Your stare was holdin', Ripped jeans, skin was showin'  
Hot night, wind was blowin', where you think you're goin', baby?

**Chorus**

*G D C D*

Before you came into my life, I missed you so bad  
I missed you so bad, I missed you so, so bad  
Before you came into my life, I missed you so bad  
And you should know that, I missed you so, so bad

**Chorus**

*G D C D*

Before you came into my life, I missed you so bad  
I missed you so bad, I missed you so, so bad  
Before you came into my life, I missed you so bad  
And you should know that, I missed you so, so bad

## Cat Stevens - Father and Son

*G D C Am7 G Em Am7 D*

It's not time to make a change  
Just relax, take it easy  
You're still young, that's your fault  
There's so much you have to know  
Find a girl, settle down, If you want you can marry  
Look at me, I am old, but I'm happy

I was once like you are now  
And I know that it's not easy  
To be calm when you've found  
Something going on  
But take your time, think a lot  
Think of everything you've got  
For you will still be here tomorrow  
But your dreams may not

**Chorus:**

*G Bm C Am7 G Em Am7 D*  
**How can I try to explain?  
When I do he turns away again  
It's always been the same, same old story  
From the moment I could talk  
I was ordered to listen  
Now there's a way  
And I know that I have to go away  
I know I have to go**

*G D C Am7 G Em Am7 D*

It's not time to make a change  
Just relax, take it slowly  
You're still young, that's your fault  
There's so much you have to go through  
Find a girl, settle down, If you want you can marry  
Look at me, I am old, but I'm happy

**Chorus:**

*G Bm C Am7 G Em Am7 D*  
All the times that I've cried  
Keeping all the things I knew inside  
It's hard, but it's harder to ignore it  
If they were right I'd agree  
But it's them they know, not me  
Now there's a way  
And I know that I have to go away  
I know I have to go

## Catfish & the Bottlemen - 7

*Capo 3*

*G Em*

Larry, call a load of smoke in  
I wanna lose a couple days  
We've probably never struggled coping but  
I never want to

Promise again that I would call her  
Forget the time 'cause I'm seven hours behind  
It's probably good I didn't call, though  
But I always want to

**Chorus:**

*C Em D*

And I'd beg you  
But you know I'm never home  
And I love you but I need another year alone  
And I've tried to  
Ignore it every time you phone  
But I never come close

*G Em*

And I don't think through things  
I never get time  
'Cause I don't think things through

*G Em*

Larry call a load of smoke in  
I wanna disappear for days  
We've probably never struggled sleeping but  
I never want to

Promise again that I would call her  
Forget the time 'cause I'm seven hours behind  
It's probably good I didn't call though  
But I always want to

## Chris Isaak - Wicked Game

### *Bm A E*

The world was on fire and no one could save me but you  
It's strange what desire will make foolish people do  
I never dreamed that I'd meet somebody like you  
And I never dreamed that I'd lose somebody like you

### **Chorus:**

**No, I don't wanna fall in love (this world is only gonna break your heart)  
No, I don't wanna fall in love (this world is only gonna break your heart)**

**With you  
With you**

What a wicked game you play, to make me feel this way  
What a wicked thing to do, to let me dream of you  
What a wicked thing to say, you never felt this way  
What a wicked thing to do, to make me dream of you

### **Chorus**

The world was on fire and no one could save me but you  
Strange what desire will make foolish people do  
I never dreamed that I'd love somebody like you  
And I never dreamed that I'd lose somebody like you

## **Coldplay - Fix You**

*Capo 3*

*C C/Em Am7 G*

When you try your best, but you don't succeed  
When you get what you want, but not what you need  
When you feel so tired, but you can't sleep  
Stuck in reverse

And the tears come streaming down your face  
When you lose something you can't replace  
When you love someone, but it goes to waste  
Could it be worse?

**Chorus:**

*F C G Gsus4*

**Lights will guide you home  
And ignite your bones  
And I will try to fix you**

*C C/Em Am7 G*

And high up above, or down below  
When you're too in love to let it go  
But if you never try, you'll never know  
Just what you're worth

**Chorus**

*C F C G Am7 F C G*

Tears stream down your face  
When you lose something you cannot replace  
Tears stream down your face, and I

## Coldplay - Paradise

*Dm Bb F C*

When she was just a girl, she expected the world  
But it flew away from her reach  
So she ran away in her sleep and dreamed of

*Gm Bb F C*

Para-para-paradise, para-para-paradise, para-para-paradise  
Every time she closed her eyes

*Dm Bb F C*

When she was just a girl, she expected the world  
But it flew away from her reach and the bullets catch in her teeth

*Gm Bb F C Bb F*

Life goes on, it gets so heavy  
The wheel breaks the butterfly, every tear a waterfall

*Bb F C*

In the night, the stormy night, she'd close her eyes  
In the night, the stormy night, away she'd fly

**Chorus:**

*Gm Bb F C*

**And dream of para-para-paradise**

**Para-para-paradise**

**Para-para-paradise**

**She'd dream of para-para-paradise**

**Para-para-paradise**

**Para-para-paradise**

*Bb F C*

And so lying underneath those stormy skies  
She'd say, "oh, I know the sun must set to rise"

**Chorus:**

## Coldplay - The Scientist

*Capo 3*

*Bm7 G D Dsus2*

Come up to meet you, tell you I'm sorry  
You don't know how lovely you are

I had to find you, tell you I need you  
Tell you I set you apart

Tell me your secrets and ask me your questions  
Oh, let's go back to the start

Running in circles, coming up tails  
Heads on a science apart

**Chorus:**

*G D Dsus2 G D Dsus2 A7 D*

**Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh, take me back to the start**

*Bm7 G D Dsus2*

I was just guessing at numbers and figures  
Pulling the puzzles apart

Questions of science, science and progress  
Do not speak as loud as my heart

But tell me you love me, come back and haunt me  
Oh and I rush to the start

Running in circles, chasing our tails  
Coming back as we are

**Chorus**

# Coldplay - Viva La Vida

## *C D G Em*

I used to rule the world  
Seas would rise when I gave the word  
Now in the morning I sleep alone  
Sweep the streets I used to own

I used to roll the dice  
Feel the fear in my enemy's eyes  
Listened as the crowd would sing,  
"Now the old king is dead! Long live the king!"

One minute I held the key  
Next the walls were closed on me  
And I discovered that my castles stand  
Upon pillars of salt and pillars of sand

## **Chorus:**

**I hear Jerusalem bells a-ringing  
Roman cavalry choirs are singing  
Be my mirror, my sword and shield  
My missionaries in a foreign field  
For some reason I can't explain  
Once you'd gone there was never  
Never an honest word  
And that was when I ruled the world**

It was a wicked and wild wind  
Blew down the doors to let me in  
Shattered windows and the sound of drums  
People couldn't believe what I'd become  
Revolutionaries wait  
For my head on a silver plate  
Just a puppet on a lonely string  
Oh who would ever want to be king?

## **Chorus**

## **Chorus**

## Coldplay - Yellow

***D A G D A***

Look at the stars  
Look how they shine for you  
And everything you do  
Yeah, they were all yellow

I came along  
I wrote a song for you  
And all the things you do  
And it was called "Yellow"

So then I took my turn  
Oh, what a thing to have done  
And it was all yellow

**Chorus:**

***G Bm A***

**Your skin, oh yeah, your skin and bones  
Turn into something beautiful  
You know, you know I love you so  
You know I love you so**

***D A G D A***

I swam across  
I jumped across for you  
Oh, what a thing to do  
'Cause you were all yellow

I drew a line  
I drew a line for you  
Oh, what a thing to do  
And it was all yellow

**Chorus**

***G Bm A***

Your skin, oh yeah, your skin and bones  
Turn into something beautiful  
You know, For you I'd bleed myself dry  
For you, I'd bleed myself dry

***D A G D A***

It's true, Look how they shine for you  
Look how they shine for you  
Look how they shine for...

Look at the stars, Look how they shine for you  
And all the things that you do

## Counting Crows - Mr. Jones

*Am F Dm G Am F G*

I was down at the New Amsterdam staring at this yellow-haired girl  
Mr. Jones strikes up a conversation with a black-haired flamenco dancer  
You know she dances while his father plays guitar, She's suddenly beautiful  
And we all want something beautiful, Man I wish I was beautiful  
So come dance the silence down through the morning  
Sha-la-la-la-la-la-la, yeah, Uh huh, yeah  
Cut up, Maria, Show me some of them Spanish dances  
Pass me a bottle, Mr. Jones  
Believe in me, Help me believe in anything  
'Cause I wanna be someone who believes, Yeah

**Chorus**

*C F G G*

**Mr. Jones and me, Tell each other fairy tales And we stare at the beautiful women She's  
looking at you, Ah, no, no, she's looking at me Smilin' in the bright lights, Coming through  
in stereo When everybody loves you, You can never be lonely**

*Am F Dm G Am F G*

Well, I'm gon' paint my picture, Paint myself in blue and red and black and gray  
All of the beautiful colors are very, very meaningful  
Yeah, well, you know gray is my favorite color, I felt so symbolic yesterday  
If I knew Picasso, I would buy myself a gray guitar and play

**Chorus:**

*C F G G*

**Mr. Jones and me, Looked into the future  
Yeah, we stare at the beautiful women  
She's looking at you, I don't think so  
She's looking at me  
Standing in the spotlight  
I bought myself a gray guitar  
When everybody loves me  
I will never be lonely, I will never be lonely  
Said I'm never gonna be lonely**

*Am F Am G*

I wanna be a lion,  
Yeah, everybody wanna pass as cats  
We all wanna be big, big stars  
Yeah, but we got different reasons for that  
Believe in me, 'Cause I don't believe in anything  
And I wanna be someone to believe, to believe, to believe, Yeah

**Chorus 3:**

*C F G G*

Mr. Jones and me

Stumbling through the barrio  
Yeah, we stare at the beautiful women  
She's perfect for you  
Man, there's got to be somebody for me  
I wanna be Bob Dylan  
Mr. Jones wishes he was someone just a little more funky  
When everybody loves you, ah son  
That's just about as funky as you can be

**Chorus 4:**

***C F G G***

Mr. Jones and me  
Staring at the video  
When I look at the television, I want to see me  
Staring right back at me  
We all wanna be big stars  
But we don't know why, and we don't know how  
But when everybody loves me  
I'm wanna be just about as happy as I can be  
Mr. Jones and me  
We're gonna be big stars

## Deep Blue Something - Breakfast at Tiffany's

*D G A*

You'll say we've got nothing in common  
No common ground to start from  
And we're falling apart

You'll say the world has come between us  
Our lives have come between us  
Still I know you just don't care

**Chorus:**

*D A G*

And I said, "What about Breakfast at Tiffany's?"  
She said, "I think I remember the film  
And as I recall, I think we both kinda liked it"  
And I said, "Well, that's the one thing we've got"

*D G A*

I see you, the only one who knew me  
But now your eyes see through me  
I guess I was wrong

So what now? It's plain to see we're over  
And I hate when things are over  
When so much is left undone

**Chorus**

*D G A*

You'll say that we've got nothing in common  
No common ground to start from  
And we're falling apart  
You'll say the world has come between us  
Our lives have come between us  
Still I know you just don't care

## Dolly Parton - Jolene

*Am C G Am G Em Am*

### Chorus:

**Jolene, Jolene, Jolene, Jolene**  
**I'm begging of you please don't take my man**  
**Jolene, Jolene, Jolene, Jolene**  
**Please don't take him just because you can**

Your beauty is beyond compare  
With flaming locks of auburn hair  
With ivory skin and eyes of emerald green

Your smile is like a breath of spring  
Your voice is soft like summer rain  
And I cannot compete with you  
Jolene

He talks about you in his sleep  
And there's nothing I can do to keep  
From crying when he calls your name  
Jolene

And I can easily understand  
How you could easily take my man  
But you don't know what he means to me  
Jolene

### Chorus

You could have your choice of men  
But I could never love again  
He's the only one for me  
Jolene

I had to have this talk with you  
My happiness depends on you  
And whatever you decide to do  
Jolene

## Dua Lipa - Levitating

*Capo 2*

*Am Em Dm Am*

If you wanna run away with me, I know a galaxy  
And I can take you for a ride

I had a premonition that we fell into a rhythm  
Where the music don't stop for life

Glitter in the sky, glitter in my eyes

Shining just the way I like

If you're feeling like you need a little bit of company

You met me at the perfect time

You want me, I want you, baby, My sugarboo, I'm levitating  
The Milky Way, we're renegading, yeah, yeah, yeah, yeah, yeah

**Chorus:**

**I got you, moonlight, you're my starlight**

**I need you all night, come on, dance with me**

**I'm levitating**

**You, moonlight, you're my starlight (You're the moonlight)**

**I need you all night, come on, dance with me**

**I'm levitating**

**You can fly away with me tonight, you can fly away with me tonight**  
**Baby, let me take you for a ride, Yeah, yeah, yeah, yeah, yeah**  
**I'm levitating (Woo)**

I believe that you're for me, I feel it in our energy

I see us written in the stars

We can go wherever, so let's do it now or never

Baby, nothing's ever, ever too far

Glitter in the sky, glitter in our eyes

Shining just the way we are

I feel like we're forever every time we get together

But whatever, let's get lost on Mars

You want me, I want you, baby, My sugarboo, I'm levitating  
The Milky Way, we're renegading, yeah, yeah, yeah, yeah, yeah

**Chorus**

My love is like a rocket, watch it blast off

And I'm feeling so electric, dance my ass off

And even if I wanted to, I can't stop, Yeah, yeah, yeah, yeah, yeah

You want me, I want you, baby, My sugarboo, I'm levitating

The Milky Way, we're renegading, yeah, yeah, yeah, yeah, yeah

**Chorus**

## Duffy - Mercy

*Gm Dm7 C7*

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah

I love you  
But I gotta stay true  
My morals got me on my knees  
I'm begging, please, stop playing games

**Chorus:**

**I don't know what this is  
But you've got me good  
Just like you knew you would  
I don't know what you do  
But you do it well  
I'm under your spell**

**You got me begging you for mercy (yeah, yeah, yeah)  
Why won't you release me? (Yeah, yeah, yeah)  
You got me begging you for mercy (yeah, yeah, yeah)  
Why won't you release me? (Yeah, yeah, yeah)  
I said release me (yeah, yeah, yeah, yeah, yeah, yeah)**

Now you think that I  
Will be something on the side  
But you got to understand  
That I need a man  
Who can take my hand, yes, I do

**Chorus**

## Eagle Eye Cherry - Save Tonight

*Am F C G*

Go on and close the curtains  
'Cause all we need is candlelight  
You and me, and a bottle of wine  
Gonna hold you tonight, uh, yeah

Well, we know I'm going away  
And how I wish, I wish it weren't so  
So take this wine and drink with me  
Let's delay our misery

### **Chorus**

**Save tonight  
And fight the break of dawn  
Come tomorrow  
Tomorrow I'll be gone  
Save tonight  
And fight the break of dawn  
Come tomorrow  
Tomorrow I'll be gone**

There's a log on the fire  
And it burns like me for you  
Tomorrow comes with one desire  
To take me away, oh, it's true

It ain't easy to say goodbye  
Darlin', please, don't start to cry  
'Cause, girl, you know I've got to go, oh  
And, Lord, I wish it wasn't so

### **Chorus**

Tomorrow comes to take me away  
I wish that I, that I could stay  
But, girl, you know I've got to go, oh  
And, Lord, I wish it wasn't so

## Ed Sheeran - I See Fire

### *Capo 6*

Oh, misty eye of the mountain below  
Keep careful watch of my brothers' souls  
And should the sky be filled with fire and smoke  
Keep watching over Durin's sons

### *Em C D Em*

If this is to end in fire then we should all burn together  
Watch the flames climb high into the night  
Calling out father oh stand by and we will  
Watch the flames burn auburn on the mountain side  
And if we should die tonight then we should all die together  
Raise a glass of wine for the last time  
Calling out father oh, prepare as we will  
Watch the flames burn auburn on the mountain side  
Desolation comes upon the sky

### **Chorus**

### *Em G D C*

**Now I see fire inside the mountain  
I see fire burning the trees  
And I see fire hollowing souls  
I see fire, blood in the breeze**

### *Am Hm7 C*

**And I hope that you remember me**

### *Em C D Em*

Oh, should my people fall then surely I'll do the same  
Confined in mountain halls we got too close to the flame  
Calling out father oh, hold fast and we will  
Watch the flames burn auburn on the mountain side  
Desolation comes upon the sky

### **Chorus**

### *Em C D Em*

And if the night is burning  
I will cover my eyes  
For if the dark returns  
Then my brothers will die  
And as the sky is falling down  
It crashed into this lonely town  
And with that shadow upon the ground  
I hear my people screaming out

### **Chorus**

## Ed Sheeran - Perfect

*Capo 1*

*G Em C D*

I found a love, for me  
Darling, just dive right in and follow my lead  
Well, I found a girl, beautiful and sweet  
Oh, I never knew you were the someone waiting for me  
'Cause we were just kids when we fell in love  
Not knowing what it was, I will not give you up this time  
But darling, just kiss me slow, your heart is all I own  
And in your eyes, you're holding mine

**Chorus 1:**

*Em C G D*

**Baby, I'm dancing in the dark, with you between my arms  
Barefoot on the grass, listening to our favourite song  
When you said you looked a mess, I whispered underneath my breath  
But you heard it, Darling, you look perfect tonight**

*G Em C D*

Well, I found a woman, stronger than anyone I know  
She shares my dreams, I hope that someday I'll share her home  
I found a lover, to carry more than just my secrets  
To carry love, to carry children of our own  
We are still kids, but we're so in love  
Fighting against all odds  
I know we'll be alright this time  
Darling, just hold my hand  
Be my girl, I'll be your man  
I see my future in your eyes

**Chorus 2:**

*Em C G D*

**Baby, I'm dancing in the dark, with you between my arms  
Barefoot on the grass, listening to our favorite song  
When I saw you in that dress, looking so beautiful  
I don't deserve this, darling, you look perfect tonight**

**Chorus 3:**

*Em C G D*

**Baby, I'm dancing in the dark, with you between my arms  
Barefoot on the grass, listening to our favorite song  
I have faith in what I see, now I know I have met an angel in person  
And she looks perfect  
I don't deserve this, you look perfect tonight**

*G C Dsus4 G*

I don't deserve this, you look perfect tonight

## Ed Sheeran - Photograph

*Capo 2*

*D Bm A G*

Loving can hurt, loving can hurt sometimes  
But it's the only thing that I know  
When it gets hard, you know it can get hard sometimes  
It is the only thing makes us feel alive

**Chorus 1**

*Bm G D A*

**We keep this love in a photograph  
We made these memories for ourselves  
Where our eyes are never closing  
Hearts are never broken And time's forever frozen, still**

*D A Bm G*

**So you can keep me Inside the pocket of your ripped jeans  
Holding me closer 'til our eyes meet  
You won't ever be alone, wait for me to come home**

*D Bm A G*

Loving can heal, loving can mend your soul  
And it's the only thing that I know, know  
I swear it will get easier, remember that with every piece of ya  
and it's the only thing we take with us when we die

**Chorus 2**

*Bm G D A*

Hmm, we keep this love in a photograph  
We made these memories for ourselves  
Where our eyes are never closing  
Hearts were never broken  
And time's forever frozen, still

*D A Bm G*

**So you can keep me Inside the pocket of your ripped jeans  
Holding me closer 'til our eyes meet, You won't ever be alone  
And if you hurt me, That's okay, baby, only words bleed  
Inside these pages, you just hold me  
And I won't ever let you go wait for me to come home**

*Bm G D A*

**Wait for me to come home, Wait for me to come home**

*D A Bm G*

Oh, you can fit me, Inside the necklace you got when you were sixteen  
Next to your heartbeat where I should be Keep it deep within your soul  
And if you hurt me, Well, that's okay, baby, only words bleed Inside these pages, you just hold  
me And I won't ever let you go  
When I'm away, I will remember how you kissed me  
Under the lamppost back on Sixth street  
Hearing you whisper through the phone: "Wait for me to come home"

## Ed Sheeran - Shape of You

*C#m F#m A B*

The club isn't the best place to find a lover  
So the bar is where I go  
Me and my friends at the table doing shots  
Drinking fast and then we talk slow  
Come over and start up a conversation with just me  
And trust me I'll give it a chance now  
Take my hand, stop, put Van the Man on the jukebox  
And then we start to dance, and now I'm singing like

**Pre-Chorus:**

**Girl, you know I want your love  
Your love was handmade for somebody like me  
Come on now, follow my lead  
I may be crazy, don't mind me  
Say, boy, let's not talk too much  
Grab on my waist and put that body on me  
Come on now, follow my lead  
Come, come on now, follow my lead**

**Chorus:**

**I'm in love with the shape of you  
We push and pull like a magnet do  
Although my heart is falling too  
I'm in love with your body  
And last night you were in my room  
And now my bedsheets smell like you  
Every day discovering something brand new  
I'm in love with your body  
(Oh-I-oh-I-oh-I-oh-I) I'm in love with your body  
(Oh-I-oh-I-oh-I-oh-I) I'm in love with your body  
(Oh-I-oh-I-oh-I-oh-I) I'm in love with your body  
Every day discovering something brand new  
I'm in love with the shape of you**

One week in we let the story begin  
We're going out on our first date  
You and me are thrifty, so go all you can eat  
Fill up your bag and I fill up a plate  
We talk for hours and hours about the sweet and the sour  
And how your family is doing okay  
And leave and get in a taxi, then kiss in the backseat  
Tell the driver make the radio play, and I'm singing like

**Pre-Chorus & Chorus**

**Chorus**

## Ed Sheeran - Thinking Out Loud

*D D/F# G A*

When your legs don't work like they used to before  
And I can't sweep you off of your feet  
Will your mouth still remember the taste of my love  
Will your eyes still smile from your cheeks  
And darling I will be loving you 'til we're 70  
And baby my heart could still fall as hard at 23

**Chorus:**

*Em A D Em A*

*Em A Bm Em A*

And I'm thinking 'bout how people fall in love in mysterious ways Maybe just the touch of a  
hand Oh me I fall in love with you every single day And I just wanna tell you I am

*D D/F# G A*

So honey now, Take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart  
I'm thinking out loud

*Bm A G D/F# Em A D*

**Maybe we found love right where we are**

When my hair's all but gone and my memory fades  
And the crowds don't remember my name  
When my hands don't play the strings the same way, mm  
I know you will still love me the same  
'Cause honey your soul can never grow old, it's evergreen  
Baby your smile's forever in my mind and memory

**Chorus**

**Chorus**

## Edward Sharpe & the Magnetic Zeros - Home

*Bm D D/F# D G*

Alabama, Arkansas  
I do love my ma and pa  
Not that way that I do love you  
Well, holy moly, me oh my  
You're the apple of my eye  
Girl, I've never loved one like you  
Man, oh man, you're my best friend  
I scream it to the nothingness  
There ain't nothing that I need  
Well, hot and heavy, pumpkin pie  
Chocolate candy, Jesus Christ  
Ain't nothing please me more than you

### **Chorus:**

**Oh, home, let me come home  
Home is wherever I'm with you  
Oh, home, let me come home  
Home is wherever I'm with you  
La, la, la, la, take me home**

(Daddy) Mother, I'm coming home  
I'll follow you into the park  
Through the jungle, through the dark  
Girl, I never loved one like you (hey)  
Moats and boats and waterfalls  
Alleyways and pay phone calls  
I've been everywhere (hey) with you  
That's true, laugh until we think we'll die  
Barefoot on a summer night  
Never could be sweeter than with you (hey)  
And in the streets you run a-free  
Like it's only you and me  
Geez, you're something to see

### **Chorus**

## Enrique Iglesias - Hero

*G Em C2 Dsus4*

Would you dance, if I asked you to dance?  
Would you run, and never look back?  
Would you cry, if you saw me cryin'?  
And would you save my soul tonight?

Would you tremble, if I touched your lips?  
Would you laugh? Oh, please, tell me this  
Now, would you die for the one you loved?  
Hold me in your arms tonight

**Chorus:**

*G D C D*

**I can be your hero, baby  
I can kiss away the pain  
I will stand by you forever  
You can take my very breath away**

*G Em C2 Dsus4*

Would you swear that you'll always be mine?  
Or would you lie? Would you run and hide?  
Am I in too deep? Have I lost my mind?  
I don't care, you're here tonight

**Chorus**

**Chorus**

## **Eurythmics - Sweet Dreams**

*Cm G# G*

**Chorus:**

**Sweet dreams are made of this  
Who am I to disagree  
I travel the world and the seven seas  
Everybody's looking for something**

Some of them want to use you  
Some of them want to get used by you  
Some of them want to abuse you  
Some of them want to be abused

**Chorus**

*Cm F*

Hold your head up, keep your head up, movin' on  
Hold your head up, movin' on  
keep your head up, movin' on  
Hold your head up, movin' on  
keep your head up, movin' on  
Hold your head up, movin' on  
keep your head up

**Chorus**

## Foo Fighters - Walk

*A E Bm Dm*

A million miles away  
Your signal in the distance  
To whom it may concern  
I think I lost my way  
Getting good at starting over  
Every time that I return

**Chorus:**

**Learning to walk again  
I believe I've waited long enough  
Where do I begin?  
Learning to talk again  
Can't you see I've waited long enough?  
Where do I begin?**

Do you remember the days?  
We built these paper mountains  
Then sat and watched them burn  
I think I found my place  
Can't you feel it growing stronger  
Little conquerors

**Chorus**

*A E F#m D Dm*

Now, For the very first time  
Don't you pay no mind  
Set me free, again  
To keep alive, a moment at a time  
That's still inside, a whisper to a riot  
The sacrifice, the knowing to survive  
The first decline, another state of mind  
I'm on my knees, I'm praying for a sign  
Forever, whenever, I never wanna die  
I never wanna die, I never wanna die  
I'm on my knees, I never wanna die  
I'm dancing on my grave  
I'm running through the fire  
Forever, whenever  
I never wanna die  
I never wanna leave  
I'll never say goodbye  
Forever, whenever, Forever, whenever

**Chorus**

## Fools Garden - Lemon Tree

*Em Hm (4x) Am Hm Em*

I'm sitting here in a boring room, it's just another rainy Sunday afternoon.  
I'm wasting my time, I got nothing to do.  
I'm hanging around, I'm waiting for you,  
But nothing ever happens - and I wonder.

I'm driving around in my car, I'm driving too fast, I'm Driving too far.  
I'd like to change my point of view.  
I feel so lonely, I'm waiting for you,  
But nothing ever happens - and I wonder.

**Chorus:**

*G D Em Hm C D G D*

**I wonder how, I wonder why  
Yesterday you told me 'Bout the blue blue sky  
And all that I can see is just A yellow lemon tree.  
I'm turning my head up and down  
I'm turning, turning, turning, turning, turning around.  
And all that I can see is just another lemon tree.**

*Em Hm (4x) Am Hm Em*

I'm sitting here, I miss the power  
I'd like to go out, Taking a shower,  
but there's a heavy cloud inside my head.  
I feel so tired, put myself into bed,  
where nothing ever happens - and I wonder.

*E Am G C E*

Isolation - is not the good for me.  
Isolation - I don't want to sit on a lemon tree.

*Em Hm (4x) Am Hm Em*

I'm steppin' around in a desert of joy. Baby anyhow I'll get  
Another toy and everything will happen - and you'll wonder.

**Chorus**

## Gloria Gaynor - I Will Survive

*Am7 Dm7 G7 Cmaj7 F7 Bm7 Esus4 E*

At first I was afraid, I was petrified  
Kept thinking I could never live without you by my side  
But then I spent so many nights thinking how you did me wrong  
And I grew strong And I learned how to get along  
And so you're back from outer space  
I just walked in to find you here with that sad look upon your face  
I should have changed that stupid lock, I should have made you leave your key  
If I'd known for just one second you'd be back to bother me

### Chorus:

**Go on now, go, walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye?  
You think I'd crumble?  
You think I'd lay down and die?  
Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll stay alive  
I've got all my life to live  
And I've got all my love to give and I'll survive  
I will survive, hey, hey**

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of my broken heart  
And I spent oh-so many nights just feeling sorry for myself  
I used to cry  
But now I hold my head up high and you see me, Somebody new  
I'm not that chained-up little person still in love with you  
And so you felt like dropping in and just expect me to be free  
Well, now I'm saving all my lovin' for someone who's loving me

### Chorus

### Chorus

## Gnarls Barkley - Crazy

*Em G C H7*

I remember when, I remember, I remember when I lost my mind  
There was something so pleasant about that place.  
Even your emotions had an echo  
In so much space

And when you're out there, Without care,  
Yeah, I was out of touch  
But it wasn't because I didn't know enough  
I just knew too much

**Chorus:**

**Does that make me crazy?  
Does that make me crazy?  
Does that make me crazy?  
Possibly**

*E C G H7*

And I hope that you are having the time of your life  
But think twice, that's my only advice

*Em G C H7*

Come on now, who do you, who do you, who do you, who do you think you are,  
Ha ha ha bless your soul  
You really think you're in control

**Chorus:**

**Well, I think you're crazy  
I think you're crazy  
I think you're crazy  
Just like me**

*E C G H7*

My heroes had the heart to lose their lives out on a limb  
And all I remember is thinking, I want to be like them

*Em G C H7*

Ever since I was little, ever since I was little it looked like fun  
And it's no coincidence I've come  
And I can die when I'm done

**Chorus:**

**Maybe I'm crazy  
Maybe you're crazy  
Maybe we're crazy  
Probably**

## Gossip - Heavy Cross

*Em D*

It's a cruel, cruel world to face on your own  
A heavy cross to carry along  
The lights are on but everyone's gone  
And it's cruel

It's a funny way to make ends meet  
When the lights are out on every street  
It feels alright but never complete  
Without joy

**Chorus:**

**I checked you, if it's already been done  
Undo it  
It takes two, it's up to me and you  
To prove it**

On the rainy nights even the coldest days  
You're moments ago but seconds away  
The principle of nature, it's true but  
It's a cruel world

We can play it safe or play it cool  
Follow the leader or make up all the rules  
Whatever you want, the choice is yours  
So choose

**Chorus**

**Chorus**

**Chorus**

## Gotye - Somebody That I Used To Know

*Capo 5*

*Am G*

Now and then I think of when we were together  
Like when you said you felt so happy you could die  
Told myself that you were right for me  
But felt so lonely in your company  
But that was love, and it's an ache I still remember

You can get addicted to a certain kind of sadness  
Like resignation to the end, always the end  
So, when we found that we could not make sense  
Well, you said that we would still be friends  
But I'll admit that I was glad it was over

**Chorus:**

*Am G F G*

**But you didn't have to cut me off  
Make out like it never happened and that we were nothin'  
And I don't even need your love  
But you treat me like a stranger, and that feels so rough  
No, you didn't have to stoop so low  
Have your friends collect your records and then change your number  
Guess that I don't need that, though  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know**

*Am G*

Now and then, I think of all the times you screwed me over  
But had me believin' it was always somethin' that I'd done

**G**

But I don't wanna live that way  
Readin' into every word you say  
You said that you could let it go  
And I wouldn't catch you hung up on somebody that you used to know

**Chorus**

## Green Day - Boulevard of Broken Dreams

### *Capo 1*

*Em G Dsus2 Am7*

I walk a lonely road  
The only one that I have ever known  
Don't know where it goes  
But it's home to me and I walk alone

I walk this empty street  
On the Boulevard of Broken Dreams  
Where the city sleeps  
And I'm the only one and I walk alone

### **Chorus:**

*C G Dsus2 Am7*

**My shadow's the only one that walks beside me  
My shallow heart's the only thing that's beating  
Sometimes I wish someone out there will find me  
'Til then I walk alone**

*Em G Dsus2 Am7*

I'm walking down the line  
That divides me somewhere in my mind  
On the border line  
Of the edge and where I walk alone

Read between the lines  
Of what's fucked up and everything's alright  
Check my vital signs  
To know I'm still alive and I walk alone

### **Chorus**

*Em G Dsus2 Am7*

I walk this empty street  
On the Boulevard of Broken Dreams  
Where the city sleeps  
And I'm the only one and I walk a...

## **Green Day - Good Riddance**

*G G Cadd9 D*

Another turning point, a fork stuck in the road  
Time grabs you by the wrist, directs you where to go

*Em D C G*

So make the best of this test, and don't ask why  
It's not a question, but a lesson learned in time

**Chorus:**

*Em G Em G Em D G*

**It's something unpredictable  
But in the end, it's right  
I hope you had the time of your life**

*G G Cadd9 D*

So take the photographs and still frames in your mind  
Hang it on a shelf in good health and good time

*Em D C G*

Tattoos of memories, and dead skin on trial  
For what it's worth, it was worth all the while

**Chorus**

**Chorus**

## **Green Day - Basket Case**

***G D Em Bm C G D***

Do you have the time to listen to me whine  
About nothing and everything all at once?  
I am one of those Melodramatic fools  
Neurotic to the bone, No doubt about it

**Chorus:**

***C G D***

**Sometimes I give myself the creeps  
Sometimes my mind plays tricks on me  
It all keeps adding up**

***F Em C D***

I think I'm cracking up  
Am I just paranoid  
Or am I just stoned?

***G D C D***

***G D Em Bm C G D***

I went to a shrink To analyze my dreams  
She says it's lack of sex that's bringing me down  
I went to a whore, He said my life's a bore  
So quit my whining 'cause it's bringing her down

**Chorus**

***C D G D***

Grasping to control  
So I better hold on

**Chorus**

## Harry Styles - Watermelon Sugar

*Dm7 Am7 C G*

Tastes like strawberries on a summer evenin'  
And it sounds just like a song  
I want more berries and that summer feelin'  
' It's so wonderful and warm  
Breathe me in, breathe me out  
I don't know if I could ever go without  
I'm just thinking out loud  
I don't know if I could ever go without

**Chorus:**

**Watermelon sugar high, watermelon sugar high  
Watermelon sugar high, watermelon sugar high  
Watermelon sugar**

Strawberries on a summer evenin'  
Baby, you're the end of June  
I want your belly and that summer feelin'  
Getting washed away in you  
Breathe me in, breathe me out  
I don't know if I could ever go without

**Chorus**

I just wanna taste it, I just wanna taste it  
Watermelon sugar high  
Tastes like strawberries on a summer evenin'  
And it sounds just like a song  
I want your belly and that summer feelin'  
I don't know if I could ever go without

## Imagine Dragons - Demons

### *Capo 3*

### *C G Am F*

When the days are cold  
And the cards all fold  
And the saints we see are all made of gold  
When your dreams all fail  
And the ones we hail  
Are the worst of all, and the blood's run stale  
I wanna hide the truth  
I wanna shelter you  
But with the beast inside  
There's nowhere we can hide  
No matter what we breed  
We still are made of greed  
This is my kingdom come, This is my kingdom come

### **Chorus:**

**When you feel my heat, look into my eyes  
It's where my demons hide, It's where my demons hide  
Don't get too close, it's dark inside  
It's where my demons hide, It's where my demons hide**

At the curtain's call, it's the last of all  
When the lights fade out, all the sinners crawl  
So they dug your grave  
And the masquerade  
Will come calling out at the mess you've made  
Don't wanna let you down  
But I am hell-bound  
Though this is all for you  
Don't wanna hide the truth  
No matter what we breed  
We still are made of greed  
This is my kingdom come, This is my kingdom come

### **Chorus**

They say it's what you make  
I say it's up to fate  
It's woven in my soul  
I need to let you go  
Your eyes, they shine so bright  
I wanna save that light  
I can't escape this now  
Unless you show me how

### **Chorus**

## Imagine Dragons - Radioactive

*Capo 2*

*Am C G D*

I'm waking up to ash and dust  
I wipe my brow and I sweat my rust  
I'm breathing in the chemicals  
I'm breaking in, shaping up, then checking out on the prison bus  
This is it, the apocalypse

**Chorus:**

**Whoa**

**I'm waking up, I feel it in my bones  
Enough to make my systems blow  
Welcome to the new age, to the new age  
Welcome to the new age, to the new age  
Whoa, oh, oh, oh, oh, whoa, oh, oh, oh  
I'm radioactive, radioactive  
Whoa, oh, oh, oh, oh, whoa, oh, oh, oh  
I'm radioactive, radioactive**

I raise my flags, don my clothes  
It's a revolution, I suppose  
We'll paint it red to fit right in  
Whoa  
I'm breaking in, shaping up, then checking out on the prison bus  
This is it, the apocalypse

**Chorus**

All systems go, the sun hasn't died  
Deep in my bones, straight from inside

**Chorus**

## Jack Johnson - Banana Pancakes

*Am7 G7*

Well, can't you see that it's just rainin'?  
There ain't no need to go outside

*C7 G D9 Am7*

But baby you hardly even notice when I try to show you this  
Song is meant to keep you, doin' what you're supposed to  
Wakin' up too early, maybe we could sleep in  
Make you banana pancakes, pretend like it's the weekend now

**Chorus:**

*G7 Am7 G7*

**We could pretend it all the time  
Can't you see that it's just rainin'?  
There ain't no need to go outside**

*C7 G D9 Am7*

But just maybe, like a ukulele, mama made a baby  
Really don't mind the practice 'cause you're my little lady  
Lady, lady love me 'cause I love to lay here lazy  
We could close the curtains, pretend like there's no world outside

**Chorus:**

*G7 Am7 G7*

**Then we could pretend it all the time  
And can't you see that it's just rainin'?  
There ain't no need to go outside  
Ain't no need, ain't no need  
Mmm, mmm, mmm, mmm  
Can't you see, can't you see?  
Rain all day and I don't mind**

*Am7 D Am7 D*

But the telephone's singing, ringing  
It's too early, don't pick it up, We don't need to  
We got everything we need right here  
And everything we need is enough, just so easy

*Bm Em C G D G*

when the whole world fits inside of your arms  
Do we really need to pay attention to the alarm?  
Wake up slow, Mmm-mmm, wake up slow

**Chorus**

## Jack Johnson - Sitting, Waiting, Wishing

*Am Am7 G G7 F F7 C C7*

Well I was sitting, waiting, wishing  
You believed in superstitions  
Then maybe you'd see the signs  
But Lord knows that this world is cruel  
And I ain't the Lord, no I'm just a fool  
Learning loving somebody don't make them love you

**Chorus:**

*E Esus4 E Esus4 Am7*

**Must I always be waiting, waiting on you?  
Must I always be playing, playing your fool?**

*Am Am7 G G7 F F7 C C7*

I sang your songs, I danced your dance  
I gave your friends all a chance  
Putting up with them wasn't worth never having you  
Ah, maybe you've been through this before  
But it's my first time, so please ignore  
The next few lines 'cause they're directed at you

**Chorus**

*C E F G*

I keep playing your part  
But it's not my scene  
Want this plot to twist  
I've had enough mystery  
Keep building it up  
But then you're shooting me down  
But I'm already down

*Am Am7 G G7 F F7 C C7*

Just wait a minute  
Just sitting, waiting

*Am Am7 G G7 F F7 C C7*

Well, if I was in your position  
I'd put down all my ammunition  
I'd wonder why it had taken me so long  
But Lord knows that I'm not you  
And if I was I wouldn't be so cruel  
'Cause waiting on love ain't so easy to do

**Chorus**

## Jack Johnson - Upside Down

*E F#m*

Who's to say what's impossible  
Well, they forgot this world keeps spinning  
And with each new day  
I can feel a change in everything  
And as the surface breaks, reflections fade  
But in some ways, they remain the same  
And as my mind begins to spread its wings  
There's no stopping curiosity

**Chorus:**

*E F#m A B*

**I want to turn the whole thing upside down  
I'll find the things they say just can't be found  
I'll share this love I find with everyone  
We'll sing and dance to Mother Nature's songs  
I don't want this feeling to go away**

*E F#m*

Who's to say I can't do everything  
Well, I can try  
And as I roll along, I begin to find  
Things aren't always just what they seem

**Chorus**

*A B G#m F#m G#m A B*

This world keeps spinning and there's no time to waste  
Well, it all keeps spinning, spinning 'round and 'round and

*E F#m A B*

Upside down  
Who's to say what's impossible and can't be found?  
I don't want this feeling to go away

*E F#m*

Please don't go away  
Please don't go away  
Please don't go away  
Is this how it's supposed to be?  
Is this how it's supposed to be?

## Jason Mraz - I'm Yours

*Capo 4*  
*G D Em C*

Well, you done done me and you bet I felt it  
I tried to be chill, but you're so hot that I melted  
I fell right through the cracks  
Now I'm trying to get back

Before the cool done run out  
I'll be giving it my bestest  
And nothing's gonna stop me but divine intervention  
I reckon it's again my turn  
To win some or learn some

### **Chorus:**

**So I won't hesitate no more, no more**  
**It cannot wait, I'm sure**  
**There's no need to complicate**  
**Our time is short**  
**This is our fate, I'm yours**

Well, open up your mind and see like me  
Open up your plans and, damn, you're free  
And look into your heart and you'll find love, love, love, love  
Listen to the music of the moment, people dance and sing  
We're just one big family  
And it's our God-forsaken right to be loved, loved, loved, loved, loved

### **Chorus**

I've been spending way too long checking my tongue in the mirror  
And bending over backwards just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and I laughed  
I guess what I've been saying is there ain't no better reason  
To rid yourself of vanities and just go with the seasons  
It's what we aim to do, Our name is our virtue

### **Chorus**

Well, open up your mind and see like me  
Open up your plans and, damn, you're free  
And look into your heart, and you'll find that the sky is yours  
So please don't, please don't, please don't  
There's no need to complicate  
'Cause our time is short  
This, oh this, this is our fate, I'm yours

## Jeff Buckley - Hallelujah

*C Am C Am F G C G*

I heard there was a secret chord  
That David played and it pleased the Lord  
But you don't really care for music, do you?

*C F G Am F G E7 Am*

Well it goes like this the fourth, the fifth  
The minor fall and the major lift  
The baffled king composing Hallelujah

**Chorus:**

*F Am F C G C Am C Am*

**Hallelujah, Hallelujah, Hallelujah, Hallelu-u-u-u-ujah**

*C Am C Am F G C G*

Well your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you

*C F G Am F G E7 Am*

She tied you to her kitchen chair  
She broke your throne and she cut your hair  
And from your lips, she drew the Hallelujah

**Chorus**

*C Am C Am F G C G*

Baby, I've been here before  
I've seen this room and I've walked this floor  
You know, I used to live alone before I knew you

*C F G Am F G E7 Am*

And I've seen your flag on the marble arch  
And Love is not a victory march  
It's a cold and it's a broken Hallelujah

**Chorus**

*C Am C Am F G C G*

Well, there was a time when you let me know  
What's really going on below  
But now you never show that to me, do you?

*C F G Am F G E7 Am*

But remember, when I moved in you  
And the holy dove was moving too  
And every breath, we drew was Hallelujah

**Chorus**

## Jessie J - Price Tag

*Capo 5*

*C Em Am F*

Seems like everybody's got a price  
I wonder how they sleep at night  
When the sale comes first and the truth comes second  
Just stop for a minute and smile  
Why is everybody so serious?  
Acting so damn mysterious  
Got shades on your eyes  
And your heels so high that you can't even have a good time

Everybody look to their left  
Everybody look to their right  
Can you feel that? Yeah  
We're paying with love tonight

**Chorus:**

**It's not about the money, money, money  
We don't need your money, money, money  
We just wanna make the world dance  
Forget about the price tag  
Ain't about the, uh, cha-ching cha-ching  
Ain't about the, yeah, ba-bling ba-bling  
Wanna make the world dance  
Forget about the price tag**

We need to take it back in time  
When music made us all unite  
And it wasn't low blows and video hoes  
Am I the only the one getting tired?  
Why is everybody so obsessed?  
Money can't buy us happiness  
Can we all slow down and enjoy right now?  
Guarantee we'll be feeling alright

Everybody look to their left (to their left)  
Everybody look to their right (to their right)  
Can you feel that? Yeah  
We're paying with love tonight

## John Denver - Country Roads

*A F#m E D A*

Almost Heaven, West Virginia  
Blue Ridge Mountains, Shenandoah River  
Life is old there, older than the trees  
Younger than the mountains, growin' like a breeze

**Chorus:**

*A E F#m D*

**Country roads, take me home  
To the place I belong  
West Virginia, mountain mama  
Take me home, country roads**

*A F#m E D A*

All my memories gather 'round her  
Miner's lady, stranger to blue water  
Dark and dusty, painted on the sky  
Misty taste of moonshine, teardrop in my eye

**Chorus**

*F#m E A D A E F#m E D E*

I hear her voice in the mornin' hour, she calls me  
The radio reminds me of my home far away  
Drivin' down the road, I get a feelin'  
That I should've been home yesterday, yesterday

**Chorus**

**Chorus**

## John Denver - Leaving On A Jetplane

*G C G C G C D*

All my bags are packed, I'm ready to go  
I'm standin' here outside your door  
I hate to wake you up to say goodbye

But the dawn is breakin', It's early morn  
The taxi's waitin', He's blowin' his horn  
Already I'm so lonesome, I could cry

### **Chorus:**

**So kiss me and smile for me  
Tell me that you'll wait for  
Hold me like you'll never let me go  
'Cause I'm leavin' on a jet plane  
Don't know when I'll be back again  
Oh babe, I hate to go**

There's so many times I've let you down  
So many times I've played around  
I tell you now, they don't mean a thing

Every place I go, I'll think of you  
Every song I sing, I'll sing for you  
When I come back, I'll bring your wedding ring

### **Chorus**

Now the time has come to leave you  
One more time Let me kiss you  
Then close your eyes And I'll be on my way

Dream about the days to come  
When I won't have to leave alone  
About the times, I won't have to say

### **Chorus**

## John Legend - All of Me

### *Capo 1*

*F#m D A E*

What would I do without your smart mouth?  
Drawing me in and you kicking me out  
You've got my head spinning, no kidding  
I can't pin you down  
What's going on in that beautiful mind  
I'm on your magical mystery ride  
And I'm so dizzy, don't know what hit me  
But I'll be alright

*Bm A E*

My head's under water, but I'm breathing fine  
You're crazy and I'm out of my mind

**Chorus:**

*A F#m Bm D E*

'Cause all of me loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me  
I'll give my all to you  
You're my end and my beginning  
Even when I lose I'm winning

*F#m D A E*

'Cause I give you all of me  
And you give me all of you, oh oh

*F#m D A E*

How many times do I have to tell you?  
Even when you're crying you're beautiful too  
The world is beating you down, I'm around through every mood  
You're my downfall, you're my muse  
My worst distraction, my rhythm and blues  
I can't stop singing, it's ringing, in my head for you

*Bm A E*

My head's under water, but I'm breathing fine  
You're crazy and I'm out of my mind

**Chorus**

*Bm A E*

Cards on the table, we're both showing hearts  
Risking it all, though it's hard

**Chorus**

## **John Mayer - Free Fallin'**

### *G C Em D*

She's a good girl, loves her mama  
Loves Jesus and America too  
She's a good girl, crazy about Elvis  
Loves horses and her boyfriend too  
Yeah, yeah

It's a long day living in Reseda  
There's a freeway running through the yard  
I'm a bad boy 'cause I don't even miss her  
I'm a bad boy for breaking her heart

### **Chorus:**

**And I'm free  
Free fallin', fallin'  
And I'm free  
Free fallin', fallin'**

All the vampires walking through the valley  
They move west down Ventura Boulevard  
And all the bad boys are standing in the shadows  
And the good girls are home with broken hearts

### **Chorus**

I want to glide down over Mulholland  
I want to write her, her name in the sky  
I want to free fall out into nothing  
Oh, I'm gonna leave this, this world for a while

## Justin Bieber - Love Yourself

### Capo 4

*C G/B Am Dm C G/B*

For all the times that you rained on my parade  
And all the clubs you get in using my name  
You think you broke my heart, oh, girl, for goodness' sake  
You think I'm crying on my own, well, I ain't  
And I didn't wanna write a song  
'Cause I didn't want anyone thinkin' I still care, I don't, but  
You still hit my phone up And baby, I'll be movin' on  
And I think you should be somethin' I don't wanna hold back  
Maybe you should know that

### Pre-Chorus:

*Am F C G*

**My mama don't like you and she likes everyone  
And I never like to admit that I was wrong  
And I've been so caught up in my job  
Didn't see what's going on, but now I know  
I'm better sleeping on my own**

### Chorus:

*C G Am F C F C*

**'Cause if you like the way you look that much  
Oh, baby, you should go and love yourself  
And if you think that I'm still holdin' on to somethin'  
You should go and love yourself**

*C G/B Am Dm C G/B*

But when you told me that you hated my friends  
The only problem was with you and not them  
And every time you told me my opinion was wrong  
And tried to make me forget where I came from  
And I didn't wanna write a song  
'Cause I didn't want anyone thinkin' I still care, I don't, but  
You still hit my phone up And baby, I'll be movin' on  
And I think you should be somethin' I don't wanna hold back  
Maybe you should know that

### Pre-Chorus & Chorus

*C G/B Am Dm C G/B*

For all the times that you made me feel small  
I fell in love, now I feel nothin' at all  
I never felt so low and I was vulnerable  
Was I a fool to let you break down my walls?

### Chorus

## Katy Perry - Hot N Cold

### *G D Am C*

You change your mind  
Like a girl changes clothes  
Yeah you, PMS  
Like a bitch  
I would know  
And you over think  
Always speak  
Cryptically  
I should know  
That you're no good for me

### **Chorus:**

**'Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down  
You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
(You) You don't really want to stay, no  
(You) But you don't really want to go  
You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down**

We used to be  
Just like twins  
So in sync  
The same energy  
Now's a dead battery  
Used to laugh 'bout nothing  
Now you're plain boring  
I should know  
That you're not gonna change

### **Chorus**

### *Em C G D*

Someone call the doctor  
Got a case of a love bipolar  
Stuck on a roller coaster  
Can't get off this ride

### **Chorus**

## Katy Perry - The One That Got Away

*Capo 4*

*C Em Am F*

Summer after high school when we first met  
We make out in your Mustang to Radiohead  
And on my 18th birthday we got matching tattoos  
Used to steal your parents' liquor and climb to the roof  
Talk about our future like we had a clue  
Never planned that one day, I'd be losing you

**Chorus:**

**In another life  
I would be your girl  
We keep all our promises  
Be us against the world  
In another life  
I would make you stay  
So I don't have to say  
You were the one that got away  
The one that got away**

I was June and you were my Johnny Cash  
Never one without the other we made a pact  
Sometimes when I miss you  
I put those records on  
Someone said you had your tattoo removed  
Saw you downtown singing the blues  
Its time to face the music  
I'm no longer your muse

**Chorus**

*G Am F*

All this money can't buy me a time machine, no  
Can't replace you with a million rings, no  
I should've told you what you meant to me (whoa)  
Cause now I pay the price

**Chorus**

## Kelly Clarkson - Since U Been Gone

*G Em*

Here's the thing, we started out friends  
It was cool, but it was all pretend  
Yeah, yeah, Since you been gone  
You're dedicated, you took the time  
Wasn't long 'til I called you mine  
Yeah, yeah, Since you been gone

*G Em G*

And all you'd ever hear me say  
Is how I picture me with you (You, you)  
That's all you'd ever hear me say

**Chorus:**

*Bm C G Bm C G Em C G*  
**But since you been gone**  
**I can breathe for the first time**  
**I'm so movin' on, yeah, yeah**

*Am Em D Am G*

**Thanks to you**  
**Now I get what I want**  
**Since you been gone**

*G Em*

How can I put it? You put me on  
I even fell for that stupid love song  
Yeah, yeah, since you been gone

*G Em G*

How come I'd never hear you say  
"I just wanna be with you"? (You, you)  
Guess you never felt that way

**Chorus**

*C Em C G C Bm C*

You had your chance, you blew it  
Out of sight, out of mind  
Shut your mouth, I just can't take it  
Again and again and again and again

**Chorus**

## **Kings of Leon - Use Somebody**

*C C/E F*

I've been roaming around  
Always looking down and all I see  
Painted faces fill the places I can't reach

**Chorus:**

*Am C F*

**You know that I could use somebody  
You know that I could use somebody**

Someone like you  
And all you know and how you speak  
Countless lovers  
Undercover of the street

**Chorus**

Someone like you  
Off in the night while you live it up,  
I'm off to sleep  
Waging wars to shake the poet and the beat

I hope it's gonna make you notice  
I hope it's gonna make you notice  
Someone like me  
Someone like me  
Someone like me, somebody  
Go and let it out  
Someone like you, somebody

I've been roaming around  
Always looking down and all I see

## Linkin Park - Numb

*Em C G D*

I'm tired of being what you want me to be  
Feeling so faithless, lost under the surface  
Don't know what you're expecting of me  
Put under the pressure of walking in your shoes  
Every step that I take is another mistake to you  
(Caught in the undertow, just caught in the undertow)

**Chorus:**

**I've become so numb  
I can't feel you there  
Become so tired  
So much more aware  
I'm becoming this  
All I want to do  
Is be more like me  
And be less like you**

Can't you see that you're smothering me  
Holding too tightly, afraid to lose control?  
'Cause everything that you thought I would be  
Has fallen apart right in front of you  
Every step that I take is another mistake to you  
(Caught in the undertow, just caught in the undertow)  
And every second I waste is more than I can take

**Chorus**

**Chorus**

## Lukas Graham - 7 Years

### *Capo 3*

#### *Em G C D*

Once I was seven years old, my mama told me  
"Go make yourself some friends, or you'll be lonely"  
Once I was seven years old

It was a big, big world, but we thought we were bigger  
Pushin' each other to the limits, we were learnin' quicker  
By 11, smokin' herb and drinkin' burnin' liquor  
Never rich, so we were out to make that steady figure  
Once I was 11 years old, my daddy told me  
"Go get yourself a wife, or you'll be lonely"  
Once I was 11 years old

I always had that dream, like my daddy before me  
So, I started writin' songs, I started writin' stories  
Somethin' about that glory, just always seemed to bore me  
'Cause only those I really love will ever really know me  
Once I was 20 years old, my story got told  
Before the mornin' sun, when life was lonely  
Once I was 20 years old

I only see my goals, I don't believe in failure  
'Cause I know the smallest voices, they can make it major  
I got my boys with me, at least those in favor  
And if we don't meet before I leave, I hope I'll see you later  
Once I was 20 years old, my story got told  
I was writin' 'bout everything I saw before me  
Once I was 20 years old

Soon, we'll be 30 years old, our songs have been sold  
We've traveled around the world, and we're still roamin'  
Soon, we'll be 30 years old

I'm still learnin' about life, my woman brought children for me  
So, I can sing them all my songs, and I can tell them stories  
Most of my boys are with me, some are still out seeking glory  
And some I had to leave behind, my brother, I'm still sorry

Soon, I'll be 60 years old, my daddy got 61  
Remember life, and then your life becomes a better one  
I made a man so happy when I wrote a letter once  
I hope my children come and visit once or twice a month

Soon, I'll be 60 years old, will I think the world is cold?  
Or will I have a lot of children who can warm me?  
Soon, I'll be 60 years old

Soon, I'll be 60 years old, will I think the world is cold?  
Or will I have a lot of children who can warm me?  
Soon, I'll be 60 years old

Once I was seven years old, my mama told me  
"Go make yourself some friends, or you'll be lonely"  
Once I was seven years old  
Once I was seven years old

## Lykke Li - I Follow Rivers

## Maroon 5 - She Will Be Loved

### *Capo 3*

#### *Am G*

Beauty queen of only eighteen  
She had some trouble with herself  
He was always there to help her  
She always belonged to someone else

I drove for miles and miles  
and wound up at your door  
I've had you so many times  
but somehow I want more

#### **Chorus:**

#### *C G Am G*

I don't mind spending every day  
Out on your corner in the pouring rain  
Look for the girl with the broken smile  
Ask her if she wants to stay a while  
And she will be loved  
And she will be loved

#### *Am G*

Tap on my window, knock on my door  
I want to make you feel beautiful  
I know I tend to get so insecure  
It doesn't matter anymore

It's not always rainbows and butterflies  
It's compromise that moves us along, yeah  
My heart is full and my door's always open  
You come anytime you want, yeah

#### **Chorus**

I know where you hide  
Alone in your car  
Know all of the things  
that make you who you are  
I know that goodbye means nothing at all  
Comes back and begs me to catch her  
every time she falls, yeah  
Tap on my window, knock on my door  
I want to make you feel beautiful

## MGMT - Kids

*F#m D A E/G#*

You were a child crawling on your knees toward it  
Making momma so proud but your voice was too loud  
We liked to watch you laughing  
You picked the insects off plants, no time to think of consequences

**Chorus:**

**Control yourself, take only what you need from it  
A family of trees wanting to be haunted  
Control yourself, take only what you need from it  
A family of trees wanting to be haunted**

The water is warm but it's sending me shivers  
A baby is born crying out for attention  
The memories fade like looking through a fogged mirror  
Decision to decisions are made and not bought  
But I thought this wouldn't hurt a lot, I guess not

**Chorus**

**Chorus**

## Miley Cyrus - Flowers

We were right 'til we weren't  
Built a home and watched it burn

Started to cry, but then remembered I**

*Am Dm G C*

Talk to myself for hours  
Say things you don't understand  
I can take myself dancing  
And I can hold my own hand**

**Yeah, I can love me better than you can**

*Am Dm G C*

**Can love me better, I can love me better, baby  
Can love me better, I can love me better, baby**

Paint my nails cherry red  
Match the roses that you left  
No remorse, no regret  
I forgive every word you said

## Milow - Ayo Technology

*Capo 7*

*Em Em D C*

She work it, girl, she work the pole  
She break it down, she take it low  
She's fine as hell, she's about the dough  
Doin' her thing right on the floor  
And money, money she's makin'  
Look at the way she's shakin' Make you wanna touch her, wanna taste her  
Have you lustin' for her  
Goin' crazy, face it

She's so much more than you're used to  
Knows just how to move, seduce you  
She gon' do the right thing, touch the right spot  
Dance in your lap 'til you're ready to pop  
She's always ready, when you want it she want it  
Like a nympho, the info  
Show you where to meet her  
On the late night 'til daylight  
The club jumpin' if you want a good time  
She gon' give you what you want

**Chorus:**

**Baby, it's a new age**  
**You're like my new craze**  
**Let's get together, maybe we can start a new phase**  
**This smoke's got the club all hazy**  
**Spotlights don't do you justice, baby**  
**Why don't you come over here?**  
**You got me sayin'**

**Ayo, I'm tired of using technology**  
**Why don't you sit down on top of me?**  
**Ayo, I'm tired of using technology**  
**I need you right in front of me**

In the fantasy, it's plain to see  
Just how we be, you and me  
Backstrokin', sweat soakin' all into my sex sheets  
When she ready to ride, I'll be ready to roll  
I'll be in this bitch 'til the club close  
What should I do on all fours?  
Now that-that shit should be against the law

Different style, different move  
Damn, I like the way you move  
Girl, you got me thinkin' 'bout All the things I'd do to you

Let's get it poppin', shawty  
We can switch positions  
From the couch to the counters of my kitchen

**Chorus**

Ooh, she wants it, ooh, she wants it  
Hmm, she wants it, I gotta give it to her  
She wants it, hmm, she wants it  
Hmm, she wants it, I gotta give it to her

**Chorus**

## Moriarty - Jimmy

*Am C G Em E7*

*Am C G F*

Jimmy won't you please come home  
Where the grass is green and the buffaloes roam  
Come see Jimmy  
Your uncle Jim and your auntie Jim and your cousin Jim  
Come home Jimmy 'cause you need a bath  
And your grandpa Jimmy is still gone daft

Now there's buffalo Jim and buffalo Jim  
There's Jim buffalo now didn't you know  
Jim Jim Jimmy its your last cigarette  
But there's buffalo piss, it's all kind of wet  
Jambo Jimmy you'd better hold your nose  
All roads lead to roam with the buffaloes

**Chorus:**

*Am F G Am*

**And the Buffaloes used to say be proud of your name  
The Buffaloes used to say be what you are  
The Buffaloes used to say roam where you roam  
The Buffaloes used to say do what you do**

*Am C G F*

Hey you've gotta have a wash but you can't clean your name  
You're not called Jimmy you'll be Jimmy just the same  
The keys are in the bag in the chest by the door  
One of Jimmy's friends has taken the floor  
Jimmy won't you please come home  
Where the grass is green and the buffaloes roam  
Dear old Jimmy you've forgotten you're young  
But you can't ignore the buffalo song

**Chorus**

If you remember you're unknown  
Buffaloland will be your home  
If you remember you're unknown  
Buffaloland will be your home

# Mumford & Sons - Little Lion Man

*Capo 5*

*Am C*

Weep for yourself, my man  
You'll never be what is in your heart  
Weep, little lion man  
You're not as brave as you were at the start

*G F C*

Rate yourself and rake yourself  
Take all the courage you have left  
And waste it on fixing all the problems  
that you made in your own head

**Chorus:**

*Am F C Am F C Am F C G*

**But it was not your fault but mine  
And it was your heart on the line  
I really fucked it up this time  
Didn't I, my dear?  
Didn't I, my dear?**

*Am C*

Tremble for yourself, my man,  
You know that you have seen this all before  
Tremble, little lion man,  
You'll never settle any of your scores

*G F C*

Your grace is wasted in your face,  
Your boldness stands alone among the wreck  
Now learn from your mother  
or else spend your days biting your own neck

**Chorus**

## Mumford & Sons - The Cave

### Capo 3

*Am C Am C Am C G C F C*

It's empty in the valley of your heart  
The sun, it rises slowly as you walk  
Away from all the fears  
And all the faults you've left behind  
The harvest left no food for you to eat  
You cannibal, you meat-eater, you see  
But I have seen the same  
I know the shame in your defeat

### Chorus:

*C F C F C F C G*

**But I will hold on hope  
And I won't let you choke  
On the noose around your neck  
And I'll find strength in pain  
And I will change my ways  
I'll know my name as it's called again**

*Am C Am C Am C G C F C*

'Cause I have other things to fill my time  
You take what is yours and I'll take mine  
Now let me at the truth  
Which will refresh my broken mind  
So tie me to a post and block my ears  
I can see widows and orphans through my tears  
I know my call despite my faults  
And despite my growing fears

### Chorus

*Am C Am C Am C G C F C*

So come out of your cave walking on your hands  
And see the world hanging upside down  
You can understand dependence  
When you know the maker's land

*C F C F C F C G*

So make your siren's call  
And sing all you want  
I will not hear what you have to say  
'Cause I need freedom now  
And I need to know how  
To live my life as it's meant to be

Now I know that I can't make you stay but where's your heart?  
But where's your heart? But where's your-

And I know there's nothing I can say  
To change that part, To change that part, To change...

So many bright lights, they cast a shadow, but can I speak?  
Well, is it hard understanding, I'm incomplete?  
A life that's so demanding, I get so weak  
A love that's so demanding, I can't speak

**Chorus:**

*F C/E Dm C Bb C Gm C*

**I am not afraid to keep on living  
I am not afraid to walk this world alone  
Honey, if you stay, I'll be forgiven  
Nothing you can say can stop me going home**

*Dm C Bb F Gm Am Bb C*

Can you see my eyes are shining bright?  
'Cause I'm out here on the other side  
Of a jet black hotel mirror and I'm so weak  
Is it hard understanding, I'm incomplete?  
A love that's so demanding, I get weak

**Chorus**

These bright lights have always blinded me  
These bright lights have always blinded me, I say

*F C/E Dm C Bb C Gm C F*

I see you lying next to me  
With words I thought I'd never speak  
Awake and unafraid, asleep or dead  
'Cause I see you lying next to me

Awake and unafraid, asleep or dead  
'Cause I see you lying next to me  
With words I thought I'd never speak  
Awake and unafraid, asleep or dead

## My Chemical Romance - The Black Parade

*G D Em Bm C Bm Am D*

When I was a young boy My father took me into the city to see a marching band  
He said, "Son, when you grow up Would you be the savior of the broken  
the beaten and the damned?"  
He said, "Will you defeat them? Your demons, and all the non-believers  
The plans that they have made?"  
"Because one day, I'll leave you a phantom  
To lead you in the summer To join the black parade"  
When I was a young boy My father took me into the city to see a marching band  
He said, "Son, when you grow up Would you be the savior of the broken

Sometimes I get the feelin' She's watchin' over me

**Chorus:**

**We'll carry on, we'll carry on  
And though you're dead and gone, believe me  
Your memory will carry on, We'll carry on  
And in my heart, I can't contain it  
The anthem won't explain it**

*G D Em C C G D*

A world that sends you reelin'  
From decimated dreams  
Your misery and hate will kill us all  
So paint it black and take it back  
Let's shout it loud and clear  
Defiant to the end, we hear the call

**Chorus**

*G D Em Bm C Bm C D G*

Do or die, you'll never make me  
Because the world will never take my heart  
Go and try, you'll never break me  
We want it all, we wanna play this part  
I won't explain or say I'm sorry  
I'm unashamed, I'm gonna show my scars  
Give a cheer for all the broken  
Listen here, because it's who we are  
Just a man, I'm not a hero, Just a boy, who had to sing this song  
Just a man, I'm not a hero, I don't care

And by now, you should've somehow realised what you gotta do  
I don't believe that anybody feels the way I do about you now

### *E A B*

You're insecure, don't know what for  
You're turnin' heads when you walk through the door  
Don't need makeup to cover up  
Bein' the way that you are is enough

Everyone else in the room can see it  
Everyone else but you

### **Chorus:**

**Baby, you light up my world like nobody else  
The way that you flip your hair gets me overwhelmed  
But when you smile at the ground, it ain't hard to tell  
You don't know, oh-oh, you don't know you're beautiful**

**If only you saw what I can see  
You'll understand why I want you so desperately  
Right now I'm looking at you and I can't believe  
You don't know, oh-oh, you don't know you're beautiful, oh-oh  
That's what makes you beautiful**

So c-come on, you got it wrong  
To prove I'm right, I put it in a song  
I don't know why you're being shy  
And turn away when I look into your eyes

Everyone else in the room can see it  
Everyone else but you

**Chorus:**

**Lately, I've been, I've been losing sleep  
Dreaming about the things that we could be  
But baby, I've been, I've been praying hard  
Said, "No more counting dollars, we'll be counting stars"  
Yeah, we'll be counting stars**

I see this life, like a swinging vine  
Swing my heart across the line  
And in my face is flashing signs  
Seek it out and ye shall find

Old, but I'm not that old  
Young, but I'm not that bold  
And I don't think the world is sold  
On just doing what we're told

I feel something so right  
Doing the wrong thing  
And I feel something so wrong  
Doing the right thing  
I couldn't lie, couldn't lie, couldn't lie  
Everything that kills me makes me feel alive

**Chorus**

**Chorus**

I feel your love, and I feel it burn  
Down this river, every turn  
Hope is our four-letter word  
Make that money, watch it burn

Old, but I'm not that old  
Young, but I'm not that bold  
And I don't think the world is sold  
On just doing what we're told

And I feel something so wrong  
Doing the right thing  
I couldn't lie, couldn't lie, couldn't lie  
Everything that drowns me makes me wanna fly

Well you only need the light when it's burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go

Staring at the bottom of your glass  
Hoping one day you'll make a dream last  
But dreams come slow and they go so fast  
You see her when you close your eyes  
Maybe one day you'll understand why  
Everything you touch surely dies

**Chorus**

*Am F G Em Am F G*

Staring at the ceiling in the dark  
Same old empty feeling in your heart  
'Cause love comes slow and it goes so fast  
Well you see her when you fall asleep  
But never to touch and never to keep  
'Cause you loved her too much and you dive too deep

*C D Am G D C Am G*

So, so you think you can tell Heaven from hell? Blue skies from pain? Can you tell a green field  
From a cold steel rail? A smile from a veil? Do you think you can tell?

Did they get you to trade Your heroes for ghosts? Hot ashes for trees? Hot air for a cool breeze?  
Cold comfort for change? Did you exchange A walk-on part in the war For a leading role in a  
cage?

### **Chorus:**

How I wish, how I wish you were here We're just two lost souls Swimming in a fish bowl Year  
after year Running over the same old ground What have we found? The same old fears Wish you  
were here

I'm a thousand miles away, but, girl, tonight you look so pretty. Yes, you do  
Time square can't shine as bright as you, I swear, it's true

Hey there, Delilah, Don't you worry about the distance

Give this song another listen, Close your eyes  
Listen to my voice, it's my disguise, I'm by your side

**Chorus:**

Hey there, Delilah, I know times are gettin' hard  
But just believe me, girl, Someday I'll pay the bills with this guitar, We'll have it good  
We'll have the life we knew we would, My word is good

Hey there, Delilah, I've got so much left to say  
If every simple song I wrote to you, Would take your breath away  
I'd write it all  
Even more in love with me you'd fall, We'd have it all

**Chorus**

*G A D Bm*

A thousand miles seems pretty far, but they've got planes and trains and cars  
I'd walk to you if I had no other way, our friends would all make fun of us  
And we'll just laugh along because we know, That none of them have felt this way  
Delilah, I can promise you that by the time we get through  
The world will never ever be the same and you're to blame

*D F#m D F#m Bm G A Bm A*

Hey there, Delilah, You be good, and don't you miss me  
Two more years and you'll be done with school

We can do whatever we want to  
Hey there, Delilah, here's to you  
This ones for you

She wants to know, am I still a slut?  
I've got to take it on the other side

A scarlet starlet and she's in my bed  
A candidate for a soul mate bled  
Push the trigger and pull the thread  
I gotta take it on the other side  
Take it on the other side  
Take it on, Take it on

**Chorus**

*Em C Em C*

Turn me on, take me for a hard ride  
Burn me out, leave me on the other side  
I yell and tell it that it's not my friend  
I tear it down, I tear it down  
And then it's born again

**Chorus**

## Red Hot Chili Peppers - Under The Bridge

*E B C#m G#m A E B C#m A*

Sometimes I feel like I don't have a partner  
Sometimes I feel like my only friend  
Is the city I live in, the city of angels  
Lonely as I am, together we cry

I drive on her streets 'cause she's my companion  
I walk through her hills 'cause she knows who I am  
She sees my good deeds and she kisses me windy  
Well, I never worry, now that is a lie

**Chorus:**

*F#m E B F#m*

**I don't ever wanna feel  
Like I did that day  
Take me to the place I love  
Take me all the way  
I don't ever wanna feel  
Like I did that day  
Take me to the place I love  
Take me all the way  
Yeah, yeah, yeah**

*E B C#m G#m A E B C#m A*

It's hard to believe that there's nobody out there  
It's hard to believe that I'm all alone  
At least I have her love, the city, she loves me  
Lonely as I am, together we cry

**Chorus**

## **R.E.M. - Loosing My Religion**

*Am Em Am Em Am Em Dm G*

Oh life is bigger, It's bigger than you  
And you are not me, The lengths that I will go to  
The distance in your eyes, Oh no I've said too much  
I set it up

That's me in the corner, That's me in the spotlight  
Losing my religion, Trying to keep up with you  
And I don't know if I can do it, Oh no I've said too much  
I haven't said enough

**Chorus:**

*G F Dm G Am F Dm G Am G*

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you try

*Am Em Am Em Am Em Dm G*

Every whisper, of every waking hour, I'm choosing my confessions  
Trying to keep an eye on you, Like a hurt, lost and blinded fool, fool  
Oh no I've said too much, I set it up

Consider this, Consider this the hint of the century  
Consider this the slip, That brought me to my knees, failed  
What if all these fantasies come Flailing around  
Now I've said too much

**Chorus**

*C Dm C Dm*

But that was just a dream  
That was just a dream

*Am Em Am Em Am Em Dm G*

That's me in the corner, That's me in the spot-light  
Losing my religion, Trying to keep up with you  
And I don't know if I can do it, Oh no I've said too much

## Rise Against - Hero of War

*E Abm A E A E B*

He said "Son, have you seen the world?  
Well, what would you say if I said that you could?  
"Just carry this gun, you'll even get paid"  
I said "That sounds pretty good"  
Black leather boots, Spit-shined so bright  
They cut off my hair but it looked alright  
We marched and we sang, We all became friends  
As we learned how to fight

**Chorus:**

*C#m A E B*

**A hero of war, yeah, that's what I'll be  
And when I come home they'll be damn proud of me  
I'll carry this flag to the grave if I must  
'Cause it's a flag that I love and a flag that I trust**

*E Ab A E A E B*

I kicked in the door, I yelled my commands  
The children, they cried, but I got my man  
We took him away a bag over his face  
From his family and his friends  
They took off his clothes, they pissed in his hands  
I told them to stop, but then I joined in  
We beat him with guns and batons not just once  
But again and again

**Chorus**

*E Abm A E A E B*

She walked through bullets and haze  
I asked her to stop, I begged her to stay  
But she pressed on, o I lifted my gun and I fired away  
And the shells jumped through the smoke  
And into the sand that the blood now had soaked  
She collapsed with a flag in her hand, a flag white as snow

**Chorus:**

*C#m A E B*

**A hero of war is that what they see  
Just medals and scars, so damn proud of me  
And I brought home that flag, now it gathers dust  
But it's a flag that I love, it's the only flag I trust**

*E Abm A E A E B*

He said, "Son, have you seen the world?  
Well what would you say, if I said that you could?"

## Robbie Williams - Angels

***E A C#m B***

I sit and wait  
Does an angel contemplate my fate  
And do they know  
The places where we go  
When we're grey and old  
***F#m A C#m A***  
'Cause I have been told  
That salvation lets their wings unfold

***D A E***

So when I'm lying in my bed  
Thoughts running through my head  
And I feel the love is dead  
I'm loving angels instead

**Chorus:**

***B C#m A E***

**And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call  
*F#m D A E* she won't forsake me  
I'm loving angels instead**

***E A C#m B***

When I'm feeling weak  
And my pain walks down a one way street  
I look above  
And I know I'll always be blessed with love

***D A E***

And as the feeling grows  
She breathes flesh to my bones  
And when love is dead  
I'm loving angels instead

**Chorus**

## **Rosa Linn - Snap**

*Am F C G*

It's 4 a.m., I can't turn my head off  
Wishing these memories would fade, they never do  
Turns out people lie  
They said, "Just snap your fingers"  
As if it was really that easy for me to get over you  
I just need time

**Chorus:**

**Snapping one, two, where are you?  
You're still in my heart  
Snapping three, four, don't need you here anymore  
Get out of my heart  
'Cause I might snap**

I'm writing a song  
Said, "This is the last one"  
How many last songs are left? I'm losing count  
Since June 22nd, my heart's been on fire  
I've been spending my nights in the ring tryna put it out

**Chorus**

**Chorus**

*F G*

And if one more person says, "You should get over it"  
Oh, I might stop talking to people before I snap, snap, snap  
Oh, I might stop talking to people before I snap

**Chorus**

## **Shakira - Waka Waka (This Time For Africa)**

### ***D A Bm G***

You're a good soldier, choosing your battles  
Pick yourself up and dust yourself off, get back in the saddle  
You're on the frontline, everyone's watching  
You know it's serious, we're getting closer, this isn't over  
The pressure's on, you feel it  
But you got it all, believe it

I thought that I'd been hurt before  
But no one's ever left me quite this sore  
Your words cut deeper than a knife  
Now I need someone to breathe me back to life

Begging you to come help  
And now that I'm without your kisses

Just like a moth drawn to a flame  
Oh, you lured me in, I couldn't sense the pain  
Your bitter heart, cold to the touch  
Now I'm gonna reap what I sow  
I'm left seein' red on my own

## **Snow Patrol - Chasing Cars**

*A E D A*

We'll do it all  
Everything  
On our own

We don't need  
Anything Or anyone

**Chorus:**

**If I lay here**

**If I just lay here**

**Would you lie with me and just forget the world?**

I don't quite know  
How to say How I feel

Those three words  
Are said too much  
They're not enough

**Chorus**

Forget what we're told  
Before we get too old  
Show me a garden that's bursting into life

Let's waste time  
Chasing cars Around our heads

I need your grace  
To remind me to find my own

**Chorus**

Forget what we're told  
Before we get too old  
Show me a garden that's bursting into life

All that I am  
All that I ever was  
Is here in your perfect eyes, they're all I can see

I don't know where  
Confused about how as well  
Just know that these things will never change for us at all

## Soft Cell - Tainted Love

*Capo 3*

*Em G C Asus2*

Sometimes I feel I've got to run away  
I've got to get away  
From the pain you drive into the heart of me  
The love we share seems to go nowhere  
And I've lost my life  
For I toss and turn, I can't sleep at night

**Chorus:**

**Once I ran to you (I ran)  
Now I run from you  
This tainted love you've given  
I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love  
Tainted love**

Now, I know I've got to run away  
I've got to get away  
You don't really want any more from me  
To make things right you need someone to hold you tight  
And you think love is to pray  
But I'm sorry I don't pray that way

**Chorus**

Don't touch me, please, I cannot stand the way you tease  
I love you though you hurt me so  
Now I'm gonna pack my things and go  
Tainted love (ohh)  
Tainted love (ohh)  
Tainted love (ohh)  
Tainted love (ohh)  
Touch me baby, tainted love  
Touch me baby, tainted love  
Tainted love (ohh)  
Tainted love (ohh)

You can keep it forever, dear

*Am C D F Am E Am C E*

### **Chorus:**

**There is a house in New Orleans  
They call the Rising Sun  
And it's been the ruin of many a poor boy  
And God I know I'm one**

Mother was a tailor, yeah, yeah  
Sewed my Levi jeans  
My father was a gamblin' man, yeah, yeah  
Down, way down in New Orleans

Now the only thing a gamblin' man ever needs  
Is a suitcase, Lord, and a trunk  
And the only time a fool like him is satisfied  
Is when he's all stone cold drunk

### **Chorus**

O mother tell your children  
Not to do what I have done  
Spend your lives in sin and misery  
In the house of the rising sun

Well I got one foot on the platform  
The other foot on the train  
I'm going back to New Orleans  
To wear that ball and chain

## The Calling - Wherever You Will Go

### *Capo 2*

### *C G Am F*

So lately, been wondering  
Who will be there to take my place  
When I'm gone, you'll need love  
To light the shadows on your face  
If a great wave shall fall  
And fall upon us all  
Then between the sand and stone  
Could you make it on your own?

### **Chorus:**

**If I could, then I would  
I'll go wherever you will go  
Way up high or down low  
I'll go wherever you will go**

And maybe, I'll find out  
A way to make it back someday  
To watch you, to guide you  
Through the darkest of your days  
If a great wave shall fall  
And fall upon us all  
Well then I hope there's someone out there  
Who can bring me back to you

### **Chorus**

### *Am F G Em*

Run away with my heart  
Run away with my hope  
Run away with my love

### *C G Am F*

I know now, just quite how  
My life and love might still go on  
In your heart, in your mind  
I'll stay with you for all of time

I'll go wherever you will go  
If I could make you mine  
I'll go wherever you will go  
I'll go wherever you will go

## The Chainsmokers & Coldplay - Something Just Like This

### *A G A Bm*

I've been reading books of old, the legends and the myths  
Achilles and his gold, Hercules and his gifts  
Spider-Man's control and Batman with his fists  
And clearly, I don't see myself upon that list

But she said, "Where d'you wanna go? How much you wanna risk?  
I'm not looking for somebody with some superhuman gifts  
Some superhero, some fairy tale bliss  
Just something I can turn to, somebody I can kiss"

### **Chorus:**

**I want something just like this  
Doo-doo-doo, doo-doo-doo,  
Doo-doo-doo, doo, doo  
Doo-doo-doo, doo-doo-doo  
Oh, I want something just like this  
Doo-doo-doo, doo-doo-doo,  
Doo-doo-doo, doo, doo  
Doo-doo-doo, doo-doo-doo  
Oh, I want something just like this  
I want something just like this**

I've been reading books of old, the legends and the myths  
The testaments they told, the moon and its eclipse  
And Superman unrolls a suit before he lifts  
But I'm not the kind of person that it fits

She said, "Where d'you wanna go? How much you wanna risk?  
I'm not looking for somebody with some superhuman gifts  
Some superhero, some fairy tale bliss  
Just something I can turn to, somebody I can miss"

### **Chorus**

### *D/F# G A Bm*

## The Cranberries - Zombie

*Em C G D/F#*

Another head hangs lowly  
Child is slowly taken  
And the violence caused such silence  
Who are we mistaken?  
But you see, it's not me  
It's not my family  
In your head, in your head, they are fighting  
With their tanks and their bombs  
And their bombs and their guns  
In your head, in your head, they are crying

**Chorus:**

**In your head, in your head  
Zombie, zombie, zombie-ie-ie  
What's in your head, in your head?  
Zombie, zombie, zombie-ie-ie, oh**

Another mother's breaking  
Heart is taking over  
When the violence causes silence  
We must be mistaken  
It's the same old theme  
Since nineteen-sixteen  
In your head, in your head, they're still fighting  
With their tanks and their bombs  
And their bombs and their guns  
In your head, in your head, they are dying

**Chorus**

## The Eagles - Hotel California

*Bm F# A E G D Em F#*

On a dark desert highway, cool wind in my hair  
Warm smell of colitas rising up through the air  
Up ahead in the distance, I saw a shimmering light  
My head grew heavy and my sight grew dim, I had to stop for the night  
There she stood in the doorway, I heard the mission bell  
And I was thinkin' to myself, "This could be heaven or this could be hell"  
Then she lit up a candle and she showed me the way  
There were voices down the corridor, I thought I heard them say

**Chorus:**

*G D F# Bm G D Em F#*

**"Welcome to the Hotel California  
Such a lovely place (such a lovely place)  
Such a lovely face  
Plenty of room at the Hotel California  
Any time of year (any time of year)  
You can find it here"**

*Bm F# A E G D Em F#*

Her mind is Tiffany-twisted, she got the Mercedes-Benz, uh  
She got a lot of pretty, pretty boys that she calls friends  
How they dance in the courtyard, sweet summer sweat  
Some dance to remember, some dance to forget  
So I called up the Captain, "Please bring me my wine"  
He said, "We haven't had that spirit here since 1969"  
And still, those voices are calling from far away  
Wake you up in the middle of the night just to hear them say

**Chorus**

*Bm F# A E G D Em F#*

Mirrors on the ceiling, the pink champagne on ice  
And she said, "We are all just prisoners here of our own device"  
And in the master's chambers, they gathered for the feast  
They stab it with their steely knives, but they just can't kill the beast  
Last thing I remember, I was running for the door  
I had to find the passage back to the place I was before  
"Relax," said the night man, "We are programmed to receive  
You can check out any time you like, but you can never leave"

He takes off her dress now  
Let me go  
And I just can't look, it's killing me  
And taking control

### **Chorus:**

Jealousy, turning saints into the sea  
Swimming through sick lullabies  
Choking on your alibis  
But it's just the price I pay  
Destiny is calling me  
Open up my eager eyes  
'Cause I'm Mr. Brightside

## The Kooks - She Moves In Her Own Way

*G C Am Bm D*

So at my show on Monday, I was hoping someday  
You'd be on your way to better things  
It's not about your make-up or how you try to shape up  
To these tiresome paper dreams, paper dreams honey

So now you pour your heart out, you're tellin' me you're far out  
Not about to lie down for your cause  
But you don't pull my strings  
'Cause I'm a better man  
Movin' on to better things

**Chorus:**

*G D Am C D Em C Am C D G*

**Well, uh-oh, oh, I love her because  
She moves in her own way  
Well, uh-oh, oh, she came to my show  
Just to hear about my day**

*G C Am Bm D*

And at the show on Tuesday, she was in her mindset  
Tempered furs and spangled boots  
Looks are deceiving, make me believe it  
And these tiresome paper dreams, paper dreams honey, yeah

So won't you go far, tell me you're a keeper  
Not about to lie down for your cause  
But you don't pull my strings because  
'Cause I'm a better man  
Movin' on to better things

**Chorus**

*Em Bm D C G D Em*

Yes, I wish that we never made it  
Through all the summers  
And kept them up instead of  
Kickin' us back down to the suburbs  
Yes, I wish that we never made it  
Through all the summers  
We kept them up instead of  
Kickin' us back down to the suburbs

**Chorus**

**Chorus**

## The Last Goodnight - Pictures Of You

### *D D Bm G*

This is the clock upon the wall  
This is the story of us all  
This is the first sound of a newborn child  
Before he starts to crawl

This is the war that's never won  
This is a soldier and his gun  
This is the mother waiting by the phone  
Praying for her son

### **Chorus:**

### *D D Bm G*

**Pictures of you, pictures of me  
Hung upon your wall for the world to see  
Pictures of you, pictures of me  
Remind us all of what we used to be**

### *D D Bm G*

There is a drug that cures it all  
Blocked by the governmental wall  
We are the scientists inside the lab  
Just waiting for the call  
This earthquake weather has got me shakin'  
Inside I'm high up and dry

### **Chorus**

### *Em Bm A G G D A*

Confess to me every secret moment  
Every stolen promise you believed  
Confess to me all that lies between us  
All that lies between you and me

### *D D Bm G*

We are the boxers in the ring  
We are the bells that never sing  
There is a title we can't win  
No matter how hard we might, swing

### **Chorus**

### **Chorus**

## The Proclaimers - 500 Miles

*D G A D*

When I wake up, well I know I'm gonna be  
I'm gonna be the man who wakes up next to you  
When I go out, yeah I know I'm gonna be  
I'm gonna be the man who goes along with you

If I get drunk, well I know I'm gonna be  
I'm gonna be the man who gets drunk next to you  
And if I haver, hey I know I'm gonna be  
I'm gonna be the man who's havering to you

**Chorus:**

**But I would walk 500 miles  
And I would walk 500 more  
Just to be the man who walks a thousand miles  
To fall down at your door**

When I'm working, yes I know I'm gonna be  
I'm gonna be the man who's working hard for you  
And when the money comes in for the work I do  
I'll pass almost every penny on to you

When I come home, oh I know I'm gonna be (When I come home)  
I'm gonna be the man who comes back home to you  
And if I grow old, well I know I'm gonna be  
I'm gonna be the man who's growing old with you

**Chorus**

When I'm lonely, well I know I'm gonna be  
I'm gonna be the man who's lonely without you  
And when I'm dreaming, well I know I'm gonna dream  
I'm gonna dream about the time when I'm with you

When I go out, well I know I'm gonna be (When I go out)  
I'm gonna be the man who goes along with you  
And when I come home, yes I know I'm gonna be (When I come home)  
I'm gonna be the man who comes back home with you  
I'm gonna be the man who's coming home with you

**Chorus**

## Tones & I - Dance Monkey

*F#m D E C#m*

They say oh my God I see the way you shine  
Take your hand, my dear, and place them both in mine  
You know you stopped me dead while I was passing by  
And now I beg to see you dance just one more time  
Ooh I see you, see you, see you every time  
And oh my I, I, I like your style  
You, you make me, make me, make me wanna cry  
And now I beg to see you dance just one more time

**Chorus:**

**So they say**

**Dance for me, dance for me, dance for me, oh, oh, oh  
I've never seen anybody do the things you do before  
They say move for me, move for me, move for me, ay, ay, ay  
And when you're done I'll make you do it all again**

I said oh my God I see you walking by  
Take my hands, my dear, and look me in my eyes  
Just like a monkey I've been dancing my whole life  
But you just beg to see me dance just one more time  
Ooh I see you, see you, see you every time  
And oh my I, I like your style  
You, you make me, make me, make me wanna cry  
And now I beg to see you dance just one more time

## **Toploader - Dancing In The Moonlight**

*Capo 2*

*F G C Am*

We get it almost every night  
When that moon is big and bright  
It's a supernatural delight  
Everybody's dancing in the moonlight

Everybody here is out of sight  
They don't bark and they don't bite  
They keep things loose they keep it tight  
Everybody's dancing in the moonlight

**Chorus:**

**Dancing in the moonlight  
Everybody's feeling warm and bright  
It's such a fine and natural sight  
Everybody's dancing in the moonlight**

We like our fun and we never fight  
You can't dance and stay uptight  
It's a supernatural delight  
Everybody was dancing in the moonlight

**Chorus**

We get in almost every night  
And when that moon is big and bright  
It's a supernatural delight  
Everybody's dancing in the moonlight

## Toto - Africa

### Capo 2

**A C#m F#m G Bm F#m G Bm**

I hear the drums echoing tonight  
But she hears only whispers of some quiet conversation  
She's coming in, 12:30 flight  
The moonlit wings reflect the stars that guide me towards salvation  
I stopped an old man along the way  
Hoping to find some old forgotten words or ancient melodies  
He turned to me as if to say  
"Hurry boy, it's waiting there for you"

### Chorus:

**Em C G D**

**It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had (ooh, ooh)**

**A C#m F#m G Bm F#m G Bm**

The wild dogs cry out in the night  
As they grow restless, longing for some solitary company  
I know that I must do what's right  
As sure as Kilimanjaro rises like Olympus above the Serengeti  
I seek to cure what's deep inside, frightened of this thing that I've become

### Chorus

**A C#m F#m G Bm F#m G Bm A C#m F#m G Bm**

Hurry boy, she's waiting there for you

## **Train - Drops of Jupiter**

*C G F F*

Now that she's back in the atmosphere  
With drops of Jupiter in her hair, He-e-ey  
She acts like summer and walks like rain  
Reminds me that there's a time to change, He-e-ey  
Since the return from her stay on the moon  
She listens like spring and she talks like June, He-e-ey, He-e-ey

**Chorus 1:**

*G D F C G D Dm F*

**But tell me, did you sail across the sun?  
Did you make it to the Milky Way to see the lights all faded  
And that Heaven is overrated?  
Tell me, did you fall for a shooting star?  
One without a permanent scar and did you miss me  
While you were looking for yourself out there?**

*C G F F*

Now that she's back from that soul vacation  
Tracing her way through the constellation, He-e-ey  
She checks out Mozart while she does Tae-Bo  
Reminds me that there's room to grow, He-e-ey  
Now that she's back in the atmosphere, I'm afraid that she might think of me as  
Plain ol' Jane told a story about a man, Who was too afraid to fly so he never did land

**Chorus 2:**

*G D F C G D Dm F*

**And tell me, did the wind sweep you off your feet?  
Did you finally get the chance to dance along the light of day  
And head back to the Milky Way?  
And tell me, did Venus blow your mind?  
Was it everything you wanted to find? And then you miss me  
While you were looking for yourself out there**

*C G F F C G Bb F*

Can you imagine no love, pride, deep-fried chicken  
Your best friend always sticking up for you  
Even when I know you're wrong?  
Can you imagine no first dance Freeze-dried romance  
Five-hour phone conversation  
The best soy latte that you ever had and me?

**Chorus 1 & 2**

## Train - Hey Soul Sister

*Capo 4*

*C G Am F*

Your lipstick stains,  
On the front lobe of my left side brains.  
I knew I wouldn't forget ya,  
And so I went and let you blow my mind.

Your sweet moon-beam!  
The smell of you in every single dream I dream.  
I knew when we collided,  
You're the one I have decided,  
Who's one of my kind.

**Chorus:**

*F G C G*

**Hey, Soul Sister,  
ain't that Mr. Mister on the radio, stereo?  
The way you move ain't fair you know!  
Hey, Soul Sister,  
I don't wanna miss a single thing you do  
Tonight!**

*C G Am F*

Just in time  
I'm so glad you have a one track mind like me  
You gave my life direction  
A game show love connection we can't deny

I'm so obsessed  
My heart is bound to beat right out of my untrimmed chest  
I believe in you, like a virgin you're madonna  
And I'm always gonna wanna blow your mind

**Chorus**

*C G Am F*

The way you can cut a rug  
Watching you is the only drug I need  
So gangsta, I'm so thug  
You're the only one I'm dreaming of  
You see, I can be myself now finally  
In fact, there's nothing I can't be  
I want the world to see  
You'll be with me

**Chorus**

## Uncle Kracker - Follow Me

*F Bb F Bb C F*

You don't know how you met me  
You don't know why  
You can't turn around  
And say goodbye  
All you know is when I'm with you  
I make you free  
And swim through your veins  
Like a fish in the sea

**Chorus:**

*F Bb C*

**I'm singin' follow me  
Everything is alright  
I'll be the one to tuck you in at night  
And if you want to leave I can guarantee  
You won't find nobody else like me**

*F Bb F Bb C F*

I'm not worried  
'Bout the ring you wear  
'Cause as long as no one knows  
Then nobody can care  
You're feelin' guilty  
And I'm well aware  
But you don't look ashamed  
And baby I'm not scared

**Chorus**

*Gm C F C F Gm G7 C*

Won't give you money  
I can't give you the sky  
You're better off if you don't ask why  
I'm not the reason that you go astray  
We'll be alright  
If you don't ask me to stay

**Chorus**

*F Bb F Bb C F*

You don't know how you met me, You don't know why  
You can't turn around and say goodbye  
All you know is when I'm with you I make you free  
And swim through your veins Like a fish in the sea

**Chorus**

## U2 - With or Without You

### *D A Bm G*

See the stone set in your eyes  
See the thorn twist in your side  
I'll wait for you  
Sleight of hand and twist of fate  
On a bed of nails, she makes me wait  
And I wait without you

### **Chorus:**

**With or without you  
With or without you  
I can't live  
With or without you**

Through the storm, we reach the shore  
You give it all but I want more  
And I'm waiting for you

### **Chorus**

And you give yourself away  
And you give yourself away  
And you give  
And you give  
And you give yourself away

My hands are tied  
My body bruised, she got me with  
Nothing to win and  
Nothing left to lose

And you give yourself away  
And you give yourself away  
And you give  
And you give  
And you give yourself away

### **Chorus**

## Vance Joy - Riptide

### *Capo 1*

### *Am G C*

I was scared of dentists and the dark  
I was scared of pretty girls and starting conversations  
Oh, all my friends are turning green  
You're the magician's assistant in their dream  
Ah-ooh-ooh-ooh, ah-ahh-ah-ah  
And they come unstuck

### **Chorus:**

**Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song  
And I got a lump in my throat  
'Cause you're gonna sing the words wrong**

There's this movie that I think you'll like  
This guy decides to quit his job and heads to New York City  
This cowboy's running from himself  
And she's been living on the highest shelf  
Ah-ooh-ooh-ooh, ah-ahh-oh  
And they come unstuck

### **Chorus**

I just wanna, I just wanna know  
If you're gonna, if you're gonna stay  
I just gotta, I just gotta know  
I can't have it, I can't have it any other way  
I swear she's destined for the screen  
Closest thing to Michelle Pfeiffer that you've ever seen, oh

## Walk The Moon - Shut Up And Dance

Capo 6  
*G C Em D*

**Chorus:**  
**Oh don't you dare look back**  
**Just keep your eyes on me**  
**I said you're holding**  
**She said shut up and dance with me**  
**This woman is my destiny**  
**She said oh oh oh**  
**Shut up and dance with me**

We were victims of the night  
The chemical, physical, kryptonite  
Helpless to the bass and the fading light  
Oh we were bound to get together  
Bound to get together  
She took my arm  
I don't know how it happened  
We took the floor and she said

**Chorus**

A backless dress and some beat up sneaks  
My discotheque Juliet teenage dream  
I felt it in my chest as she looked at me  
I knew we were bound to be together  
Bound to be together  
She took my arm  
I don't know how it happened  
We took the floor and she said

**Chorus**

Deep in her eyes  
I think I see the future  
I realize this is my last chance  
She took my arm  
I don't know how it happened  
We took the floor and she said

**Chorus:**

## Adel Tawil - Lieder

### *Capo 3*

#### *Am C G Em*

Ich ging wie ein Ägypter, hab' mit Tauben geweint  
War ein Voodoo-Kind, wie ein rollender Stein  
Im Dornenwald sang Maria für mich  
Ich starb in deinen Armen, Bochum '84  
Ich ließ die Sonne nie untergeh'n in meiner wundervoll'n Welt

#### **Chorus:**

#### *C G D Em C G D*

**Und ich singe diese Lieder  
Tanz' mit Tränen in den Augen  
Bowie war für'n Tag mein Held  
Und EMF kann es nicht glauben  
Und ich steh' im lila Regen  
Ich will ein Feuerstarter sein  
Whitney wird mich immer lieben  
Und Michael lässt mich nicht allein**

#### *Am C G Em*

Ich war willkommen im Dschungel und fremd im eigenen Land  
Mein persönlicher Jesus und im Gehirn total krank  
Und ich frage mich: Wann werd' ich, werd' ich berühmt sein  
So wie Rio, mein König für die Ewigkeit?  
Ich war am Ende der Straße angelangt  
War ein Verlierer, Baby, doch dann  
Hielt ich ein Cover in der Hand  
Darauf ein Mönch, der in Flammen stand  
Kurt Cobain sagte mir, ich soll kommen, wie ich bin

#### **Chorus**

#### *C G D Em C G D*

Ich war einer von fünf Jungs, „One Minute“ aus, dann war's vorbei  
Ich sang nur noch für mich, für 'ne unendlich lange Zeit  
Dann traf ich auf sie und sie erinnerte mich  
Wir waren Welten entfernt und doch vom selben Stern

#### *Am C G Em*

Ich ging wie ein Ägypter, hab' mit Tauben geweint  
War ein Voodoo-Kind, wie ein rollender Stein  
Ich ließ die Sonne nie untergeh'n in meiner wundervoll'n Welt

#### **Chorus**

## Andreas Bourani - Auf uns

*C Am G*

Wer friert uns diesen Moment ein  
Besser kann es nicht sein  
Denkt an die Tage, die hinter uns liegen  
Wie lang wir Freude und Tränen schon teilen  
Hier geht jeder für jeden durch's Feuer  
Im Regen stehen wir niemals allein  
Und solange unsere Herzen uns steuern  
Wird das auch immer so sein

**Chorus:**

*F G F G*

**Ein Hoch auf das, was vor uns liegt  
Dass es das Beste für uns gibt  
Ein Hoch auf das, was uns vereint  
Auf diese Zeit (auf diese Zeit)**

*F G C F G C*

**Ein Hoch auf uns (uns)  
Auf dieses Leben  
Auf den Moment  
Der immer bleibt  
Ein Hoch auf uns (uns)  
Auf jetzt und ewig  
Auf einen Tag  
Unendlichkeit**

*C Am G*

Wir haben Flügel, schwören uns ewige Treue  
Vergolden uns diesen Tag  
(One Love) Ein Leben lang ohne Reue  
Vom ersten Schritt bis ins Grab

**Chorus**

*F G C Am F G C G F G C G*

Ein Feuerwerk aus Endorphinen  
Ein Feuerwerk zieht durch die Nacht  
So viele Lichter sind geblieben  
Ein Augenblick, der uns unsterblich macht

## **AnnenMayKantereit - Ausgehen**

*F#m E*

Ich weiß gar nicht so genau  
Warum ich sie so gerne mag  
Ich glaub', ich mag die Art  
Deswegen hab' ich sie gefragt

**Chorus:**

**Würdest du heute mit mir ausgehen?  
Ich würd dich auch nach Haus bringen  
Ich weiß, du musst früh aufstehen  
Würdest du trotzdem mit mir ausgehen?**

Ich glaub', ich mag die Art  
Dass sie immer am Start ist  
Wenn jemand was sagt, was  
Ihr nicht gefällt  
Da-da-da-da-da  
Ich glaube auf der Welt  
Gibt es nicht viele  
Mit so großen Zielen  
Deswegen hab' ich sie gefragt

**Chorus**

**Chorus**

Verdammt, ich mag die Art (verdammt, ich mag die Art)  
Sie ist einfach da (sie ist einfach da)  
Und naja (naja)  
Zum Glück hab' ich sie gefragt

## **AnnenMayKantereit - Pocahontas**

### *C Am*

An der Haltestelle stehen und es tut Weh,  
dich schon wieder so wiederzusehen  
Und es tut weh, dass wir gleich wieder gehen

Und es tut weh, dass man sich nur sieht  
Weil bei mir soviel Zeug von dir Rumliegt,  
das ich nicht mehr ertrage

Ich halt dich nicht fest  
Und lass dich nicht los  
Du gibst mir den Rest  
Die Tasche ist groß

### **Chorus:**

**Es tut mir leid Pocahontas  
Ich hoffe, du weißt das  
Es tut mir leid Pocahontas  
Ich hoffe, du weißt das**

Eigentlich sind wir viel zu lange zusammen, um jetzt damit aufzuhören  
Aber das ist 'n verdammt beschissener Grund

Und mir ist nicht egal Wie gut du mich kennst  
Und mir ist nicht egal Wie du mich nennst  
Und mir ist nicht egal Wo du grade pennst

### **Chorus:**

Tut mir so leid Pocahontas

Tommi, ich glaub' ich hab' Heimweh  
Ich will mal wieder am Rhein stehen  
Einfach hineinsehen  
Zuschauen wie Schiffe vorbeiziehen

Tommi, ich glaub ich hab' Heimweh  
Vielleicht liegt es am Licht  
Und wie's sich gerade bricht  
Oder daran, dass man  
Hier in der Bahn die Spree sehen kann

Tommi, vielleicht ruf' ich an  
Damit du sagst: „Irgendwann, irgendwann, irgendwann  
Fangen wir hier zum letzten Mal von Vorne an“

**Chorus:**

*A D Bm E*

**Da wo man zusammen groß geworden sind  
Da ziehen wir alle irgendwann wieder hin  
Damit die Kinder, die wir kriegen können

In der Stadt in der wir jung und dumm waren  
Und unverwundbar, weil alles so bunt war  
Und es war immer klar, irgendwann kommt der Tag  
An dem wir beide gehen

Wir wollten immer was sehen  
So viel wie es geht und überall auf der Welt  
Alle Wege führen nach Rom und irgendwann zurück nach Köln

**Chorus**

Es gab nur dich und mich da draußen  
Große Felder und Seen doch vielmehr nicht  
Es war 1994 und wir wussten nicht wohin  
Also gingen wir in dein Bett  
Und wir teilten uns unseren Walkman  
Das erste Bier, mein Mofa und den Frust

*F C Am G F G*

Im Nachtbusfenster der Mond  
Der erste Kuss war Erdbeerbowle und Spucke  
Wie ein Polaroid im Regen, leicht verschwommen

### **Chorus:**

Dein erstes Tattoo war dann der Refrain  
„It's better to burn out than to fade away, my my, hey hey“  
Und ich kaufte mir 'n Neil Young- und Nirvana-Shirt

*F C Am G F G*

Als du später wegzogst brach ich heimlich zusammen Ich spielte unentwegt Gitarre  
Heute auf Papier, du warst ein Polaroid im Regen und mein erstes Lied

### **Chorus**

## **Cro - Einmal um die Welt**

*F#m A Bm E*

### **Chorus:**

**Baby, bitte mach dir nie mehr Sorgen um Geld  
Gib mir nur deine Hand, ich kauf' dir morgen die Welt  
Egal, wohin du willst, wir fliegen um die Welt  
Hau'n sofort wieder ab, wenn es dir hier nicht gefällt**

Ost, West oder Nord, hab' den Jackpot an Bord  
Will von hier über London direkt nach New York  
Denn ab heute leb' ich jeden Tag, als ob ich morgen tot wäre  
Laufe durch den Park und werf' mit Geld, als ob es Brot wäre  
Nur noch Kaviar, Champagner oder Schampus  
Baby, ich erfüll' dir wirklich jeden Wunsch mit Handkuss  
Frühstück in Paris und danach joggen auf Hawaii  
Und um das Ganze noch zu toppen, geh'n wir shoppen in L.A. (Wouh)

Also pack dir deine Zahnbürste ein  
Denn ab heute bist du mehr als an nur einem Ort daheim  
Mit meinem Babe in der Hand und 'nem Safe an der Wand  
Könn'n wir tun, was wir woll'n, und das Leben ist noch lang, also komm

### **Chorus**

Sie will Kreditkarten und meinen Mietwagen  
Sie will Designerschuhe und davon ganz schön viel haben  
Manolo Blahnik, Prada, Gucci und Lacoste  
Kein Problem, dann kauf' ich halt für deine Schuhe gleich ein ganzes Schloss  
Sie will in Geld baden, und sie will Pelz tragen  
Und sie will schnell fahren, einmal um die Welt fahr'n  
Sie kann sich kaufen, was sie wollte, doch nie hatte  
Denn ich hab' jetzt die American Express, und zwar die schwarze, also komm

## Culcha Candela - Hamma

*F#m E D Bm*

**Du bist hamma! Wie du dich bewegst in dei'm Outfit  
Hamma! Einzigartig, unglaublich  
Hamma! Du weißt, dass du übertrieben  
Hamma bist! Warum bist du nicht geblieben?**

*A Bm C#m D*

Ich guck' rüber und du stehst an der Bar mit'm Sektklas in der Hand – wunderbar  
Ich musste einfach hinseh'n, hingeh'n, auf 'ner Skala bist du nicht drauf – zu schön  
Ich kämpf' mein'n Weg durch zu dir, denn ich weiß, ich will nur zu dir  
Doch als ich dann da war, du und dein Sekt. Oh Shit! Ihr wart schon weg ...

**Chorus**

*A Bm C#m D*

Ich find's hamma dass du nicht so viel Scheiße laberst wie die andern  
Die sich auf den Partys immer nur an mein'n Arsch klammern  
Und sich dann mit Cocktails das Leben süß schlabbern  
Ne, du bist irgendwie anders, du bist einfach  
H-A-Doppel-M-E-R – hammer, yeah! Außer dir und Mama gibt es keine mehr  
Komm mal näher, ma chère, noch viel, viel näher, wegen dir werd' ich Tier, Tiger, hin und her

*F#m E D Bm*

Du bist hamma. Denn du bist kaum gestylt und versprühst trotzdem Glamour  
Hab' dich nur einmal angesehen, schon hat's bei mir gedämmert  
Viel zu viele Jahre hab' ich ohne dich schon verplempert, Un dit wird jetzt jeändert!

*A Bm C#m D*

Du bist 'ne sweete Cutie, hast 'n dicken Booty  
Ich führ' dich aus, lad' dich ein, nehm' dich mit zu Muddi  
Du bist ein Mix aus Studi und Gheddo, ich sing dein'n Namen: pretty projelo

**Chorus**

*A Bm C#m D*

Ich werd' deine Nummer wieder wählen, denn die Nacht war mir zu kurz  
Ich komme, um dir deine Zeit zu stehlen, unsre Nacht war viel zu kurz  
Wir könn'n einfach nur zusammen sein und uns anseh'n  
Und vielleicht schließen wir die Tür und dann wird es abgeh'n (Right!)  
Denn, Gyal, du bist der Hammer und ich will dich ma' schwing'n  
Denn so, wie du mich anmachst, kann ich dir nicht widersteh'n  
Wie wär's, wenn wir woanders so'n kleinet Ding dreh'n?  
Und wat da so bei rauskommt, na, dat werd' ma ma' seh'n  
Denn allet, wat wa woll'n, is'n kleinet bisschen Spaß  
Und komm' wa da ins Roll'n, geb'n wa'n klein bisschen Gas  
Da geh' ma in die Voll'n, denn wir sind ja nicht aus Glas  
Also komm' vorbei, Girl, denn sonst hast du was verpasst

**Chorus**

## Das Lumpenpack - Eva P.

### *Capo 4*

#### *G D/F# G D/F#*

Irgendwann wird sie in einer Kneipe sitzen  
Irgendwann tritt er spontan an sie heran  
Er wird rot dabei, die Hände werden schwitzen  
Er spricht eigentlich sonst niemals Frauen an

#### *Em C G*

Aber sie fiel ihm heut' Nacht direkt ins Auge  
Wie sie da mit ihrer Apfelschorle saß  
Obwohl er nicht ans Schicksal glaube  
Hat er sich direkt ein Herz gefasst

#### *G D/F# G D/F#*

Sie wird vermutlich ganz verlegen grinsen  
Weil ihr sowas nicht allzu oft passiert  
Sie tauschen Nummern aus und später wird er simsen  
Ihr Gespräch hätte ihn wirklich inspiriert

#### *Em C G*

Es folgen stundenlang Telefonate  
Die Wellenlänge stimmt. Es hat gefunkt  
Sie treffen sich auf Kuchen und Club Mate  
Sie sind hip, sie sind verliebt und noch so jung

#### *G D/F# G D/F#*

Sie küssen sich zum Abschied auf die Wange  
Beim zweiten Date ist es schon der Mund  
Es dauert sicher nicht mehr lange  
Dann wird sie ihn beim Abschied fragen: "Und

#### *Em C G*

Kommst du noch auf einen Kaffee hoch?"  
Oder auf ein andres Alibigetränk  
Und er wird sagen: "Sicher, gerne doch."  
Bis er das Schild sieht, das an ihrer Türe hängt

#### *C G D/F# Em C D*

Das selbstgemachte Schild aus Terracotta  
Hängt direkt unter'm Türspion  
Verrät in kobaltblauen Lettern  
Dass hier eine Eva Petry wohnt

#### **Chorus:**

#### *Am Em D/F# Am Bm7 C D*

**Eva Petry, Ich hoffe, dein Vater macht Musik  
Eva Petry, Lieber schlechter Schlager als beschissene Politik**

*Am Em D/F# C D G*

**Eva Petry, Man muss nich' wie seine Eltern werden  
Doch ganz ehrlich, ich glaube nicht daran  
Eva Petry, Wo ein Apfel fällt, steht immer auch ein Stamm**

*G D/F# G D/F#*

Er will die ganze Sache sehr subtil klär'n  
Er fällt nicht gerne mit der Tür ins Haus  
"Wie wär's, " fragt er, "woll'n wir nicht Musik hör'n?"  
Und sie legt eine Wagner Oper auf

*Em C G*

Als sie sagt, dass sie berühmte Eltern habe  
Antwortet er dann wär' das Treffen eine Ehre  
Und muss schlucken als sie sagt, dass ohne Frage  
Das auch für sie ein innrer Reichsparteitag wäre

*C G D/F# Em C D*

Er zeigt auf das Bild von Charlie Chaplin  
Sagt, dass er die Filme auch ganz gerne schaut  
Sie zwinkert und erwidert: "Filme?  
Der Typ hat Autobahnen gebaut."

**Chorus**

*G D/F# G D/F#*

Die Geschichte hier entsteht nur in Gedanken  
Die Gedanken hat ein schüchterner junger Mann  
Der seit geraumer Zeit schon zu sich sagt:  
"Geh zu ihr rüber und sprich sie einfach an."

*Em C G*

Doch im Kopf noch immer die Was-wäre-wenns  
Die Abers, die Obachts, die Vielleichts  
Die letztendlich wieder dafür sorgen  
Dass er auch heute Nacht alleine bleibt

*C G D/F# Em C D*

Und am Tresen gegenüber da sitzt Eva  
Eva Peters trinkt den Apfelsaft allein  
Es scheitert mit den Männern immer spätestens dann  
Wenn sie fragt: "Kommst du noch mit rein?"

**Chorus:**

*Am Em D/F# Am Bm7 C D*

Eva Peters, bleibt allein in jeder Nacht  
Eva Peters, hättest du nur einen Töpferkurs gemacht  
Eva Peters, Ganz ehrlich, das Schild an deiner Tür das kann doch wirklich keiner lesen  
Eva Peters, Fällt der Apfelsaft vom Tresen

## Das Lumpenpack - Guacamole

*C#m F#m A G#*

Die Musik ist nicht mehr gut, Sie ist nicht mal mehr zu laut  
Zieh' die Schuhe bitte aus sonst ist der Flur direkt versaut  
Und jetzt steh' ich da mit einem Glas in meiner Hand  
Und es ist kein ausgespültes altes Senfglas  
Kein Rumstehen im Flur, Vor dem Klo keine Schlange  
Man pinkelt im Sitzen, Kein Bier in der Wanne  
Es wird viel, viel weniger geknutscht  
Ich glaube, es wird gar nicht mehr geknutscht

### **Chorus:**

Ja ich komme in ein Alter da bringt man Salat mit  
Oder einen Weißwein oder ein leckeres Dessert  
Ich glaub' ich mache Panna Cotta oder Tomate-Mozzarella  
Wobei Tomate-Mozzarella macht ja immer irgendwer

Alles voll Designermöbel, es sieht aus wie in 'nem Raumschiff  
Man schenkt sich heute Bücher, Schnaps von Aldi reicht nicht  
Jetzt steh' ich da mit meinem bestrichenen Brot  
Doch zumindest ist der Aufstrich glutenfrei  
Es raucht keiner mehr, alle leben gesund  
Man kauft sich ein Kind oder zeugt einen Hund  
Und alle sprechen über diesen einen finnischen Autoren  
Keiner feiert mehr das Dschungelcamp

### **Chorus:**

Ich komme in ein Alter, da bringt man Salat mit  
Oder einen Weißwein oder ein leckeres Dessert  
Ich glaub' ich mach' Tiramisu oder 'ne Guacamole  
Wobei, so 'ne Guacamole ist ja gar nicht laktosefrei  
Verdammt, das vergess' ich jedes mal

Puh, schon so spät, Ich muss jetzt nach haus'  
Ich trinke noch schnell meine Rotweinschorle aus  
Die mir früher ehrlich gesagt auch mal besser geschmeckt hat  
Aus dem Senfglas und als sie noch aus Bier war  
Man tuppert die Reste zum Mitnehmen ein  
Man tauscht noch Rezepte Man dankt für den Wein  
Und dann geht man und guckt heimlich  
Die Wiederholung vom Dschungelcamp in der Mediathek

### **Chorus:**

Denn ich bin in einem Alter, in das ich niemals kommen wollte  
Doch jetzt, wo ich schon mal da bin findet ihr mich am Buffet  
Ich versteh' nichts von Autoren, ich sprech' nicht mal Finnisch  
Aber die Guacamole, die schmeckt tatsächlich ganz okay

## Das Lumpenpack - Miriam

*C Em7/B Am F G*

Miriam schreit, Miriam weint, Miriam stürmt, beide Fäuste geballt  
Hoch in ihr Zimmer, dort auf ihr Bett, Knallende Türen  
begleiten den Weg und selbst ihre BFF kann sie heut' nicht verstehen  
Die Welt ist gemein, die Menschen schlecht, sie will heute niemand mehr sehen  
Und Muttis Mascara verläuft auf Zornes geröteter Wange  
Ddie weißen Zähne gefletscht hinter der obligatorischen Spange  
Sie will endlich mal länger als nur bist halb zehn  
Stefanies Mama hat da auch kein Problem  
Das ist echt voll peinlich als Erste zu gehen. Einmal dazugehören, das wäre schön

**Chorus:**

*G C G Dm F G*

**Mi-Mi-Mi-Mi-Mi-Miriam, spar' jede Träne  
Das sind keine Probleme, so lang'  
Dich ein Film mit Matthias Schweighöfer noch aufheitern kann**

*C Em7/B Am F G*

Und Miriam trampelt, Miriam tobt  
Sie hat dieses Stück schon so häufig geprobt  
Sie macht richtig viel Lärm, damit Mama es hört  
Und wenn die dann klopfen kommt wird ignoriert  
Die werden schon sehen, was sie davon haben  
Sie isst heu't bestimmt nicht mit denen zu Abend  
Fick' die Kartoffel! Fick' den Spinat! Ab nächsten Sommer aufs Internat  
Das Zimmer bei Mama ist kein Hotel, Viel mehr ein Gefängnis, die Gitter pastell  
Der Blick in den Garten, sie kann's nicht mehr sehen, all dieser Rasen und sie muss ihn mähen

**Chorus**

*Am Bb*

Doch ganz ehrlich, Miriam, Es steht noch so vieles an

*F C G*

So viele Handys, die du nicht gekauft kriegst, So viele Dinge, nur unter Aufsicht  
So viele Schwindel, bei denen du auffliegst  
Den Boy deiner Träume, den wirst du finden und Miriam glaub' mir, die Pickel verschwinden  
Pastellfarbene Wände kann man überstreichen, aber kein tätowiertes chinesisches Zeichen  
So manch ein Verbot wird dich irgendwann freuen  
Auch wenn im Moment nichts hilft außer schmollen  
Schau' schnulzige Filme, weine ein bisschen  
Iss drei Pötte Eiscreme, Schoko und Chips  
Denn wir verraten dir eines, Spoiler Alert  
Dass es nie wieder einfacher wird, denn  
Eines Tages, Baby, werden wir alt sein und über die Probleme lachen,  
von denen wir einst dachten, sie niemals lösen zu können

**Chorus**

## Die Ärzte - 1/2 Lovesong

Vergiss' nur einmal deinen Stolz

Fällt uns denn keine Lösung ein? (wie im Lovesong)  
Die Möglichkeit ist viel zu klein (für 'n Lovesong)  
Doch ich liebe nur dich allein**

*Em Em7 Em6 Em C D*

Vieles ist zur Gewohnheit verkommen  
Doch das ist immer die Gefahr  
Routine hat ihren Platz eingenommen

Ich vermisse dich schon jetzt  
Ich vermiss' auch die Geigen  
Vermis' dich zu küssen  
Nichts auf dieser Welt, was dich ersetzt

Willst du dass wir sterben?

## Die Ärzte - Schrei nach Liebe

*Dm Bb C*

Du bist wirklich saudumm, darum gehts dir gut

## Die Schörders - Frösche Weinen Nie

*C Am F G*

Ich habe mir n Frosch gezüchtet  
Und ihm gleich n Stromstuhl gebaut  
Dann hab ich ihm zehntausend Volt rein gejagt  
Und verzückt dabei zugeschaut

*F G C Am*

Wie sein Hirn gen Himmel quoll  
Und wie das Blut aus seinen Augen schwoll  
Doch eines störte mich an dieser Zeremonie  
Frösche weinen nie!

**Chorus:**

**Frösche weinen, Frösche weinen  
Frösche weinen nie, oh oh oh  
Frösche weinen, Frösche weinen

*C Am F G*

Am nächsten Tag hat mich der Ehrgeitz gepackt  
Und ich kaufte mir Frösche, n ganzen Sack  
Mami und Papi waren nicht daheim  
Ich konnte mit meinen Fröschen alleine sein

*F G C Am*

Den ersten den habe ich im Aquarium ertränkt  
Der zweite das Schwein er hat sich selbst aufgehängt  
Nur eins störte mich an dieser Zeremonie  
Frösche weinen nie!

**Chorus**

Jetzt die Moral nun passt schön auf  
Zweitausend Frösche gingen bei mir drauf  
Hab sie gequält von früh bis spät  
Jetzt weiss ich auch dass das nicht geht

*F G C Am*

Ich hab sie gequält und ich brachte sie um  
Nur langsam wurd mir das zu dumm  
Trotz Test für Test und Analysen  
Frösche haben keine Tränendrüsen

## Die Toten Hosen - Tage Wie Diese

***D G Bm G C G D C G D***

Ich wart' seit Wochen auf diesen Tag  
Und tanz' vor Freude über den Asphalt  
Als wär's ein Rhythmus, als gäb's ein Lied  
Das mich immer weiter durch die Straßen zieht  
Komm' dir entgegen, dich abzuholen, wie ausgemacht  
Zu derselben Uhrzeit, am selben Treffpunkt, wie letztes Mal

Durch das Gedränge der Menschenmenge  
Bahnen wir uns den altbekannten Weg  
Entlang der Gassen, zu den Rheinterrassen  
Über die Brücken, bis hin zu der Musik  
Wo alles laut ist, wo alle drauf sind, um durchzudrehen  
Wo die Anderen warten, um mit uns zu starten und abzugehen

**Chorus:**

***D G Em G A D***

**An Tagen wie diesen wünscht man sich Unendlichkeit

Wünsch ich mir Unendlichkeit**

***D G Bm G C G D C G D***

Das hier ist ewig, ewig für heute  
Wir stehen nicht still für eine ganze Nacht  
Komm ich trag dich durch die Leute  
Hab keine Angst, ich gebe auf dich Acht  
Wir lassen uns treiben, tauchen unter, schwimmen mit dem Strom  
Drehen unsere Kreise, kommen nicht mehr runter, sind schwerelos

***D G Em G***

**An Tagen wie diesen wünscht man sich Unendlichkeit

***C G D C G D G Bm G A***

**In dieser Nacht der Nächte, die uns so viel verspricht  
Erleben wir das Beste und kein Ende in Sicht

## **Hannes Wader - Heute hier, morgen dort**

*G C G Em D*

Heute hier, morgen dort, bin kaum da, muss ich fort  
Hab mich niemals deswegen beklagt  
Hab es selbst so gewählt, nie die Jahre gezählt  
Nie nach Gestern und Morgen gefragt

**Chorus:**

*D C G*

**Manchmal träume ich schwer und dann denk ich es wär  
Zeit zu bleiben und nun was ganz anders zu tun  
So vergeht Jahr um Jahr und es ist mir längst klar**

*Em D G*

**Dass nichts bleibt, dass nichts bleibt, wie es war**

*G C G Em D*

Dass man mich kaum vermisst, schon nach Tagen vergisst  
Wenn ich längst wieder anderswo bin  
Stört und kümmert mich nicht, vielleicht bleibt mein Gesicht  
Doch dem Ein' oder Andern im Sinn

**Chorus**

*G C G Em D*

Fragt mich einer, warum ich so bin, bleib ich stumm  
Denn die Antwort darauf fällt mir schwer  
Denn was neu ist, wird alt, und was gestern noch galt  
Stimmt schon heut oder morgen nicht mehr

**Chorus**

## Josh - Cordula Grün

*C C C C F C*

Sie hieß Cordula Grün, ich hab' sie tanzen gesehen  
Dann hab' ich sie noch gefragt, ob sie morgen mit mir  
Einen Tee trinken mag, oder ein Fruchtkonzentrat  
„Wer zuerst geht, verliert“, hat sie dann abends skandiert  
Aus unserem Tee wurde Bier, zwei große Schnaps und sie sagt  
„Komm mit nach Hause zu mir, mein Mann wohnt eh nicht mehr hier“

*Am Am G Am Am Em*

Mir war's am nächsten Tag klar, ich will jetzt nur Cordula  
Ich bin und bleib' Optimist, selbst wenn sie mir verschwieg  
Dass sie verheiratet ist, mit einem Pediatrist  
Ihr Mann hieß Eberhart Grün, er hat sie tanzen gesehen  
Dann hat er sie noch gefragt  
Ob sie morgen mit ihm vor den Altar treten mag  
Und sie hat „ja“ gesagt  
*Am Am G Am Am Em*  
Hätte ich das geahnt, hätt' ich's anders geplant  
Und hätt' weggesehen

## **Juli - Geile Zeit**

Hast du geweint, hast du gefleht, weil alles anders ist?  
Wo ist die Zeit? Wo ist das Meer?

Du fragst mich, wo sie geblieben ist

Die Nächte kommen, die Tage gehen, es dreht und wendet sich  
Hast du die Scherben nicht gesehen, auf denen du weiter gehst?  
Wo ist das Licht? Wo ist dein Stern?

*Am G F*

Du willst hier weg, du willst hier raus, du willst die Zeit zurück  
Du atmest ein, du atmest aus, doch nichts verändert sich  
Wo ist die Nacht? Wo ist der Weg?

Trau dich nur zu spinnen, es liegt in deiner Hand

## Reinhard Mey - Über Den Wolken

### *G Am D G*

Wind Nord-Ost, Startbahn null-drei  
Bis hier hör ich die Motoren  
Wie ein Pfeil zieht sie vorbei  
Und es dröhnt in meinen Ohren  
Und der nasse Asphalt bebt  
Wie ein Schleier staubt der Regen  
Bis sie abhebt und sie schwebt  
Der Sonne entgegen

### **Chorus:**

*G C D G Am D G C G D G*

**Über den Wolken**

**Muss die Freiheit wohl grenzenlos sein  
Alle Ängste, alle Sorgen  
Sagt man  
Blieben darunter verborgen  
Und dann  
Würde was uns groß und wichtig erscheint  
Plötzlich nichtig und klein**

### *G Am D G*

Ich seh ihr noch lange nach  
Die dunklen Wolken erklimmen  
Bis die Lichter nach und nach  
Ganz im Regengrau verschwimmen  
Meine Augen haben schon  
Jenen winz'gen Punkt verloren  
Nur von fern klingt monoton  
Das Summen der Motoren

### **Chorus**

Dann ist alles still, ich geh  
Regen durchdringt meine Jacke  
Irgendjemand kocht Kaffee  
In der Luftaufsichtsbaracke  
In den Pfützen schwimmt Benzin  
Schillernd wie ein Regenbogen  
Wolken spiegeln sich darin  
Ich wär gern mitgeflogen

### **Chorus**

## **Revolverheld - Das kann uns keiner nehmen**

### *Capo 2*

#### *G Cadd9 Em7 Cadd9*

Alte Freunde wiedertreffen, nach all den Jahr'n  
Wir hab'n alle viel erlebt und sind immer noch da  
In der Kneipe an der Ecke uns'rer ersten Bar  
Sieht es heute noch so aus wie in den Neunzigern  
Manche sind geblieben und jeden Abend hier  
Meine erste Liebe wirkt viel zu fein dafür  
Wir sind wirklich so verschieden und komm' heut von weit her  
Doch unsre Freundschaft ist geblieben, denn uns verbindet mehr

### **Chorus:**

#### *G Cadd9 Em7 Dsus4*

**Oooh, das kann uns keiner nehmen**  
**Oooh, lasst uns die Gläser heben**  
**Oooh, das kann uns keiner nehmen**  
**Die Stadt wird hell und wir trinken auf's Leben**

#### *G Cadd9 Em7 Cadd9*

Wir hab'n an jede Wand geschrieben, dass wir da war'n  
Und die Momente sind geblieben und sind nicht zu bezahlen  
Jedes Dorf und jeden Tresen hab'n wir zusamm' gesehen  
Und wenn ich morgen drüber rede klingt das nach Spaß am Leben

### **Chorus**

#### *Cadd9 Em7 G Em7*

Und in der Kneipe an der Ecke brennt noch immer das Licht  
Wir trinken Schnaps, rauchen Kippen und verändern uns nicht  
Und in der Kneipe an der Ecke brennt noch immer das Licht, immer das Licht  
Und es ändert sich nicht, das kann uns uns keiner nehmen

## **SDP - Die Nacht von Freitag auf Montag**

**Chorus:**

*G D Am C*

**Wo war ich in der Nacht  
Von Freitag auf Montag?  
War ich drei, drei Tage wach  
Oder einfach im Koma?  
Und ich denk' mir, so 'ne Scheiße  
Ich bin splitternackt und pleite  
Sag' mir, wo war ich in der Nacht  
Von Freitag auf Montag?**

Ich wache auf, es fühlt sich an als ob mein Kopf explodiert  
Meine Kumpels hatten Spaß, ich bin komplett dekoriert  
Und ich schaue in den Spiegel, was ist eigentlich passiert?  
Denn über'm Arsch hab' ich ein Arschgeweih tätowiert  
Besoffen Autofahren is' doch okay, wenn man sich anschnallt  
Dachte ich doch jetzt, brauch' ich glaub' ich 'n guten Anwalt  
Meine Nase ist gebrochen, Mann wie schmerzhaft das ist  
Tja, der Türsteher war anscheinend stärker als ich  
Und die Olle neben mir, die sieht aus wie Thomas Gottschalk  
Wie hab' ich mir die denn schön gesoffen? Mann, ich kotz' bald  
Mann, ich trink' nie wieder (hey), auf jeden Fall 'ne Zeit lang  
Naja okay, auf jeden Fall bis nächsten Freitag

**Chorus**

Ich mach' ein Auge auf (ah), das andre geht nicht auf (hä?)  
Alles dreht sich und ich glaub' mein Bett bewegt sich auch (hm)  
Erstmal steh' ich auf (hm), doch das geht nicht, au  
Ey, Mann, was soll das? Da guckt ein Katheter Schlauch aus meinem Penis raus  
Verdammt wo bin ich (hä?) und warum bin ich stinkbesoffen?  
Warum trag ich dieses blöde Kleid mit hinten offen?  
Warum fühlt mein Kopf sich an als ob ein Block dagegen knallt?  
Ich geh' zum Spiegel, oh mein Gott, ich hab 'n B am Hals  
Dieses Gesaue is' nich gut für meine Leber, klar doch  
Jetzt hab' ich 'ne große Narbe da wo meine Leber war  
Egal sie können die Leber haben (ah), Dann muss ich weniger tragen  
Macht mir nichts is' janz okay, doch bitte, kann mir jemand sagen

**Chorus**

Sorry, ich war noch nie so drauf wie auf der Party  
Ich könnte das nich' wissen Mann, ich dachte, das sind Smarties  
Ich kenn' beim Feiern kein Erbarmen, ich trink' den Jägermeister warm  
Waren das letzte was ich weiß, is' wie man mich nach draußen schleift  
Ich checke Facebook was is bloß passiert?  
Scheiße, ich wurde auf hundertdreißig Fotos markiert

Und eines dieser Fotos zeigt mich, kriechend am Ku'damm  
Eines zeigt mich nackt am Potsdamer Platz  
Erschreckend find ich, dass mit mir am Steuer einer U-Bahn  
Scheiße Mann, ich krieg' nie mehr 'nen Job in dieser Stadt  
Und ich würd' sagen, ich nehm' keine Drogen mehr  
Wenn das nich' gelogen wär'

**Chorus**

## **Sportfreunde Stiller - Ein Kompliment**

### *D Am C Em*

Wenn man so will  
Bist du das Ziel einer langen Reise  
Die Perfektion der besten Art und Weise  
In stillen Momenten leise  
Die Schaumkrone der Woge der Begeisterung  
Bergauf, mein Antrieb und Schwung

### **Chorus:**

**Ich wollte dir nur mal eben sagen  
Dass du das Größte für mich bist  
Und sichergehen, ob du denn dasselbe für mich fühlst  
Für mich fühlst**

Wenn man so will  
Bist du meine Chill-Out Area  
Meine Feiertage in jedem Jahr  
Meine Süßwarenabteilung im Supermarkt  
Die Lösung, wenn mal was hakt  
So wertvoll, dass man es sich gerne aufspart  
Und so schön, dass man nie darauf verzichten mag

### **Chorus**

## **Sportfreunde Stiller - Applaus Applaus**

*G D Em*

Ist meine Hand eine Faust, machst du sie wieder auf  
Und legst die deine in meine  
Du flüsterst Sätze mit Bedacht durch all den Lärm  
Als ob sie mein Sextant und Kompass wär'n

Wenn Du lachst**

*C G Em D C C Em Em G D G*

**Applaus, Applaus

Hör' niemals damit auf  
Ich wünsch' mir so sehr  
Du hörst niemals damit auf**

**Chorus:**

*G D Em*

Ist meine Erde eine Scheibe, machst du sie wieder rund  
Zeigst mir auf leise Art und Weise, was Weitsicht heißt  
Will ich mal wieder mit dem Kopf durch die Wand  
Legst du mir Helm und Hammer in die Hand

## Tokio Hotel - Durch den Monsun

*E Esus4 E C Csus4 C E Esus4 E C Csus4 C E Esus4 E C Csus4 C A G*

Das Fenster öffnet sich nicht mehr  
Hier drin ist es voll von dir und leer  
Und vor mir geht die letzte Kerze aus  
Ich warte schon 'ne Ewigkeit  
Endlich ist es jetzt so weit  
Da draußen zieh'n die schwarzen Wolken auf

### Chorus:

*C D Em Bm C D Bm Em*

Ich muss durch den Monsun, hinter die Welt  
Ans Ende der Zeit, bis kein Regen mehr fällt  
Gegen den Sturm, am Abgrund entlang  
Und wenn ich nicht mehr kann, denk' ich daran

*C D E Esus4 E C Csus4 C*

Irgendwann laufen wir zusamm'n  
Durch den Monsun  
Dann wird alles gut

*E Esus4 E C Csus4 C E Esus4 E C Csus4 C E Esus4 E C Csus4 C A G*

'n halber Mond versinkt vor mir  
War der eben noch bei dir?  
Und hält er wirklich, was er mir verspricht?  
Ich weiß, dass ich dich finden kann  
Hör' deinen Namen im Orkan (Im Orkan)  
Ich glaub', noch mehr dran glauben kann ich nicht

### Chorus

*Esus4 E Csus4 C*

Ich kämpf' mich durch die Mächte hinter dieser Tür  
Werde sie besiegen und dann führ'n sie mich zu dir  
Dann wird alles gut, Dann wird alles gut  
Wird alles gut, Alles gut

## Udo Jürgens - Griechischer Wein

### *Capo 1*

***Bm G A D G A Bm F#m Bm***

Es war schon dunkel  
Als ich durch Vorstadtstraßen heimwärts ging  
Da war ein Wirtshaus  
Aus dem das Licht noch auf den Gehsteig schien  
Ich hatte Zeit und mir war kalt, drum trat ich ein

Da saßen Männer mit braunen  
Augen und mit schwarzem Haar  
Und aus der Jukebox erklang Musik  
Die fremd und südlich war  
Als man mich sah  
Stand einer auf und lud mich ein

### **Chorus:**

***G D A7 D/D7***

**Griechischer Wein ist o wie das Blut der Erde  
Komm', schenk dir ein  
Und wenn ich dann traurig werde liegt es daran  
Dass ich immer träume von daheim  
Du musst verzeihen**

***G D A7 Bm F#m Bm***

**Griechischer Wein und die altvertrauten Lieder  
Schenk' nochmal ein  
Denn ichühl' die Sehnsucht wieder, in dieser Stadt  
Werd' ich immer nur ein Fremder sein, und allein**

### **Chorus**

***Bm G A D G A Bm F#m Bm***

Und dann erzählten sie mir von grünen Hügeln, Meer und Wind  
Von alten Häusern und jungen Frauen, die alleine sind  
Und von dem Kind das seinen Vater noch nie sah

Sie sagten sich immer wieder  
Irgendwann geht es zurück  
Und das Ersparte genügt zu  
Hause für ein kleines Glück  
Und bald denkt keiner mehr daran  
Wie es hier war

## Udo Jürgens - Ich War Noch Niemals In New York

*C Eb F G*

Und nach dem Abendessen sagte er  
Lass mich noch eben Zigaretten holen gehen  
Sie rief ihm nach nimm dir die Schlüssel mit  
Ich werd' inzwischen nach der Kleinen sehen

*Am Em Am Em F G C*

Er zog die Tür zu, ging stumm hinaus ins neon-helle Treppenhaus,  
Es roch nach Bohnerwachs und Spießigkeit

*Ab Eb Ab Eb Ab Bb G C*

Und auf der Treppe dachte er  
Wie wenn das jetzt ein Aufbruch wär'  
Ich müsste einfach gehen für alle Zeit  
Für alle Zeit

**Chorus:**

*F G Em Am Dm G C*

**Ich war noch niemals in New York, ich war noch niemals auf Hawaii  
Ging nie durch San Francisco in zerrissenen Jeans  
Ich war noch niemals in New York, ich war noch niemals richtig frei  
Einmal verrückt sein und aus allen Zwängen fliehen**

*C Eb F G*

Und als er draußen auf der Straße stand  
Fiel ihm ein, dass er fast alles bei sich trug  
Den Pass, die Euro checks und etwas Geld  
Vielleicht ging heute Abend noch ein Flug

*Am Em Am Em F G C*

Er könnt' ein Taxi nehmen dort am Eck  
Oder Autostop und einfach weg  
Die Sehnsucht in ihm wurde wieder wach

*Ab Eb Ab Eb Ab Bb G C*

Noch einmal voll von Träumen sein, sich aus der Enge hier befreien  
Er dachte über seinen Aufbruch nach, seinen Aufbruch nach

**Chorus**

*Am Em Am Em F G C*

Dann steckte er die Zigaretten ein und ging wie selbstverständlich heim  
Durchs Treppenhaus mit Bohnerwachs und Spießigkeit

*Ab Eb Ab Eb Ab Bb G C*

Die Frau rief Mann, wo bleibst du bloß? Dalli Dalli geht gleich los  
Sie fragte war was? Nein, was soll schon sein

Ich sehe, was du denkst, Ich denke, was du fühlst  
Ich fühle, was du willst, Aber ich hör' dich nicht  
Ich hab' mir ein Wörterbuch gelieh'n  
Dir A bis Z ins Ohr geschrien  
Ich stapel' tausend wirre Worte auf  
Die dich am Ärmel zieh'n

Es ist verrückt, wie schön du schweigst  
Wie du dein hübsches Köpfchen neigst  
Und so der ganzen lauten Welt und mir  
Die kalte Schulter zeigst  
Dein Schweigen ist ein Zelt  
Stellst es mitten in die Welt  
Spannst die Schnüre und staunst stumm  
Wenn nachts ein Mädchen drüber fällt
